Materials before members are contained in the official meeting file.

*Presenter:* Pat Schultz, Associate Registrar (Enrollment Management), Office of the Registrar

**Purpose of the Proposal:**
To update in the University Calendar the English Language Proficiency (ELP) and Spoken Language Requirements content and organization so that they reflect current business practices and make it easier to understand. In most instances, these revisions do not reflect changes to existing process and procedures but, rather, add clarity within the Calendar for existing processes.

**Discussion:**
Ms Schultz provided a brief description of the proposal to members, adding that most of the proposed changes are intended to clarify existing practice and not alter current process and to make the affected section of the Calendar easier to understand. She explained that the additional two revisions relate to the International Baccalaureate (IB) organization curriculum changes and the addition of the SPEAK test.

Ms Schultz spoke to a minor revision on page 4 of the proposal regarding the SPEAK test, noting that it was, indeed, available to anyone interested in taking the test to demonstrate proficiency in spoken English. On this point, a member sought clarity regarding the use of the SPEAK test.

Motion: Ness/McRae

**THAT the GFC Academic Standards Committee recommend to the GFC Academic Planning Committee proposed revisions to Section 13 of the University Calendar (Language Proficiency Requirements – English Language Proficiency (ELP) and Spoken English Requirements), as submitted by the Office of the Registrar and as set forth in Attachment 1, as amended, to take effect upon final approval and for publication in the 2014-2015 Calendar.**

6. **Proposed Changes to University Calendar Section 23.3 (Attendance)**

Materials before members are contained in the official meeting file.

*Presenters:* Nat Kav, Associate Dean (Academic), Faculty of Agricultural, Life and Environmental Sciences; Ada Ness, Associate Registrar (Enrollment Services), Office of the Registrar; Wade King, Advisor, Safe Disclosure and Human Rights

**Purpose of the Proposal:**
To seek approval of the relevant governance bodies regarding revisions to Section 23.3 (Attendance) of the University Calendar which will provide guidance in cases where students are unable to meet their academic requirements due to protected grounds including religious conviction.
Discussion:
Dr Kav noted that the proposal had been before members of both the GFC ASC as well as the GFC ASC Subcommittee on Standards (SOS) for commentary and feedback and that it is now ready to be formally recommended to the GFC Executive Committee for approval.

A member stated that the proposal appropriately addresses the concerns raised by GFC ASC at its previous meeting and does not recreate the University discrimination policy and procedures. She thanked Dr Kav for his efforts.

Motion: Kav/Chelen

THAT GFC Academic Standards Committee recommend to the GFC Executive Committee the proposed changes to Section 23.3 (Attendance) of the University Calendar, as provided by the Office of the Registrar and as set forth in Attachment 1, to be effective upon approval and for publication in the 2014-2015 University Calendar.
