The University of Alberta governs itself with a bicameral governance structure (literally, it is governance in two chambers):

- **Board of Governors** and **General Faculties Council**

  - Although the Board is the senior of the two, the Board and GFC share and balance power within the University

The **University Governance** Unit, under the direction of the University Secretary, provides support for all areas of the Board and GFC
Where Does GFC’s Authority Come From?

**Province of Alberta enacts**

**LEGISLATION:** *Post-Secondary Learning Act* of 2003 (PSLA) that establishes

**AUTONOMOUS ENTITY:** *University of Alberta*, with an **ACADEMIC GOVERNING BODY:** *General Faculties Council* (subject to the Board)
System of governance that depends heavily upon the participation of colleagues to establish and realize a shared purpose

Provides an opportunity for citizens to participate in decision-making, and it is the hallmark of academic decision-making
