A MESSAGE FROM THE PRESIDENT
DR. DAVID TURPIN

As a global university striving for excellence, the University of Alberta seeks the best students from around the world. We have built an exceptional and diverse community by bringing global ideas and perspectives to our five campuses.

I invite you to bring your talents and ideas to our university. You will discover unique experiences within a different country and culture, and find new friends. At the University of Alberta, you can choose among a wide range of courses and programs. Join us in a learning experience that will transform you and prepare you for success in an ever-changing world.

Dr. David Turpin, President, University of Alberta

ABOUT THE PRESIDENT:
David Turpin, CM, PhD, LLD, FRSC, is the 13th president and vice-chancellor of the University of Alberta. Highly respected among Canada’s post-secondary leaders, he is a former chair of the World University Service of Canada, Vice-Chair of the U15 Executive Heads, and serves as a member of both the Universities Canada Board of Directors and Research Advisory Committee. He is a distinguished scholar and Thomson ISI highly cited researcher, and has earned many honours and distinctions, including fellowship in the Order of Canada and the Royal Society of Canada.

10 REASONS TO STUDY AT UALBERTA
WE WANT YOU HERE

1 HIGHLY RANKED: UAlberta is a global top-100 University and one of the top 5 in Canada.
2 INTERNATIONAL STUDENT SCHOLARSHIPS: Get recognized for your academic and leadership achievements.
3 COMPETITIVE TUITION AND FEES: You don’t have to overpay for a top-quality education.
4 BEAUTIFUL CAMPUS: Located in central Edmonton, a city of over 1 million people. Public transit easily connects you to shopping, culture, and dining from around the world!
5 WORK EXPERIENCE: Many faculties offer paid coop or work experience programs, enabling you to obtain valuable work experience alongside your degree.
6 CAMPUS COMMUNITY: Over 450 student clubs and groups, combined with a very active Students’ Union mean there are countless opportunities to get involved.
7 GUARANTEED RESIDENCE: Apply by 30th April for a place in one of UAlberta’s 13 on-campus residences.
8 CELEBRATE DIVERSITY: Canadians welcome others and share the traditions of many cultures.
9 STAY AFTER GRADUATION: Upon graduation from your degree you may apply for a post-graduate work permit to stay and work in Canada!
10 POST-GRADUATION EMPLOYMENT: University of Alberta graduates have the highest post-graduation employment rate in Canada!
A MAJOR CITY
Edmonton is the capital of the province of Alberta, and one of the major economic and cultural centres in western Canada. With over one million residents in the metro area, this vibrant, dynamic city is a great place to live.

CULTURAL CENTER
Edmonton has many highlights. The exciting new Ice District is home to a new arena, where you can check out concerts and shows from major international artists, like Kanye West and Beyoncé. Nearby, the Art Gallery of Alberta and Royal Alberta Museum offer more contemplative outings. Major sports teams call Edmonton home, with local ice hockey heroes the Edmonton Oilers being particularly popular. The city has also been selected as a venue for games in the 2026 FIFA World Cup.

CLOSE TO CAMPUS
UAlberta’s main campus is only minutes from central Edmonton and the city’s cultural core. It’s easy to go out for a meal, shop, or enjoy the city’s nightlife scene.

EVERYTHING YOU NEED
Edmonton has many stores and shopping centres. West Edmonton Mall is the largest mall in North America, offering many major international brands. Find food and goods from home in one of our many international supermarkets.

SAFE AND SECURE
Edmonton is comparatively one of the safest major urban areas in the world. You can head out without worry or hesitation.

A STRONG ECONOMY, A HIGH STANDARD OF LIVING
Alberta is recognized as having one of the strongest economies and highest living standards in the world. Albertans enjoy higher salaries than in any other province in Canada, as well as world-leading education and healthcare systems.

Canada is regularly recognized as one of the top 10 countries in the world for quality of life.
EXPLORE OUR CAMPUSES
OPTIONS ABOUND

INTERNATIONAL VIEWBOOK 2019 – 2020

ENTERPRISE SQUARE (EDMONTON)
In the heart of Edmonton’s downtown core, this campus is home to UAlberta’s English Language School, as well as the business incubator TEC Edmonton. Using public transit links you can get between UAlberta’s North Campus and Enterprise Square in less than 10 minutes!

SOUTH CAMPUS (EDMONTON)
This expansive campus is home to some of UAlberta’s cutting-edge research facilities, including a cyclotron and some of the best agricultural research labs. Foote Field and the Saville Community Sports Centre, two of UAlberta’s world-class athletic training facilities are located on South Campus. South Campus is easily accessible from UAlberta’s North Campus with a short ride on public transit.

CHOOSE YOUR CAMPUS
Each with its own atmosphere and focus

NORTH CAMPUS (EDMONTON)
Known as “Main Campus.” Occupying more than 50 city blocks, it’s a city within a city, located on the edge of a lush river valley. A classic academic setting steeped in over 100 years’ of history — but also home to some of the most advanced facilities in the world. You will find this primary teaching and research campus a vibrant hub of activity all year round.

CAMPUS SAINT-JEAN (EDMONTON)
An immersive cultural experience of learning in French where you can take numerous courses and programs in the heart of Edmonton’s francophone neighbourhood. You can still enjoy all the amenities of North Campus with a free 10-minute shuttle ride.

AUGUSTANA CAMPUS (CAMROSE)
Located one hour south of Edmonton, Augustana is a liberal arts and sciences campus. Known for the close-knit campus community, students are able to immerse themselves in different experiential learning opportunities in the community, outdoors, and abroad.

* Students in short-term courses or programs are not included.
MEAL PLANS & FOOD OPTIONS
Lister Hall and Peter Lougheed Hall both offer an all-inclusive Meal Plan. This means that you can focus on your classes and friends instead of cooking and doing dishes. Gluten-free, halal, vegetarian and vegan are among the many options available each day. Even if your residence doesn’t include a mandatory Meal Plan, you can purchase a Voluntary Meal Plan to use at convenient locations on campus. Residents can also enjoy meals on campus at numerous restaurants that offer a variety of different cultural cuisines, including halal food. Nearby grocery stores allow residents to shop for and prepare their own meals.

FIRST-YEAR OPTIONS
Lister Hall is located on the south-western edge of North (Main) Campus. You can customize your experience by choosing quiet or alcohol-free floors or a faculty or interest-based cohort floor. Offers furnished dormitory rooms (double, single, or single with bath) and an all-inclusive Meal Plan.

Peter Lougheed Hall (PLH), opened in 2017, is located in the north-east corner of campus on the edge of the river valley. Peter Lougheed Hall is open to students of all years of study, offering single and double-occupancy units with private washrooms, an all-inclusive Meal Plan and a wonderful view of downtown Edmonton.

RATE ESTIMATES
Dormitory-style rooms: $716 – $2,185 per month (includes rent and Meal Plan), depending on room type
Apartment-style units (including upper-year options): $640 – $1,450 per month.

These residence rates are estimates effective as of June 1, 2018, and are subject to change. For updated rates, please consult uab.ca/residence

OTHER CAMPUSES
Augustana Campus residents will enjoy a dormitory environment with a strong sense of community in the centre of campus, just a short walk from classes and the many on-campus activities.

Campus Saint-Jean francophone residents will appreciate the architecture of the historic original building, where no two rooms are alike and every room is private.

OFF-CAMPUS LIVING
UAlberta is located centrally in Edmonton, and there are many housing options available in this area and throughout the city. You can search for off-campus housing using the Students’ Union Housing Registry: www.su.ualberta.ca
The International Services Centre (ISC) is home to International Student Services, Education Abroad, Global Education and the Visiting Student programs. International Student Services provides international students with the resources to help them adjust to life at UAlberta in Canada.

**SUPPORTING YOU THROUGH YOUR JOURNEY**

Coming to Canada to study at UAlberta will be an adventure, and with every adventure comes questions. Where will I go if I need advice? Will I meet other students on campus? What happens when I arrive at the airport in Edmonton?

Our International Student Services team provides services, events, and programs that can help you accomplish your academic and personal goals. These international experts are ready to coach you towards a successful university experience.

GET A HEAD START ON YOUR CAREER

UA Albert is the right choice for the career-minded. Top graduate employability rankings, co-op work placements and academic internships, plus support from the Career Centre mean that studying here will give you a head start on your career. After you graduate, the Post Graduation Work Permit will let you stay and work in Canada for up to 3 years.

CO-OP PROGRAMS AND WORK EXPERIENCE

It's important to think about what comes after graduation. If your focus is on a rewarding career, choose a university that can get you there. UA Alberta is top in Canada and in the global top 100 for post-graduation employment outcomes, according to the 2018 QS Graduate Employability Rankings. With job shadowing and career mentoring opportunities, as well as strong relationships with employers, UA Alberta is the right choice for those focusing on their future career!

A CANADIAN CAREER AFTER GRADUATION

After you graduate from UA Alberta, you may be eligible to stay and work in Canada for up to 3 years with the Post Graduation Work Permit. Living and working in Canada provides opportunities to apply for Permanent Residency. Learn more: www.cic.gc.ca/english/study/work-postgrad.asp

STAY FIT IN OUR SPORT AND RECREATION FACILITIES

Many faculties and programs at UA Alberta offer paid co-op programs or work experience placements - letting you obtain practical experience while you earn credit towards your degree. Participating in co-op work programs, work experience placements, or academic internships has been shown to make graduates more attractive to employers!

The UA Alberta Career Centre supports all students and recent graduates with numerous programs to launch their careers.

VIBRANT, FUN, AND DIVERSE

Hundreds of student groups, dozens of cultural associations, and events throughout the year - this is UA Alberta's campus life. You can take part in university events, enjoy UA Alberta's sport and recreation facilities, or meet friends to celebrate festivals from your home country, or anything else you might want to do!

GET INVOLVED

Maybe you want to go skiing, play cricket, enjoy board games, or learn to cook interesting food. With over 450 student groups and associations at UA Alberta, it's easy to meet friends, discover a new interest, and pursue your passion.

If you're interested in student advocacy, check out UA Alberta's Student's Union. You can get involved and make a difference for your fellow students!

EXPERIENCE FOUR SEASONS

When you study at UA Alberta you'll get to experience and enjoy four distinct seasons: spring, summer, fall, and winter. Explore some new activities, and see how the landscape changes! There are fun activities in all seasons - if you've never tried winter sports like skiing, ice skating, or snowboarding, you might find a new passion!

• Public Health Nurse
• Occupational Health Nurse
• Military Nurse
• Home Care Nurse
• Mental Health Nurse

FACULTY OF MEDICINE AND DENTISTRY
(Limited Enrollment for International Students)
The Faculty of Medicine and Dentistry trains physicians, researchers in the basic and clinical sciences, dentists, dental hygienists, and medical laboratory scientists for Alberta, Canada, and the world. There is an outstanding environment covering the spectrum of health research, with scientists who are highly sought after by research centres in North America and Europe.

Admission to the DDS and Dental Hygiene programs is limited: 85% of the places in the programs are reserved for Alberta residents, five percent for international students and ten percent for non-Albertan Canadians. Entrance to the Doctor of Medicine (MD) program is restricted to students who are Canadian citizens or permanent residents of Canada (landed immigrants).

Career includes:
• Artificial Intelligence Specialist
• Geneticist
• Environmental Specialist
• Food & Drug Inspector
• Respiratory Specialist
• Positions in Academia

FACULTY OF SCIENCE
Ranked as one of the top science faculties in North America, we take pride in being a world leader in research and scientific discovery. We are now searching for our next generation of outstanding scientists—what will your discovery be?

Career includes:
• Environmental & Regulatory Specialist
• Water Purification Chemist
• Geophysicist (petroleum, environment, data collection)

FACULTY OF GRADUATE STUDIES AND RESEARCH
The Faculty of Graduate Studies and Research is home to more than 7,500 graduate students – the largest contingent of researchers on campus and the most international in Canada. Our students, in partnership with award-winning faculty, play a fundamental role in making groundbreaking discoveries. We offer 367 master’s degrees, 172 doctoral degrees, and 250 official specializations in more than 300 research areas, as well as great opportunities to conduct research abroad through formal exchange agreements, internships, and field work.

Career includes:
• Geophysicist (petroleum, environment, data collection)
• Water Purification Chemist
• Environmental & Regulatory Specialist
• Artificial Intelligence Specialist
• Geneticist
• Artificial Intelligence Specialist
• Geneticist
• Environmental Specialist
• Food & Drug Inspector
• Respiratory Specialist
• Positions in Academia

SCHOOL OF PUBLIC HEALTH
(Graduate Programs Only)
UAlberta is home to Canada’s first accredited school of public health. Its focus is protecting and promoting the health of populations, as well as preventing disease and injury. Graduate programs prepare a new generation of skilled public health professionals to tackle the challenges facing our global population and improve the health of people.

The School of Public Health offers 18 specializations over MPH, MSc and PhD graduate degree programs.

Career includes:
• Geophysicist (petroleum, environment, data collection)
• Water Purification Chemist
• Environmental & Regulatory Specialist
• Artificial Intelligence Specialist
• Geneticist
• Artificial Intelligence Specialist
• Geneticist
• Environmental Specialist
• Food & Drug Inspector
• Respiratory Specialist
• Positions in Academia

FACULTY OF REHABILITATION MEDICINE
(Graduate Programs Only)
The Faculty of Rehabilitation Medicine offers MSc programs in physical therapy, occupational therapy, and speech-language pathology, as well as MSc and PhD programs in rehabilitation science. We are the only free-standing faculty of rehabilitation in North America and the destination of choice for rehab professionals.

Career includes:
• Respiratory Specialist
• Positions in Academia

FACULTY OF GRADUATE STUDIES AND RESEARCH
The Faculty of Graduate Studies and Research is home to more than 7,500 graduate students – the largest contingent of researchers on campus and the most international in Canada. Our students, in partnership with award-winning faculty, play a fundamental role in making groundbreaking discoveries. We offer 367 master’s degrees, 172 doctoral degrees, and 250 official specializations in more than 300 research areas, as well as great opportunities to conduct research abroad through formal exchange agreements, internships, and field work.

Career includes:
• Geophysicist (petroleum, environment, data collection)
• Water Purification Chemist
• Environmental & Regulatory Specialist
• Artificial Intelligence Specialist
• Geneticist
• Artificial Intelligence Specialist
• Geneticist
• Environmental Specialist
• Food & Drug Inspector
• Respiratory Specialist
• Positions in Academia

SCHOOL OF PUBLIC HEALTH
(Graduate Programs Only)
UAlberta is home to Canada’s first accredited school of public health. Its focus is protecting and promoting the health of populations, as well as preventing disease and injury. Graduate programs prepare a new generation of skilled public health professionals to tackle the challenges facing our global population and improve the health of people.

The School of Public Health offers 18 specializations over MPH, MSc and PhD graduate degree programs.

ADMISSION STEPS
YOUR GUIDE TO GETTING HERE

1. DISCOVER YOUR PROGRAM
   CHOOSE YOUR PROGRAM(S)
   Explore and compare program options, review the requirements, and check your eligibility, all in one place! uab.ca/programs
   TIP: You can list two program choices on your application form. This will give you the best chance of receiving an admission offer.

   CHECK THE REQUIREMENTS
   Check UAlberta’s English language proficiency requirements, if you are applying to Campus Saint-Jean, you will need to check the French language proficiency requirements.

   Check to find out what the admission subject requirements are for your program.

2. APPLY ONLINE
   APPLY APPLICATIONS OPEN OCTOBER 1
   You can fill out the online application for admission at uab.ca/apply
   • You should attach your year 11 results and confirmation of courses you are taking in your final year.
   • You will be required to submit a CAD $125 application fee by credit card.
   • You may be required to submit some additional document(s) with your application. See: uab.ca/intdocs

   APPLY FOR SCHOLARSHIPS
   December 12, 2018 is the deadline to apply for awards and scholarships.

   APPLY FOR RESIDENCE
   April 30 is the deadline to apply for guaranteed housing. You can apply for residence at the same time as you apply for admissions. Apply and explore all of your residence options. uab.ca/residence

3. STAY CONNECTED
   CHECK YOUR UALBERTA EMAIL
   Once you submit your application, you’ll be assigned a new UAlberta email address, a unique student number, and a Campus Computing ID (CCID). Going forward, this is the email address we’ll use to correspond with you. uab.ca/mail

   CHECK YOUR BEAR TRACKS
   Bear Tracks is our online student service system. You will receive an email with login instructions after you apply. Log in to check your admission status and To-Do List, register in courses, and more. You will be notified via email any time there is an update to your admission status. uab.ca/beartacks

4. ACCEPT YOUR OFFER
   SECURE YOUR PLACE AT UALBERTA
   Once you receive an admission offer, you’ll need to accept your offer and pay a $500 tuition deposit by the deadline stated in your Bear Tracks account.
   Watch your email for your admission offer and for instructions on how to accept.

   BUILD A DRAFT SCHEDULE
   Before course registration opens you can be ready with a draft schedule. Go to Bear Tracks to browse course options and develop a timetable.

   REGISTER FOR COURSES
   Course registration will open in early April. Be among the first to select your classes by accepting your admission offer.

5. PREPARE TO COME TO CANADA
   OBTAIN YOUR STUDY PERMIT
   In order to study in Canada, you will need a study permit. Application processing time can take three months or more. We encourage you to apply for your study permit well in advance of your program start date. You can use your letter of Admission to start your study permit application. For complete information on immigration and application requirements, consult the Government of Canada website at www.cic.gc.ca

OTHER TO-DOS
SUBMIT YOUR DOCUMENTS
Check your To-Do List in Bear Tracks to see what outstanding documents and other items are still required, and ensure they are submitted by the deadline indicated. uab.ca/beartacks
To retain your admission offer, ensure all required documents are submitted by the deadline and meet the conditions specified in your offer. Documents must be sent to UAlberta's Registrar's Office directly from the authorized issuing institution by the posted deadlines. Remember to include your UAlberta 7-digit ID number with all documents. Documents are sent to: University of Alberta Office of the Registrar 201 Administration Building Edmonton, AB, Canada T6G 2M7
ENGLISH PROFICIENCY REQUIREMENT

FOR APPLICANTS

All undergraduate applicants to English-speaking and bilingual programs need to demonstrate the required level of English language proficiency before admission, regardless of their citizenship status or country of origin. Learn more at uab.ca/engpro

HOW CAN YOU MEET THE ELP REQUIREMENT?

- An overall score of 180, with no less than 165 in each skill
- For the University of Alberta to recognize school-awarded course marks, both the school and curriculum need to be validated by a recognized US body.

FIVE REQUIRED SUBJECTS

Admission to the University of Alberta is competitive and is based on a combination of factors. The two admission subjects required vary by your program and may be found at uab.ca/programs.

GRADES REQUIRED

Each undergraduate degree program has its own competitive admission average. To see the competitive range for your program please visit uab.ca/elpmpg.

INTERNATIONAL ADMISSIONS

GENERAL INFORMATION AND SELECTED CURRICULA

GENERAL INFORMATION

INTERNATIONAL CURRICULA

Students currently in High School need to submit their previous year’s results and confirmation of their year course registrations. Students who have completed High School need to submit official and complete copies of their final results or information which allows for their results to be verifiable. For a list of accepted credentials please visit uab.ca/equiv.

FIVE REQUIRED SUBJECTS

Admission to the University of Alberta is competitive and is based on a combination of factors. The two admission subjects required vary by your program and may be found at uab.ca/programs.

GRADES REQUIRED

Each undergraduate degree program has its own competitive admission average. To see the competitive range for your program please visit uab.ca/elpmpg.

SELECTED INTERNATIONAL CURRICULA

GENERAL CERTIFICATE OF EDUCATION (GCE) CURRICULUM

Students in the General Certificate of Education (GCE) system may use a combination of Higher and Advanced Subsidiary Level (A- or AS-level) and GCSE courses to meet the two required admission subjects. A minimum of three subjects must be at the A- or AS-level. The remaining subjects may be presented at the GCSE level.

ENTRY CRITERIA

Each undergraduate program has its own competitive admissions average. Generally, students need to present courses with grades of A- or B+. Predicted A-level grades are accepted for admission consideration. Transfer credit may be granted upon receipt of official and complete all-transcript results. For more information please visit uab.ca/aib.

INTERNATIONAL BACCAULAUREATE (IB)

IB courses completed at either the higher level (HL) or standard level (SL) may be used for admission. The University of Alberta does not use IB Diploma courses for admission consideration. For more information please visit uab.ca/ib diploma.

FULL IB DIPLOMA APPLICANTS

Students need to present their full diploma with the two admission subjects required by their program of interest. Students currently in the last year of the IB Diploma Program can submit predicted IB grades for consideration. Transfer credit may be granted upon receipt of official and complete all-transcript results.

PARTIAL IB APPLICANTS

Students need to present the admission subjects required by their program of interest, a combination of IB and local curriculum may be used (but not GCSE and IB).

CHINESE CURRICULUM

Students who study in Chinese curriculum need to present the admission subjects required by their program of interest. For more information please visit uab.ca/china.

INDIAN SYSTEM

Students may enter the University of Alberta using Class XII CBSE or CISCE national board, or state board-issued results. To obtain a conditional offer, students need their school results for class XI showing a competitive average and course registration for class XII, and their best results of XII. The offer will be unconditional upon receipt of the final board exam results meeting the University of Alberta’s requirements. Class XII marks and Class XI predicted scores are not used in the average calculation. For more information please visit uab.ca/india.

US SYSTEM

BOTH SCHOOL AND CURRICULUM VALIDATED BY A RECOGNIZED US BODY

Students need both a General SAT score of 1200 with a minimum of 600 in each section or an ACT composite score of 26 and their American high school transcript (3 years of grades). To obtain a conditional offer, students would need their 11th and 12th year school results including the course registrations of their final Grade 12 year. The offer would become unconditional upon receipt of those results and meeting the University of Alberta’s requirements.

SCHOOL AND/OR CURRICULUM NOT VALIDATED BY A RECOGNIZED US BODY

Students need both a General SAT score of 1200 with a minimum of 600 in each section or an ACT composite score of 26 and their American high school transcript (3 years of grades). To obtain a conditional offer, students would need their 11th and 12th year school results including the course registrations of their final Grade 12 year. The offer would become unconditional upon receipt of those results and meeting the University of Alberta’s requirements.
