1.3 Conflict of Interest – Opportunity for Declaration related to Agenda

The Chair made note of the following:

- The University of Alberta has policy and procedure in place for Conflict of Interest and Conflict of Commitment, and Board members make annual disclosures.
- In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.
- The Post-Secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

The Chair invited members to declare conflicts of interest related to the Open Session Agenda of the meeting. The Chair observed no declarations and declared that the question was duly asked and answered.

1.4 Chair’s Remarks

The Chair welcomed Colten Yamagishi, President of the Students’ Union, Ashlyn Bernier, President of the Graduate Students’ Association and Brent Kelly, Board of Governors Representative to their first meeting in their new roles, noting that as they had not received their Ministerial appointments they would be ineligible to vote, and would be considered guests at the meeting.

The Chair noted that this would be the final meeting of the Board of Governors attended by Chancellor Linda Hughes. In recognition of her service, he presented her with the gift of a book donation in her name to the University’s Peel’s Prairie Provinces digital library collection.

Finally, he noted that the Senate had elected Mr Ralph Young as the University’s twentieth Chancellor
2. Report of the President

Materials before members are contained in the official meeting file.

In addition to her written report, the President provided comments on the following matters:

- Premier Alison Redford announced her cabinet. During her announcement, the Premier outlined “Securing Alberta’s Economic Future” as one of government’s three key priority areas. The new Minister of Enterprise and Advanced Education is Honourable Stephen Khan.

- The Canada-India Research Centre of Excellence Initiative (or CIRCE) was announced in the Federal Government’s 2011 budget. It is a part of Canada’s India Engagement Strategy to forge closer ties with India across different sectors and enhance the bilateral Canada-India relationship. Earlier this year, the University submitted a joint letter of intent (in collaboration with the University of British Columbia and the University of Toronto) to host CIRCE. There were 21 letters of intent in total. The University of Alberta was chosen as one of only three applications to move on to the full proposal stage. These proposals are due in August.

- The national accreditation body for nursing education in Canada, the CASN (or the Canadian Association of Schools of Nursing), has completed their review of the Faculty of Nursing and has granted the longest possible length of accreditation—seven years—for the three undergraduate degree programs in our Faculty of Nursing.

- The President attended the spring members’ meeting of the Canadian Council of Chief Executives, where she participated in the panel forum that discussed: “What critical business, economic, political and social issues will be driving decision-making in Western Canada?”
