The Board Chair made note of the following:

- The University of Alberta has policy and procedure in place for Conflict of Interest and Conflict of Commitment, and Board members make annual disclosures.
- In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.
- The Post-Secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

The Board Chair invited members to declare conflicts of interest related to the Open Session Agenda of the meeting. He received a declaration by Mr. Teskey, with regard to Agenda Item 9.2. Mr. Teskey excused himself from the room for the discussion, and abstained from the vote on the proposed Motion. The Board Chair observed no further declarations and declared that the question was duly asked and answered.

The Board Chair welcomed Board members, guests and members of public to the first Board meeting of the academic year.

He also noted Ms. Dawn Graham’s departure from the Board of Governors.

2. Report of the President

With the aid of a video presentation, the President began her Report by introducing the University’s new GoogleEarth mapping system. The 3D map is an extension of the University’s overall online strategy.

The President introduced the 2010-2011 Dare to Discover Report (Card) to the Board. She noted the 11 universities the University of Alberta was benchmarked against, and why those
particular universities had been chosen.

The President’s written Report to the Board appears as **Item 2** to these Minutes and Dare to Discover appears as **Item 2.b**.

The President included several verbal points of interest on the University’s Dare to Discover Report including: how she was pleased with the overall results of the report, acknowledging the University has improved in several areas and how she looks forward to the continued progress of the Institution; a review of the student ratios and how they compare to the other universities in the Report; a discussion surrounding student ratings, and how the University will be looking at ways to improve in this area; the notable number of University’s Fellows- especially in comparison to other universities; and an increase in fundraising, and she hopes that these funds will directly benefit students.

In addition to her written reports, the President included verbal updates on:

4.1 **Revised General Terms of Reference for the Board of Governors**

Agenda documentation is attached to these Minutes as Item 4.1.

**Presenters:** Brian Heidecker, Chair, Board of Governors; and Marion Haggarty-France, University Secretary

**Purpose of the Proposal:** To align the terms of reference for all Board Standing Committees respecting the appointment of the Committee Chair.

**Discussion:**

Motion: Teskey/ Hughes

THAT the Board of Governors approve the revised General Terms of Reference for the Board of Governors, as set forth in Attachment 1 to the agenda documentation.

CARRIED

4.2 Revised Mandate and Roles Document

Agenda documentation is attached to these Minutes as Item 4.2.

Presenters: Brian Heidecker, Chair, Board of Governors; and Marion Haggarty-France, University Secretary

Purpose of the Proposal: The Alberta Public Agencies Governance Act (APAGA) has not yet been proclaimed.

The Act provides a legislative framework for the work of Alberta's public sector agencies. The University of Alberta, and indeed all of the post-secondary institutions in Alberta, are considered public sector agencies and therefore the Board of Governors is accountable under the new Act.

Key responsibilities are outlined in the Act. Regulations for each of the responsibilities are currently under development.

Public Agencies will be responsible for the following:
- providing orientation, evaluation and training of members;
- requiring agencies to have a written statement of their mandate, roles and responsibilities, codes of conduct, and clearly stating the responsibilities of agencies and Ministers;
- clarifying the relationships and accountabilities between government and agencies, including policy making and information sharing;
- requiring periodic reviews of all agencies, to ensure they are operating as effectively as possible; (for the Post-Secondary sector, this will be on a seven year cycle); and,
- ensuring the public knows what steps are being taken to promote agency effectiveness, both through legislating these principles and requiring information about agencies to be made publicly available.

The document before members is one of the key documents called for in the accountability process under APAGA.

The revisions as proposed ensure that the document remains current. The revisions allow for the name change for the University Relations Committee and also allow for the Vice-Chair to Act in the absence of the Board Chair.

This document should not be confused with the Institution’s Mandate which was approved by the Board in June 2009 and by the Minister on July 17, 2009. The University’s Mandate is, however, referenced in the new Board of Governors Mandate and Roles document.

Discussion:
Ms. Haggarty-France introduced the proposal, and reviewed the revisions made to the Mandate and Roles document, noting the changes were editorial in nature.

Minor editorial changes were suggested by Board members. The changes were noted and will be included in the finalized document.
Motion: Fleming/ Minsos

THAT the Board of Governors approve the revised University of Alberta Board of Governors Mandate and Roles Document for submission to the Ministry of Advanced Education, as set forth in Attachment 1.
