OPENING SESSION

1. Chair’s Session
Presenter(s): Michael Phair

1a. Call to Order and Confirmation of Quorum
Presenter(s): Michael Phair

The Board Secretary confirmed that the attendance constituted quorum. The Chair called the meeting to order at 8:00 a.m.

1b. Approval of Open Session Agenda
Materials before members are contained in the official meeting file.

Presenter(s): Michael Phair

The Board Chair reminded members that material for Item 4ei - Committee Appointments was circulated on Tuesday.

The motion was moved and seconded.

THAT the Board of Governors approve the Open Session agenda as presented. CARRIED

1c. Conflict of Interest - Opportunity for Declaration
Presenter(s): Michael Phair

The Chair made note of the following:

- The University of Alberta has policy and procedure in place for Conflict of Interest and Conflict of Commitment, and Board members make annual disclosures.
- In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.
- The Post-secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

The Chair invited members to declare conflicts of interest related to the Open Session agenda of the meeting. Mr James reminded members that he is the Chair of the Audit Committee for the Province of Alberta and that the financial statements of the University are approved by this committee. Mr Rahman declared a conflict with Item 4biv - 2017-18 Rate Structure for Meals in Lister Residence because some vendors in the Students’ Union Building would benefit from the meal plan, and Mr Stowkowy declared a general conflict in that his firm does work for the University of Alberta.

Seeing no further declarations, the Chair declared the question asked and answered.
1d. Chair’s Remarks

**Presenter(s): Michael Phair**

The Chair welcomed members and guests and acknowledged all Indigenous peoples and the traditional lands on which the Board was gathered.

He offered a warm welcome to the six new public Board members who were appointed for three-year terms on March 7, recognizing their hard work getting up to speed on board material through a number of orientations over the past week. The new members, Dominique Grégoire, Lynne Paradis, Lynn Parish, Zahra Somani, Sheri Somerville, and Owen Tobert, introduced themselves to the Board, and the Chair then led all members, presenters and guests in a round of introductions.

The Chair informed members that this would be the final Board of Governors’ meeting for the student members: Sarah Ficko, Graduate Students’ Association President; Fahim Rahman, Students’ Union President; and Colin Champagne, Undergraduate Board of Governors Representative. Members joined the Chair in recognizing Ms Ficko, Mr Rahman, and Mr Champagne for their service and valuable contributions to the Board over the past year, and the student members expressed their pleasure at having worked with the Board. The Chair informed members that student elections were held recently and that Marina Banister, Students’ Union President-Elect, Mike Sandare, incoming Undergraduate Board of Governors Representative, and Babak Soltannia, Graduate Students’ Association President-Elect, were elected to the Board effective May 1, pending ministerial orders.

The Chair congratulated Ray Muzyka on being named the 2017 Allard Chair in Business at MacEwan University, a role intended to uphold Dr Charles Allard’s vision of recognizing a distinguished businessperson and community leader and providing students and faculty members an opportunity to meet an inspiring role model. The Chair noted that he and some other Board and university representatives were privileged to attend an event at MacEwan University honouring the Allard Chair and that Dr Muzyka gave an excellent presentation.

He then congratulated Sarah Ficko on her recent receipt of the 2017 Senior Women Academic Administrators of Canada Graduate Student Award of Merit, an award established to recognize women who have demonstrated outstanding leadership in their university and in the community while maintaining an exemplary academic record.

Members joined the Chair in recognizing Dr Muzyka and Ms Ficko on these recent accomplishments.

The Chair reminded members that there was still time to complete the Board Evaluation survey, thanking the members who had already completed it.

He informed members that a request to record and live-stream Board meetings was still being considered.

Finally, the Chair briefed members on the budget speech that he attended the week prior, highlighting the important role of education and post-secondary education in diversifying the economy and noting that Board members work in the public trust.

2. **Report of the President**

Materials before members are contained in the official meeting file.

**Presenter(s): David Turpin**

In addition to his written report, Dr Turpin also provided verbal remarks on: the provincial budget, which included a two percent increase to the Campus Alberta Grant and funding to upgrade the Dentistry-Pharmacy building, and his recent trip to Mexico City, where a highlight of the trip was the announcement of funding for three energy
research projects. He thanked the University Secretary and her team for their work in orienting the new public Board members.

2a. **For the Public Good - Finalized Performance Measures**
Materials before members are contained in the official meeting file.

*Presenter(s): David Turpin; Mary Persson*

Dr Turpin briefed the Board on the finalized set of performance indicators of *For the Public Good*, noting that work still needs to be done on defining indicators for certain objectives.

Ms Persson responded to questions from a Board member regarding the processes for identifying meaningful targets and for bringing internal indicators to the Board.

Dr Turpin responded to questions from Board members regarding: the process for developing new indicators in the year to come, and how the Board could use these measures beyond external reporting.

Members commended Dr Turpin and his team on their work identifying these indicators and expressed a desire for a strategic dashboard of these measures to determine future Board and Board committee priorities.

3. **Report from the University Secretary**

*Presenter(s): Marion Haggarty-France*

**Discussion:**
Ms Haggarty-France reminded members that the draft 2017-2018 Board calendar had been distributed earlier that week, indicating that the final version would be submitted at the May 12 Board of Governors meeting and noting in particular the tentative dates for a Board strategic retreat in the early Fall and a joint retreat in January with members of General Faculties Council (GFC). She then provided an update on the GFC *ad hoc* Committee on Academic Governance including Delegated Authority, noting that the committee’s report would be presented to GFC on April 21 but that the transformative work would continue long past that date.

Ms Haggarty-France responded to questions from Board members regarding the possibility of a three-year calendar and the benefits of a strategic retreat, especially for student members.

ACTION ITEMS

5. Report of the Finance and Property Committee

Presenter(s): Dick Wilson

Materials before members are contained in the official meeting file.

Presenter(s): Andrew Sharman; Gitta Kulczycki; Steven Dew
**Purpose of the Proposal:** To present the Budget and Capital Plan components of the CIP for approval. Under guidelines from Advanced Education, the University of Alberta will prepare a Comprehensive Institutional Plan (CIP) that incorporates the university's enrolment plan, research plan, capital plan, and budgets into one comprehensive document. The format and contents of the CIP are specified by Advanced Education guidelines. Textual edits considered to be friendly and non-substantive in nature will be incorporated into the CIP document following Board approval.

**Discussion:**
Mr Wilson introduced the item, noting that it had been recommended by the Board Finance and Property Committee, and Dr Turpin noted that University administration's budget assumptions in the plan were confirmed with the provincial government budget announcement the day prior.

Dr Dew provided an overview of the Comprehensive Institutional Plan (CIP), prepared according to guidelines from the provincial government, noting that it is an opportunity to re-state the plans outlined in For the Public Good. He explained that the budget and capital plan require approval prior to April 1, but that the remainder of the document would be submitted for approval through the appropriate committees during the subsequent governance cycle.

Ms Kulczycki presented the proposed 2017-18 consolidated budget and forecasts, explaining the financial assumptions in light of the current funding review by the provincial government and noting that salaries and benefits make up the vast majority of the university's expenses. She reviewed the net asset deficit and explained the budget assumptions, sensitivities, and risks, noting that the budget is balanced, as per provincial government requirements.

Mr Sharman presented the proposed capital plan, noting that it considers provincial government priorities, as well as federal, municipal and internal factors. He explained the evaluation criteria set forth by the provincial government, capital priorities by campus, and potential 'green' projects.

Mr Sharman responded to questions from Board members regarding: the impact of the Post-Secondary Institutions Strategic Investment Fund (SIF) on the capital plan; whether retrofitting science labs at Augustana will affect opportunities for a new building; the impact of a high performance training centre on the current facilities at South Campus and the projected lifetime of the Clare Drake arena; whether other capital projects were included in the provincial budget apart from the Dentistry Pharmacy building; and the square footage of the Dentistry Pharmacy building and plans for that building when renovations are complete.

Drs Turpin and Dew responded to questions from Board members regarding potential for diversification of revenue, including commercialization of research, and whether there was any update on the provincial government approval of the University of Alberta Properties Trust Inc.

Ms Kulczycki responded to a question from the Board regarding whether scholarship funding was included in the document.

Dr Turpin responded to questions from a Board member regarding: the value of an internal strategic planning exercise when the University is required to follow the government's strategic plans, and whether university and government priorities align.

**Motion:** The motion was moved and seconded.

**Resolution:**

\[
\text{THAT the Board of Governors, on the recommendation of the Board Finance and Property Committee, approve Appendix A: Financial and Budget Information, and Appendix F: Capital Plan, of the University of Alberta’s Comprehensive Institutional Plan (2017-2020), as set forth in Attachments 1 and 2.}
