OPENING SESSION

1. Call to Order

Ms Zinken confirmed that the attendance constituted quorum. The Acting Chair called the meeting to order at 10:00 a.m., noting that the Board Chair was away at meetings in Chicago and had asked him to Chair the meeting on his behalf.

The Acting Chair informed the Board that this would be Dr Mike Belosevic’s final Board of Governors’ meeting and reviewed Dr Belosevic’s contributions to the Board of Governors and its Committees. In recognition of Dr Belosevic’s service, the Acting Chair presented him with the gift of a book donation in his name to the University’s Peel’s Prairie Provinces digital library collection: “Biological investigation and fisheries management at Lac la Ronge, Saskatchewan”. Board members thanked Dr Belosevic for his service to the University.

3. Conflict of Interest - Opportunity for Declaration Related to the Agenda
Presenter(s): Dick Wilson

The Acting Chair made note of the following:

- The University of Alberta has policy and procedure in place for Conflict of Interest and Conflict of Commitment, and Board members make annual disclosures.
- In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.
- The Post-Secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

The Acting Chair invited members to declare conflicts of interest related to the Open Session Agenda of the meeting. Dr Belosevic indicated that he was a resident of Grandview Heights and would have a conflict related to any South Campus discussions. Mr James reminded the Board of his role on the Province of Alberta’s Audit Committee. The Acting Chair acknowledged these declarations, observed no further declarations, and declared that the question was duly asked and answered.

ACTION ITEMS

4. Report of the Audit Committee
Presenter(s): Michael H. Ross

4a. Management’s Annual Consolidated Financial Statements (Draft)
Materials before members are contained in the official meeting file.
Presenter(s): Phyllis Clark; Martin Coutts

Purpose of the Proposal: To recommend to the Board the approval of the audited Consolidated Financial Statements as required by the Post-Secondary Learning Act.

Discussion:
Mr Ross introduced the item, informing the Board that this year's audit process was very well conducted. He acknowledged the efforts and cooperation of management and reported that the Auditor General had offered no new recommendations.

Ms Clark reviewed the document, noting in particular the increases in endowments and the $58.7 million in government funds received to match documented philanthropic commitments through the Access to the Future Fund. She also highlighted that there had been no Auditor’s observations.

Ms Clark responded to a question from the Board regarding the statements' indication that the University has an excess of revenue over expense of $75.3 million. She clarified that this was a one-time operating surplus based on several factors and that the University still has a $32 million accumulated deficit of unrestricted net assets.

Ms Clark and Mr Coutts responded to questions from Board members regarding the University’s policies regarding transfer of funds toward endowments, the University’s endowment policy compared with peer institutions, the structure and role of the Board Investment Committee, how the land trust will influence the financial statements, and whether or not the land trust will be included in the consolidated financial statements.

The motion was moved and seconded.

THAT the Board of Governors, on the recommendation of the Board Audit Committee, approve the Audited Consolidated Financial Statements for the year ended March 31, 2015. CARRIED
