The Board Chair made note of the following:

- The University of Alberta has policy and procedure in place for Conflict of Interest and Conflict of Commitment, and Board members make annual disclosures.
- In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.
- The Post-Secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

The Board Chair invited members to declare conflicts of interest related to the Open Session Agenda of the meeting. He received a single declaration by Mr. Craig Turner, in regards to Agenda item 7.1 (Motion 2). The Board Chair observed no further declarations and declared that the question was duly asked and answered.

1.4 Chair’s Remarks

The Board Chair indicated that the morning’s Board sessions will be busy, to be followed by the afternoon’s Budget Briefing Session for the Board. The main focus of discussion and anticipated questions regarding the Budget and the Comprehensive Institutional Plan (CIP) documentation, will be deferred to the Budget Briefing session, rather than taking place during the Information Report section.
2. **Report of the President**

Agenda documentation is attached to these Minutes as Item 2.

In addition to her written report, the President also included verbal updates on:

- The U of A reclaiming it’s title as the world’s dodge-ball record holder, after daring to take the title from the University of California (Irvine), with 2,012 university senior administrators, faculty, staff and students competing in the Butterdome. This exciting event engaged all aspects of the four cornerstones in *Dare to Deliver*.
- A Students Communication Network will be identifying eight to ten stories that will reflect the quality of student engagement on campus, as part of a student advocacy communications program. This new shared initiative, supported by the President, from within the portfolios of the Vice-President (External) and Dean of Students, will be communicated through various mediums.
- The National Survey of Student Engagement (NSSE) that will be made available to students on February 15, 2011.
- The *State of the University* Address which she will be presenting on Tuesday, Feb. 15, 2011 at the Myer Horowitz Theatre in the Students’ Union Building.
- Colloquy@uAlberta – the University of Alberta Administration “official blog” which was created to offer a forum for direct contact to Senior Administrators, and for information sharing, discussion and debate about current topics relevant to the university.
- The President’s recent meeting with the Minister of Advanced Education and Technology and other Campus Alberta Presidents and Board Chairs.
- A significant private event in Ottawa on February 8, 2011, hosted by the University of Alberta to say thank-you to the Government of Canada for their continued support and funding of the Canada Excellent Research Chairs program. The University of Alberta is the national leader with four Chairs named. Fourteen of nineteen Chairs were among the hundred in attendance, and were joined with a strong presence of Government officials, and key stakeholders in the corporate and research sectors.
- The President’s recent visit to India with Chief Development Officer, Mr. O'Neil Outar.
- The President’s attendance on January 26, 2011, at a World Economic Forum (in Davos, Switzerland) which addressed world events, trends, global challenges and risk management.

- Professor emeritus Jacob Masliyah has been elected as a foreign associate to the American National Academy of Engineering. Academy membership honours those who have made outstanding contributions to engineering research, practice or education, and is among the highest professional distinctions accorded to an engineer in the United States.

Discussion:
The Board Chair welcomed all guests in attendance for this proposal, and invited Dr. Carl Amrhein, Provost and Vice-President (Academic) to introduce the item. Dr. Amrhein reported on the extensive route of consultation and governance that the proposal has received to date, including review and input by Mr. Brad Hamdon, University General Counsel, as well as both Student Association Presidents, Mr. Roy Coulthard, and Mr. Nick Dehod.

7.2. Human Research Ethics Policy and Procedures (in UAPPOL)

Agenda documentation is attached to these Minutes as Item 7.2.

*Presenters:* Lorne Babiuk, Vice-President (Research), George Pavlich, Associate Vice-President (Research), Wendy Rodgers, Acting Director, Human Research Protections Program and Professor, Faculty of Physical Education and Recreation; and Susan Babcock, Administrative Director, Research Ethics Office

*Purpose of the Proposal:* To consider approval and provide feedback on the proposed Human Research Ethics Policy and related documents.

*Discussion:* The Committee Chair, Mr. Bob Teskey introduced this item and noted that the motion should include an amendment to remove the words “subject to the review and approval by GFC Executive on February 7, 2011”, as a result of the GFC Executive Committee approving the Policy on February 7, 2011. Members agreed that this amendment could be considered a friendly amendment.

Mr. Teskey invited Dr. Lorne Babiuk, Vice-President (Research) to review the proposal. Dr. Babiuk indicated that the University continues to improve and enhance compliance, as reflected in the Human Ethics Research Policy and Procedure (in UAPPOL) and introduced members of the team who had been instrumental in developing and guiding the proposal through the lengthy governance process: Dr. George Pavlich, Dr. Wendy Rodgers and Ms. Susan Babcock. Dr. Pavlich reported that there has been a campus-wide consultation process, including faculty and researchers. The proposal has been reviewed by seven university committees, and received commentary from the University’s Legal Team. Dr. Babiuk expressed gratitude to the entire team who worked on the very detailed and lengthy suite of proposals and procedures.

*Motion:* Teskey/Coulthard

**THAT** the Board of Governors on the recommendation of the Board Learning and Discovery Committee approve: (a) the proposed Human Ethics Research Policy (as set forth in Attachment 2), subject to the review and approval by GFC Executive on February 7, 2011; Human Research Ethics Board Structure, Application and Review Procedure (as set forth in Attachment 3); Human Research Ethics Appeals Procedure (as set forth in Attachment 4); and Human Research Ethics Policy (Appendix A) – Roles and Responsibilities of Research Ethics Boards and their Members, the Research Ethics Office and the Director of Human Research Ethics (as set forth in Attachment 5) (all in UAPPOL), as submitted by the Office of the Vice-President (Research), all to take effect upon final approval; and (b) the corresponding rescission of GFC Policy Manual Section 66 (*Human Research – University of Alberta Standards for the Protection of Human Research Participants*), to take effect ninety (90) days following final approval of the (above-noted) new Policy and Procedures.

7.3. Proposed Use of Copyright Materials Policy (in UAPPOL)

Agenda documentation is attached to these Minutes as Item 7.3.

*Presenters:* Carl Amrhein, Provost and Vice-President (Academic); Mary-Jo Romaniuk, Acting Chief Librarian, School of Library and Information Studies
Purpose of the Proposal: This policy addresses the use of copyright materials by members of the University community and articulates the responsibilities of individuals to comply with copyright laws. The policy also describes how copyright materials can be used at the University. There will be procedures with this policy, but the policy is being brought forward on its own at this time. It is premature to associate procedures with this policy until such time as there is greater clarity in the copyright environment. It is important, nonetheless, that the proposed 'Policy' continue to move through governance.

Discussion:
The Committee Chair, Mr. Bob Teskey introduced the item and invited Dr. Carl Amrhein to review the proposal. Dr. Amrhein noted that the proposed policy is an extremely complex part of an overarching effort by the Auditor General of Alberta to ensure that the University has policies in place to manage risk. As part of the extensive consultation process, the proposal was presented to Dean’s Council. Ms. Romaniuk provided an in-depth summary of the supporting documentation to the proposal, and responded to questions from the Board. In response to a request from Board members to hear from University General Counsel concerning liability, Mr. Brad Hamdon noted that the policy does not create any new liability and that the language in the policy aligns with that in the University’s insurance policy.

In response to a request from a Board member, Dr. Amrhein reviewed the implications for students of the proposed policy, noting that the Copyright Office has a team working on a series of Questions and Answers for the University Community.

Motion: Teskey/Rolingher

THAT the Board of Governors, on the recommendation of the Board Learning and Discovery Committee, approve the proposed Use of Copyright Materials Policy (in UAPPOL), as set forth in Attachment 1 to the agenda documentation, to take effect upon final approval.

CARRIED

• To ensure that the revised terms reflect current practices regarding Committee composition and to ensure alignment of the composition with the Post-Secondary Learning Act.
• To reflect new practices regarding the reporting of enterprise-wide risks.
• To make the minor house-keeping editorial changes as indicated.

Discussion:
