Proposal Template
Diploma, Certificate and Non-credential Programs

The following template outlines the information required by Innovation and Advanced Education to support its comprehensive review of proposals for new certificate, diploma and non-credential programs and new specializations in existing certificate, diploma and non-credential programs.

The guiding premise of the review is to ensure that the program adds value to Campus Alberta. The review will focus on the institution’s assessment of student and employer demand; the situation of the program in the context of Campus Alberta; the financial viability of the program, including implications for students and taxpayers; and dimensions of program quality.

SECTION 1: PROGRAM OVERVIEW

1.1 Program Name
Techniques d'administration des affaires (TAA), new specialization in Human Resource Management(Gestion des ressources humaines)

1.2 Institution(s)
Centre collégial de l’Alberta(CCA), Campus Saint-Jean(CSJ), University of Alberta

1.3 Contact Person
Name: Dolorèse Nolette
Telephone: 780-485-8648
Email: dnolette@ualberta.ca

1.4 Type of Initiative
This proposal is to add a new specialization in Human Resource Management(HRM) (Gestion des ressources humaines) to the Techniques d'administration des affaires (TAA) diploma program. The TAA program is offered in collaboration with the Northern Alberta Institute of Technology (NAIT). The UAlberta TAA curriculum is based on the NAIT’s Business Administration Diploma curriculum. First year courses are offered in French at UAlberta through the CCA and second year courses are taken in English at NAIT in various specializations.
This proposal is will ensure the UAlberta TAA program aligns with NAIT’s JR Shaw School of Business's Business Administration Diploma program and the five specializations offered. In the program proposal approved by the Ministry of Advanced Education in 2011, the four specializations offered by NAIT were included: Marketing, Accounting, Finance and Management. Adding the HRM specialization will ensure the programs will continue to align.
The collaboration between NAIT and the University of Alberta is supported by an MOU signed in 2011. This MOU was signed by both parties in response to the Francophone community’s needs and in the interest of French language post-secondary education in Alberta.
Appendix 1 – Course descriptions

1.5 Program Length
Define the length of the proposed program using measures appropriate to the schedule and delivery format. This will include total course credits and weeks, and, where relevant, hours and semesters of instruction.

This is a 2 year diploma program, four sixteen week terms with an optional 12 week practicum. The program may be taken in class or online in a synchronous delivery model. There are seven HRM courses offered in the second year.

1.6 Program Description
Provide a brief (1-2 paragraphs) description of the program, summarizing its intended purpose, curriculum design, and methods of delivery and highlighting distinctive attributes. Attach as an Appendix a complete list of courses, including credit values, instructional hours and brief (calendar style) course descriptions. For elective options, specify course selection parameters. Identify new courses to be developed for this program.

The two year Business Administration program, Human Resources Management (HRM) is offered by the Centre collégial de l’Alberta in collaboration with NAIT. The ten first-year common core courses of the program as well as three second-year common core courses are offered in French at Centre Collégial de l’Alberta and the remaining seven second-year specialization courses are taken in English at NAIT.

This TAA diploma program with a specialization in HRM trains students for bilingual positions in managing human resources within organizations. Students develop an understanding of modern business dynamics, and learn to work well within culturally diverse organizations. All TAA students must take a common first year that provides a grounding in basic business skills and an overview of career possibilities related to the program.

APPENDIX 1 provides a complete list of the HRM courses offered in the specialization as well as the pertinent course information. Students will take the HRM courses in English at NAIT. Having the approved specialization will allow UAlberta students to receive transfer credits and have the HRM specialization recognized in a UA diploma.

1.7 Proposed Implementation Date
The HRM specialization is already offered by NAIT. Students currently enrolled in their second year of the TAA program can take the HRM courses at NAIT. There is no plan to offer the HRM specialization in French at CCA at this time.

1.8 Enrolment Plan
• See the attached program proposal from 2011 for Enrolment information. The addition of the HRM specialization will have no impact on enrolment. Note that all enrolment in the HR Specialization in the second year will be recorded at NAIT.

SECTION 2: DEMAND

2.1 Student Demand Analysis

Analysis should be supported by relevant data for the region and for Campus Alberta, as might be derived from: systematic questionnaire surveys of target audiences; application and enrolment summaries and trends for similar programs currently offered by other institutions; tabulations of unsolicited student inquiries and/or expressions of interest obtained at student recruitment events; demographic projections for relevant sub-populations.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program. There does seem to be a strong student demand for the program. Of the students presently registered in CCA’s TAA program, 25% indicate that they want to specialize in the HRM stream of the program.

Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

2.2 Labour Market Analysis

Analysis should be supported by relevant data and placed in the context of the target occupational/regional labour market(s). Relevant data sources include systematic surveys of prospective employers; occupational supply/demand projections from government or industry sources; tabulations of job postings/’help wanted’ advertising; surveys of recruitment and graduate employment rates of similar programs; and demographic projections (i.e. for relevant regions and sub-populations.) Describe anticipated employment outcomes.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program. There does seem to be a strong labor market demand for the program as evidenced by the high employability rate of NAIT graduates from this program.

Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

2.3 Support

Provide evidence of consultation with and approval/support from relevant professional organizations, regulatory bodies, advisory committees, employers, and/or industry.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma
Appendix 1 – Course descriptions

Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (Appendix 2).

2.4 Clinical or Work Experience

If clinical or work experience is an essential part of program delivery: N/A

2.4.1 Provide evidence that the placements will be available when needed.

2.4.2 Describe the student’s role in securing placements.

2.4.3 Explain how the institution will supervise/monitor the learning experience of students in off-site settings?

2.4.4 Identify potential employer/employee liability related to this aspect of the program, and how the institution intends to manage this liability.

SECTION 3: INSTITUTIONAL AND SYSTEM CONTEXT

3.1 Institutional Strategy

How does the proposed program align with the institution’s strategic priorities and the Comprehensive Institutional Plan?

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.

Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

3.2 Institutional Programs

Explain how the proposed program fits with existing programs at the institution, and the anticipated positive or negative impacts on other programs.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.

Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

3.3 Internal Review and Approval

Provide a brief description of the internal review and approval process followed in developing the proposal.
Appendix 1 – Course descriptions

- Executive College Committee, with delegated authority from FSJ Faculty Council, August 18, 2016
- GFC Academic Planning Committee, January 18, 2017

3.4 Campus Alberta Programs/Initiatives

Discuss the relationships (similarity, complementarity, transfer, competition) of the proposed program to other programs or initiatives in Campus Alberta and explain what the proposed program would add to the system. If the proposed program would duplicate existing programs, explain why that duplication is warranted.

The collaboration between NAIT and the University of Alberta (Campus Saint-Jean and the Centre collegial de l’Alberta) in offering this program generally increases access for students to post-secondary programs within Alberta and recognizes student mobility between institutions.

3.5 Consultation

Summarize the type and outcomes of consultations with other institutions offering related programs. Attach copies of relevant documents (e.g. letters, meeting summaries). Discuss the potential for inter-institutional collaboration.

NAIT and the CCA’s Community Advisory Committee were consulted about this proposal. Please refer to original Program Proposal for Technique d’administration des affaires for information on consultation during the original program proposal development. (APPENDIX 2).

3.6 Learner Pathways

3.6.1 Identify potential pathways from work to school (where applicable).

3.6.2 Identify potential opportunities for transfer/laddering into the proposed program from other institutions or other programs within the institution; and for transfer/laddering from the proposed program to other programs within the institution or at other institutions. List any formal agreements for internal or inter-institutional transfer/laddering that have been negotiated to this point.

As per the MOU between the UAlberta and NAIT, credits taken within the TAA program will be recognized by NAIT for students who wish to pursue the Bachelor Business Administration (BBA) program should the student choose to pursue his/her studies and if his/her GPA is over 2.0.

3.6.3 Estimate the portion of graduates who can be expected to proceed to further education directly. At a later stage in their careers. What types of programs/credentials would they be most likely to pursue?

SECTION 4: FINANCIAL VIABILITY AND SUSTAINABILITY

4.1 Annual Budget and Funding Sources

The Human Resources Management specialization will be offered in English at NAIT. This specialization will not be offered by CCA at this time. There is therefore no financial impact.
Appendix 1 – Course descriptions

4.2 Impact
The Human Resources Management specialization will be offered in English at NAIT. This specialization will not be offered by CCA at this time. There is therefore no impact on the University.

4.2.1 Compare the proposed tuition rate with that of similar programs in Campus Alberta.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

4.2.2 Discuss the financial impact on students and the learner funding system, taking into account the costs of education and the potential debt burden relative to post-graduation earning capacity.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

4.2.3 If program funding includes internal reallocation, evaluate the impact of this reallocation on the institution’s operations and overall financial position.

SECTION 5: QUALITY ASSESSMENT

5.1 Institutional Capacity
N/A

5.2 Curriculum
Describe the process of development and validation of curriculum for the proposed program. If available, please attach external review documents.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

5.3 Academic Standards
List the requirements for admission and any alternate routes to admission; for residency; for academic progression; and for graduation. Compare these requirements to those for similar programs.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

5.4 Learning Outcomes
5.4.1 Summarize the learning outcomes of the proposed program (e.g. career-specific knowledge and skills,
Appendix 1 – Course descriptions

employability skills).

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

5.4.2 Describe the consultative process with employers, industry/professional bodies or advisory groups that helped formulate these learning outcomes.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

5.4.3 Provide evidence of alignment/compliance with regulatory, industry, program accreditation and professional accreditation standards relevant to the program.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

5.5 Institutional Quality Assurance

5.5.1 Describe the criteria and methods for evaluating the success of the program and achieving continuous quality improvement. Include expected outcomes, key performance indicators and performance targets for the program.

The decision to offer this specialization is to align with NAIT’s Business Administration Diploma program.
Please refer to original Program Proposal for Technique d’administration des affaires for foundational data (APPENDIX 2).

5.5.2 Indicate whether a program advisory committee is planned or in place and, if so, comment on the role of the committee in program quality assurance.
