Chancellor Stollery informed members that hard-copies of the 2017-2021 Senate Strategic Plan: Inquire, Promote and Connect had been distributed and were in front of members. He reviewed the plan and the Senate’s priorities for the next three years, noting that he hoped to collaborate with other units and help various parts of the university understand each other.

The Board Chair and President congratulated the Chancellor on the four-year plan.

ACTION ITEMS

5. Report of the Learning and Discovery Committee
Presenter(s): LeRoy Johnson

Materials before members are contained in the official meeting file.

Presenter(s): Lorne Babiuk; Steven Dew

Purpose of the Proposal: Under guidelines from Advanced Education, the University of Alberta has prepared a Comprehensive Institutional Plan (CIP) that incorporates the university’s enrolment plan, research plan, capital plan, and budgets into one comprehensive document. The format and contents of the CIP are specified by Advanced Education guidelines. The CIP fulfills core provincial accountability requirements.

Discussion:
Mr Johnson introduced the item, reminding members that the Board had already approved the university’s budget and capital plan and that this item comprised the remaining components of the university’s 2017-2020 Comprehensive Institutional Plan (CIP).

Dr Dew provided an overview of the item, reminding members that the CIP is a forward-looking document and that this portion of the CIP outlines the university’s academic goals and priorities, enrolment plan, and international and information technology strategies. He reviewed changes to the structure of this year’s CIP as required by government, including organization according to the Alberta adult learning system principles (Accessibility, Affordability, Quality, Coordination, Accountability), as well as changes made to reflect and align with For the Public Good. Dr Dew also noted that editorial amendments to the CIP as identified through discussions at committee meetings and outlined in Attachment 4, would be incorporated into the document following final approval, with Board consent as outlined in the motion.

Dr Dew, Ms Kulczycki and Dr Turpin responded to questions from the Board regarding: how the nuances of the second suggestion in Attachment 4 would be incorporated into the final document; the intended audience for the document and how often it was accessed on the university’s website; whether or not recent requests from the Minister of Advanced Education regarding cyber security would be reflected in the final document; and the potential impact of the budget risks outlined in the document.
The motion was moved and seconded.

WHEREAS the University of Alberta Comprehensive Institutional Plan (2017 – 2020) Appendices A: Financial and Budget Information and F: Capital Plan were previously approved by the Board of Governors on March 17, 2017,

THAT the Board of Governors, on the recommendation of the Board Learning and Discovery Committee:

- approve the remainder of the University of Alberta Comprehensive Institutional Plan (2017 – 2020) (CIP) including the university’s Enrolment Table, as set forth in Attachments 1 and 2 to the agenda documentation, and

- empower administration to incorporate the Enrolment Table into the CIP, as well as make any other editorial changes to the CIP, as needed, as long as the changes do not have the force of policy.
