1c. Conflict of Interest - Opportunity for Declaration
   Presenter(s): Michael Phair

   The Chair made note of the following:

   - The University of Alberta has policy and procedure in place for Conflict of Interest and Conflict of Commitment, and Board members make annual disclosures.

   - In addition, Board members must declare any conflict related to the Board Agenda of each meeting and, in the event of such conflict, absent themselves from the discussion and voting on the item.

   - The Post-secondary Learning Act, Section 16(5) states that: The members of the board must act in the best interests of the university.

   The Chair invited members to declare conflicts of interest related to the Open Session Agenda of the meeting. Mr Stowkowy declared a general conflict in that his firm does work for the University of Alberta.

   Seeing no further declarations, the Chair declared the question asked and answered.

1d. Chair's Remarks
   Presenter(s): Michael Phair
The Chair welcomed members and guests and acknowledged all Indigenous peoples and the traditional lands on which the Board was gathered. He offered a warm welcome to Katherine Binhammer, who was appointed July 1, 2017 as General Faculties Council appointee on the Board but was attending her first Board meeting.

The Chair then informed members that this was likely the final Board of Governors’ meeting for two public members, LeRoy Johnson and Dick Wilson, noting that Mr Johnson was currently serving his 90-day override period and that, pending the appointment of his successor, Mr Wilson’s term would expire in January 2018.

The Chair individually recognized both members for their service to the Board. He thanked Mr Johnson for his three years of service including as a member on the University Relations and Safety, Health and Environment Committees, and as Vice-Chair and now Chair of the Learning and Discovery Committee, noting Mr Johnson’s valuable role in connecting the Board to the Camrose community and the university’s Augustana Campus.

He then acknowledged Mr Wilson’s extensive service to the university and the Board since his appointment six years ago: as Acting Chair of the Board in 2015-16, as Vice-Chair of the Board for four years, as Chair of the Audit and Finance and Property Committees, as a member of the Human Resources and Compensation Committee, and as Board representative on several senior administrative search committees, including the Presidential Search Committee. Members joined the Chair in recognizing both members for their service and dedication to the Board and the university.

The Chair referred members to the talking points before them related to the Fundamental Science Review Panel Report, commonly referred to as the “Naylor Report”. He also drew members’ attention to two publications of interest: “Eighteen Bridges – Fall 2017”, a collaborative project from the Edmonton Community Foundation, Eighteen Bridges Magazine, and Litfest, and “Vital Signs” from the Edmonton Community Foundation, noting that both publications included articles written by members of the university community.

The Chair invited members to join him in congratulating Andrew Sharman and his team on receiving the Award of Merit in Urban Architecture for the design of Peter Lougheed Hall, as part of the 2017 City of Edmonton Urban Design Awards. He also extended congratulations to Babak Soltannia for receiving a 2017 Alberta Graduate Citizenship Award.

Finally, the Chair updated members on his recent campus activities, noting that he had attended a naming event for the Anne Lambert Clothing and Textiles Collection as well as the university’s Day of Remembrance and Action on Violence Against Women. He also thanked members for joining him at the Board’s festive holiday dinner the previous evening.

*Materials before members are contained in the official meeting file.*

*Presenter(s):* Michael Phair; Marion Haggarty-France

*Purpose of the Proposal:* To present for Board approval the principles that will guide the work of the Board of Governors’ Working Group.

**Discussion:**

The Chair introduced the item, reminding members that a revised attachment had been distributed earlier in the week amending the wording of Principle 2 to: “An expectation that the Board will…” instead of “A desire for the Board to…”

He briefed members on the work of the Board Working Group since the October Board meeting, informing members that the working group had received a presentation from General Counsel regarding the Board’s legislative obligations and delegation opportunities, and had also met with the Chair and Vice-Chair of the General Faculties Council Ad Hoc Committee on Academic Governance Including Delegated Authority regarding lessons learned and advice for the Board Working Group. He also indicated that the Board Working Group had held information gathering sessions with representatives from the Board, the Office of University Relations, the Office of Advancement, the Senate, and Alumni Council to discuss the bodies’ related mandates; as well as with Finance and Administration staff to seek their insight and perspective of the Board committees they attend and provide material for.

The Chair noted that the Board Working Group was having preliminary discussions regarding Board committee structure, membership, and mandates, and reviewed next steps including: further discussions and comparisons of Board structure, delegations and committee mandates; a meeting with committee chairs to seek their input; a Board strategy session on February 9; and a “Tour of Terms of References” at each Board Committee meeting in the next Board meeting cycle.
The Chair and Ms Haggarty-France responded to a question from the Board regarding the Board Working Group’s anticipated timeline and next steps.

The motion was moved and seconded.
