The following Motions and Documents were considered by the GFC Academic Standards Committee at its Thursday, November 21, 2013 meeting:

Agenda Title: **Faculty of Agricultural, Life and Environmental Sciences: Proposed Changes to Existing/Approved Admission/Transfer and Academic Standing/Graduation Requirements**

CARRIED MOTION: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to existing/approved admission/transfer and academic standing/graduation requirements, as submitted by the Faculty of Agricultural, Life and Environmental Sciences and as set forth in Attachment A, to be effective in 2014-2015.

Final Item: 4A

Agenda Title: **Faculty of Medicine and Dentistry: Proposed Changes to Existing Admission/Transfer Requirements for the Dental Hygiene Diploma Program**

CARRIED MOTION: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to existing admission/transfer requirements, as submitted by the Faculty of Medicine and Dentistry and as set forth in Attachment B, to be effective in 2014-2015.

Final Item: 4B

Agenda Title: **Office of the Registrar: Course Approvals for November, 2013**

CARRIED MOTION: THAT the GFC Academic Standards Committee approve, under delegated authority from GFC, the proposal for approval of transfer credit, as submitted by the Office of the Registrar and as set forth in Attachment C, to take effect upon final approval.

Final Item: 4C

Agenda Title: **Office of the Registrar: Proposed Changes to Admissions Chart 6 (International Baccalaureate (IB) Courses Approved for Advanced Standing)**

CARRIED MOTION: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to Admissions Chart 6 (International Baccalaureate (IB) Courses Approved for Advanced Standing) of the University Calendar, as submitted by the Office of the Registrar and as set forth in Attachment D, for implementation in 2015/2016 and for publication in 2014-2015 University Calendar.

Final Item: 4D

Agenda Title: **Faculté Saint-Jean: Proposed Changes to Existing Admission/Transfer and Academic Standing/Graduation Requirements**

CARRIED MOTION: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to existing admission/transfer and academic standing/graduation requirements (highlighted in green only), as submitted by Faculté Saint-Jean and as set forth in Attachment E, to be effective in 2014-2015.

Final Item: 4E
Agenda Title: **Faculty of Science: Proposed Changes to Existing Admission/Transfer and Academic Standing Requirements**

CARRIED MOTION: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to existing admission/transfer and academic standing/graduation requirements, as submitted by the Faculty of Science and as set forth in Attachment F, to be effective in 2014-2015.

**Final Item: 4F**

---

Agenda Title: **Proposed Revisions from the Office of the Registrar to Section 12.2 of the University Calendar (Undergraduate Application Procedures - Definitions)**

CARRIED MOTION: THAT the GFC Academic Standards Committee recommend to the GFC Academic Planning Committee proposed revisions to Section 12.2 of the University Calendar (Undergraduate Application Procedures - Definitions), as submitted by the Office of the Registrar and as set forth in Attachment 1, to take effect upon final approval and for publication in the 2014-2015 Calendar.

**Final Recommended Item: 5**

---

Agenda Title: **Proposed University Calendar Revisions from the Office of the Registrar to Requirements for Police Information Checks**

CARRIED MOTION: That the GFC Academic Standards Committee recommend to the GFC Academic Planning Committee the proposed University Calendar changes to the Police Information Check, as submitted by the Office of the Registrar and as set forth in Attachment 1, to be effective upon final approval.

**Final Recommended Item: 6**
### OUTLINE OF ISSUE

4A. Faculty of Agricultural, Life and Environmental Sciences: Proposed Changes to Existing/Approved Admission/Transfer and Academic Standing/Graduation Requirements

4B. Faculty of Medicine and Dentistry: Proposed Changes to Existing Admission/Transfer Requirements for the Dental Hygiene Diploma Program

4C. Office of the Registrar: Course Approvals for November, 2013

4D. Office of the Registrar: Proposed Changes to Admissions Chart 6 (International Baccalaureate (IB) Courses Approved for Advanced Standing)

4E. Faculté Saint-Jean: Proposed Changes to Existing Admission/Transfer and Academic Standing/Graduation Requirements

4F. Faculty of Science: Proposed Changes to Existing Admission/Transfer and Academic Standing Requirements

### Alignment/Compliance

<table>
<thead>
<tr>
<th>Alignment with Guiding Documents</th>
<th><strong>Dare to Discover</strong> Values: to provide an intellectually superior educational environment; integrity, fairness, and principles of ethical conduct built on the foundation of academic freedom, open inquiry, and the pursuit of truth.</th>
</tr>
</thead>
</table>
| Compliance with Legislation, Policy and/or Procedure Relevant to the Proposal (please quote legislation and include identifying section numbers) | 1. **Post-Secondary Learning Act (PSLA)**: The PSLA gives GFC responsibility, subject to the authority of the Board of Governors, over academic affairs. Further, the PSLA gives the Board of Governors authority over certain admission requirements and rules respecting enrolment. The Board has delegated its authority over admissions requirements and rules respecting enrolment to GFC and the GFC ASC (Academic Standards Committee). (Sections 26(1), 60(1)(c) and (d)).

2. **PSLA**: The PSLA gives Faculty Councils power to “provide for the admission of students to the faculty” (29(1)(c)).

3. **UAPPOL Admissions Policy**: “Admission to the University of Alberta is based on documented academic criteria established by individual Faculties and approved by GFC. This criteria may be defined in areas such as subject requirements, minimum entrance averages, and language proficiency requirements. In addition to academic requirements for admission, GFC authorizes each Faculty to establish such other reasonable criteria for admission of applicants as the Faculty may consider appropriate to its programs of study, subject to the approval of GFC (e.g. interview, audition, portfolio, etc.)

The admission requirements for any Faculty will be those approved by GFC as set forth in the current edition of the *University Calendar*. In addition to the admission requirements, selection criteria for quota programs, where they exist, will also be published in the current edition of the *University Calendar*.

The responsibility for admission decisions will be vested in the Faculty Admission Committees or in the Deans of the respective Faculties, as the councils of such Faculties will determine.”

4. **UAPPOL Admissions Procedure**:

   **PROCEDURE**

   1. **EFFECTIVE DATE OF CHANGES TO ADMISSION REGULATIONS**

      Following approval by GFC:

      a. Where changes to admission regulations may disadvantage students in the current admission cycle, normally implementation will be effective after the change has been published in the *University Calendar* for one full year (i.e., effective the second year that the information is published in the *University Calendar*).
For example, a change approved in May 2005 would be first published in the 2006-2007 University Calendar in March 2006. Therefore the statement cannot come into effect until September 2007 (affecting applicants who apply for the September 2007 term beginning July 2006)."

b. Where changes to admission regulations are deemed by the approving body to be ‘advantageous to students’, normally the date of implementation will be effective immediately or at the next available intake for the admitting Faculty.”

5. **PSLA**: The PSLA gives Faculty Councils the authority to “determine the conditions under which a student must withdraw from or may continue the student’s program of studies in a faculty” (Section 29(1)(d)).

6. **UAPPOL Academic Standing Policy**: “All current academic standing regulations, including academic standing categories, University graduating standards and requirements for all individual programs will be those prescribed by Faculty Councils and GFC as set forth in the University Calendar.”

7. **UAPPOL Academic Standing Regulations Procedures**: “All proposed new academic standing regulations and changes to existing academic standing regulations will be submitted by the Faculties or the Administration to the Provost and Vice-President (Academic). Faculties will also submit to the Provost and Vice-President (Academic) any proposed changes to the use and/or computation of averages relating to academic standing, including promotion and graduation.

If the Provost and Vice-President (Academic) determines the proposal to be in good order, the proposal will be introduced to the appropriate University governance process(es). In considering these proposals, governance bodies will consult as necessary with the Faculties and with other individuals and offices.

Normally, changes become effective once they are approved by GFC or its delegate and are published in the University Calendar.”

8. **GFC Academic Standards Committee (ASC) Terms of Reference (Mandate)**: The Office of the Provost and Vice-President (Academic) has determined that the proposed changes are **editorial** in nature. ASC’s terms of reference provide that “the term ‘routine and/or editorial’ refers to proposals which do not involve or affect other Faculties or units; do not form part of a proposal for a new program; and do not involve alteration of an existing quota or establishment of a new quota. Editorial or routine changes include any and all changes to the wording of an admissions or academic standing policy” (3.A.i).

Section 3 of GFC ASC’s Terms of Reference state:

“B. Admission and Transfer, Academic Standing, Marking and
### Grading, Term Work, Examinations, International Baccalaureate (IB), Advanced Placement (AP)

i. All proposals from the Faculties or the Administration related to admission and transfer, to the academic standing of students, to institutional marking and grading policies and/or procedures and to term work policies and procedures are submitted to the Provost and Vice-President (Academic) (or delegate) who chairs the GFC Academic Standards Committee. ASC will consult as necessary with the Faculties and with other individuals and offices in its consideration of these proposals. (GFC 29 SEP 2003) (GFC 31 MAY 2005) (EXEC 04 DEC 2006)

ii. ASC acts for GFC in approving routine and/or editorial changes to both admission/transfer policies and academic standing regulations, and acts for GFC in approving all proposals for a) change to examination regulations, b) change to existing International Baccalaureate (IB) and Advanced Placement (AP) policies and procedures and c) change to the University Calendar Section on Missed Term Work (under the Section entitled Evaluation Procedures and Grading System. (EXEC 18 NOV 1996) (EXEC 04 DEC 2006)

 [...]"

9. **GFC ASC Terms of Reference (Mandate):** GFC ASC’s delegated authority from GFC extends to the following:

   “a. ASC approves, for inclusion in the Alberta Transfer Guide, courses for transfer credit to the University of Alberta which are offered by non-University institutions in Alberta. Approval will be based upon an assessment of course content and level of instructor qualifications.  
   b. ASC denies courses for transfer credit to the University of Alberta which are offered by non-University institutions in Alberta.  
   c. ASC monitors the entries in the Alberta Transfer Guide relevant to the University of Alberta.  
   d. ASC rescinds, if necessary, the entries in the Alberta Transfer Guide relevant to the University of Alberta.” (3.D.i-iv.)

10. **UAPPOL Transfer Credit Articulation Procedure (Overview and Procedure):** “The University of Alberta will accept for transfer credit the courses recommended by Faculties and approved by ASC for inclusion in the Alberta Transfer guide, to the extent that the courses fit the degree program that the student wishes to enter. Credit for such courses will be considered in a credit-no credit basis only and will not be included in the University grade point average calculation on the University transcript. Faculties may have other requirements…Transfer credit is assessed on an individual course-by-course basis for by a block transfer agreement.”

### Routing (Include meeting dates)

| Consultative Route | Vice-Provost (Academic Programs and Instruction) and Chair, GFC |
| (parties who have seen the proposal and in what capacity) | Academic Standards Committee; Representatives of the Office of the Registrar |
| Approval Route (Governance) (including meeting dates) | Various Faculty Councils (or delegate bodies) – Fall, 2013; GFC Academic Standards Committee (November 21, 2013) – for final approval |
| Final Approver | GFC Academic Standards Committee |

Admission to the Dietetics Specialization requires completion of a pre-professional year. Students generally complete their first year in the BSc in Nutrition and Food Science General Program. Faculty admission requirements must be met as | **(2) Pre-Professional Year**  
Admission to the Dietetics Specialization requires completion of a pre-professional year. Students generally complete their first year in the BSc in Nutrition and Food Science General Program. Faculty admission requirements must be met as |
(3) Minimum Admission Requirements

Entrance to this specialization takes place after at least one year of pre-professional university (or equivalent) studies. All admissions are competitive. Meeting the minimum application GPA and course requirements does not guarantee admission to the Dietetics Specialization. All applicants must present with a minimum GPA of 2.7 on their last *30 units and a demonstrated ability to perform well in a consecutive Fall/Winter session of full-time study (preferably *30 units). Required courses for admission to the Dietetics Specialization are:

(a) BIOL 107
(b) CHEM 101 and 102
(c) CHEM (164 or 261)
(d) *6 ENGL or *3 ENGL and *3 WRS
(e) NUTR 100
(f) NU FS 100
(g) STAT 151

(4) Other Requirements

(a) Test of Spoken English (TSE): Applicants must meet a spoken English requirement. (See §13.3.2.)
(b) Letter of Intent: Applicants must submit a letter with their application for admission stating their career goals, knowledge of the profession, related experience, and reasons for seeking admission to the Dietetics Specialization. Prospective students should have spoken with a Registered Dietitian and undertaken significant career exploration prior to seeking admission. Further details regarding the Letter of Intent is available on the Faculty of Agricultural, Life and Environmental Sciences website at: www.ales.ualberta.ca/
(c) Group Behavioural Interview: Competitive applicants must present themselves for a group, behavioural interview. Competitive applicants will be interviewed by a team to determine if they have the personal qualities necessary for the program. The interview evaluates the applicant’s maturity, initiative,
ability to communicate, leadership skills and critical thinking abilities. Interview selection is based on interim transcripts and postsecondary academic standing. The interim document deadline is February 1. The interview dates differ each year; short-listed applicants will be advised of the interview dates by letter or e-mail.

(d) Letters of Reference: Applicants must provide three closed, professional letters of reference attesting to their suitability for entry into the dietetic profession.

(e) Health and Safety Requirements: There are a number of health and safety-related requirements that must be met upon admission to the Dietetics Specialization. Applicants should be aware that both immunization and criminal records checks are required. Further information regarding these requirements and deadlines is available on the Faculty of Agricultural, Life and Environmental Sciences website at: www.ales.ualberta.ca/

(f) Rural Placement Requirement: Applicants should be aware that in order to achieve the program’s requirements, relocation to a rural community is required on one or more occasions during the program’s professional practice course work.

(g) Residence Requirement and Proof of Residency Status: Because residency status may be a factor in the ultimate ranking of applicants, applicants may be required to present proof of residency status. See §13.2.

(h) Acceptance Deposit: Upon notification of acceptance, successful applicants will be required to confirm their intention to register by submitting a non-refundable tuition deposit within a specified time. The deposit will be credited toward payment of tuition upon completion of registration. Further details regarding the Acceptance Deposit is available on the Faculty of Agricultural, Life and Environmental Sciences website at: www.ales.ualberta.ca/

(5) Selection Process
(a) The Admissions Committee is responsible for selecting from among the applicant pool, those individuals who have demonstrated promise to successfully complete the program and achieve the registration requirements of the College of

on academic achievement in the prerequisite courses, overall academic achievement (emphasizing recent academic performance), and the content and format of their Letter of Intent. The interim document deadline is February 1. Applicants who fail to submit the interim document (two official transcripts, and the required Letter of Intent) to the Office of the Registrar, University of Alberta, cannot be evaluated for interview selection. The interview dates differ each year; short-listed applicants will be advised of the interview dates by letter or e-mail.

(d) Letters of Reference: Applicants must provide three closed, professional letters of reference attesting to their suitability for entry into the dietetic profession.

(e) Health and Safety Requirements: There are a number of health and safety-related requirements that must be met upon admission to the Dietetics Specialization. Applicants should be aware that both immunization and criminal records checks are required. Further information regarding these requirements and deadlines is available on the Faculty of Agricultural, Life and Environmental Sciences website at: www.ales.ualberta.ca/

(f) Rural Placement Requirement: Applicants should be aware that in order to achieve the program’s requirements, relocation to a rural community is required on one or more occasions during the program’s professional practice course work.

(g) Residence Requirement and Proof of Residency Status: Because residency status may be a factor in the ultimate ranking of applicants, applicants may be required to present proof of residency status. See §13.2.

(h) Acceptance Deposit: Upon notification of acceptance, successful applicants will be required to confirm their intention to register by submitting a non-refundable tuition deposit within a specified time. The deposit will be credited toward payment of tuition upon completion of registration. Further details regarding the Acceptance Deposit is available on the Faculty of Agricultural, Life and Environmental Sciences website at: www.ales.ualberta.ca/
Dietitians of Alberta. The Admissions Committee reserves the right to use its judgment with respect to the assessment of applicants. The Dietetics Specialization has an annual quota of 50 students and admission is competitive. The number of applicants may exceed the number of available spaces and therefore not all qualified candidates will be offered admission.

(b) Applicants are ranked on their academic achievement in the prerequisite courses; overall academic achievement (emphasizing recent academic performance); the content and format of their Letter of Intent; the strength of their letters of reference and their performance in the interview process.

### 15.1.12 BSc Nutrition and Food Science, Food Science and Technology Specialization

Students must present *24 applicable to the BSc Nutrition and Food Science program with a minimum GPA of 2.7, calculated on the most recent Fall/Winter Terms in which a minimum of *24 is taken. Students may prepare for the BSc Nutrition and Food Science, Food Science and Technology Specialization by completing their first year in the BSc Nutrition and Food Science Program or in another Faculty or postsecondary institution.

Recommended courses are BIOL 107, CHEM 101, 102, (164 or 261), *6 ENGL or equivalent, *3 free elective, MATH 113 or 114, NU FS 100, STAT 151.

### 15.1.13 Transfer Applicants

I. Transfers from other Faculties and other Postsecondary Institutions

(2) Students registered in another faculty at the University of Alberta or in another postsecondary institution may apply to transfer to the Faculty of Agricultural, Life and Environmental Sciences. Applicants who have completed *24 or more transferable to the University of Alberta will be considered for admission on the basis of their admission grade point average (AGPA) if they have an AGPA of at least 2.0 [2.3 for the Business Management programs; 2.7 for the BSc in Nutrition and Food Science, Food Science and Technology Specialization and the BSc in Nutrition and Food Science, Dietetics Specialization; and 3.0 for the BSc in Honors in Food Science and the BSc Honors in Nutrition] and meet all other admission requirements. Applicants to the BSc

Refer to §14.2.1(1) for calculation of AGPA.</td>
</tr>
<tr>
<td>(5) Students who have been required to withdraw from the University of Alberta and who then complete *18 transferable to the University of Alberta with an AGPA of 2.7 or *24 transferable to the University of Alberta with an AGPA of 2.0 [2.3 for the Business Management programs; 2.7 for the BSc in Nutrition and Food Science, Food Science and Technology Specialization and the BSc in Nutrition and Food Science, Dietetics Specialization; and 3.0 for the BSc in Honors in Food Science and the BSc Honors in Nutrition] may apply for readmission to the Faculty, unless they have been required to withdraw more than once from any postsecondary programs [see §33.4(3)d.ii.].</td>
<td>(5) Students who have been required to withdraw from the University of Alberta and who then complete *18 transferable to the University of Alberta with an AGPA of 2.7 or *24 transferable to the University of Alberta with an AGPA of 2.0 [2.3 for the Business Management programs; 2.7 for the BSc in Nutrition and Food Science, Food Science and Technology Specialization and the BSc in Nutrition and Food Science, Dietetics Specialization; and 3.0 for the BSc Honors in Food Science and the BSc Honors in Nutrition] may apply for readmission to the Faculty, unless they have been required to withdraw more than once from any postsecondary programs [see §33.4(3)d.ii.].</td>
</tr>
</tbody>
</table>
33.4 Academic Standing and Graduation

(2) Continuation in the BSc Honors in Food Science and the BSc Honors in Nutrition

Continuation in the BSc Honors in Food Science and the BSc Honors in Nutrition requires a GPA of at least 3.0.

Students who do not attain the required GPAs will be moved to their previous degree program in the Faculty (provided they are not Required to Withdraw). Students who transferred from another Faculty or institution directly into the BSc Honors in Food Science and the BSc Honors in Nutrition will be moved to the Nutrition and Food Sciences General Program or Specialization that best fits their completed courses. The Application of Academic Standing section below (§33.4.3) will then be applied.

(3) Continuation in the BSc Nutrition and Food Science, Dietetics Specialization

Continuation in the BSc Nutrition and Food Science, Dietetics Specialization requires a GPA of at least 2.7. Whenever a student receives a grade of NC in a professional practice course, the student’s total academic and clinical performance is reviewed and considered in order to determine whether they should be allowed to continue in the program.

(4) Application of Academic Standing

a. Satisfactory Standing (GPA 2.0 or higher). Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty subject to meeting the specific requirements of their degree and the general requirements of the University of Alberta.

33.4 Academic Standing and Graduation

(2) Continuation in the BSc Honors in Food Science and the BSc Honors in Nutrition

Continuation in the BSc Honors in Food Science and the BSc Honors in Nutrition requires a GPA of at least 3.0.

Students in the BSc Honors in Food Science who do not attain the required GPA will be moved to the BSc in Nutrition and Food Science, Food Science and Technology Specialization or the BSc in Nutrition and Food Science, General Program. Students in the BSc Honors in Nutrition who do not attain the required GPA will be moved to the BSc Nutrition and Food Science, General Program (provided they are not Required to Withdraw). The Academic Standing section (4) below will then be applied. Students in good academic standing who wish to transfer to the Nutrition and Food Science General Program (see §§15.1.2 and 34.15.3), the Dietetics Specialization (see §§15.1.11 and 34.15.4), or the Food Science and Technology Specialization (see §§15.1.12 and 34.15.5) must apply for admission.

(3) Continuation in the BSc Nutrition and Food Science, Dietetics Specialization and the BSc Nutrition and Food Science, Food Science and Technology Specialization

Continuation in the BSc Nutrition and Food Science, Dietetics Specialization and the BSc Nutrition and Food Science, Food Science and Technology Specialization requires a GPA of at least 2.7. Students who do not attain the required GPA will be moved to the BSc in Nutrition and Food Science, General Program. The Academic Standing section (4) below will then be applied. Whenever a student receives a grade of NC in a professional practice course, the student’s total academic and clinical performance is reviewed and considered in order to determine whether the student should be allowed to continue in the program.

(4) Application of Academic Standing

a. Satisfactory Standing (GPA 2.0 or higher). Students who maintain a satisfactory standing are permitted to continue their studies in the Faculty subject to meeting the specific requirements of their degree and the general requirements of the University of Alberta.
d. Requirement to Withdraw

Students with Unsatisfactory Standing or who are placed on Marginal Standing twice or more during their Academic career in the Faculty will normally be required to remain out of the Faculty (required to withdraw).

i. Students who have completed less than 60 credits and who have achieved a GPA of between 1.3 and 1.6 may be permitted to continue at the University of Alberta in the Fresh Start program providing they have not previously been required to withdraw from any postsecondary program. Normally, students who have committed an academic offense under the University of Alberta Code of Student Behavior will not be recommended for the Fresh Start Program.

The Faculty will determine whether to recommend a student for participation in the Fresh Start program and will notify the student of that option. Successful completion of 18 credits with a GPA of at least 2.7 or 24 credits with a GPA of at least 2.0 [2.3 for the Business Management programs; 2.7 for the BSc in Nutrition and Food Science, Food Science and Technology Specialization and the BSc in Nutrition and Food Science, Dietetics Specialization; and 3.0 for the BSc in Honors in Food Science and the BSc Honors in Nutrition] will be required for readmission. Further detailed information can be found in §§14.5, 23.6.2(3)a. and 220.5.

If successful in the Fresh Start program and all conditions specified by Open Studies and the Faculty have been fulfilled, students may apply for readmission to the Faculty as transfer students as described in §15.1.10.

ii. Students may discontinue studies for one year and apply for readmission. Students who are readmitted will return on academic probation as described in §23.6.2 subject to the terms specified by the Faculty at the time of the requirement to withdraw.

See Note.

iii. Students who complete 18 transferable to the University of Alberta with an AGPA of 2.7 or 24 transferable to the University of Alberta with an AGPA of 2.0 [2.3 for the Business Management programs; 2.7 for the BSc in Nutrition and Food Science, Food Science and Technology Specialization and the BSc in Nutrition and Food Science, Dietetics Specialization; and 3.0 for the BSc in Honors in Food Science and the BSc Honors in Nutrition] at another postsecondary institution may...
iv. Students may petition their Required to Withdraw status and if successful will proceed on Academic Probation. At the next assignment of academic standing, such students must raise their Fall/Winter GPA to at least 2.0. Should their Fall/Winter GPA fall below 2.0 at any time during the rest of their program they will be required to withdraw and will not be readmitted to the Faculty.

v. Students who have been required to withdraw and who, after being readmitted, again fall below a Fall/Winter GPA of 2.0 will be required to withdraw and will not be readmitted to the Faculty.

Note: Students with marginal standing or who are on academic probation are only permitted to interrupt their programs with the prior, written approval of the Associate Dean (Academic). Should students in either of these categories interrupt their programs for more than twelve months without prior approval, readmission will not be granted unless the student meets the current readmission criteria.

9) Graduation Grade Point Average
To be eligible for graduation from any of the programs offered by the Faculty of Agricultural, Life and Environmental Sciences, students must present Satisfactory Academic Standing [see (10) below] and obtain a GPA of at least 2.0 (2.7 for the BSc in Nutrition and Food Science, Food Science and Technology Specialization and the BSc in Nutrition and Food Science, Dietetics Specialization; and 3.0 for the BSc in Honors in Food Science and the BSc Honors in Nutrition) on their last *60 normally completed during the third and fourth years.
Motion: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to existing admission/transfer requirements, as submitted by the Faculty of Medicine and Dentistry and as set forth in Attachment B, to be effective in 2014-2015.

I. **Admission Requirements**

**Academic Requirements:** The minimum requirement for admission to the Dental Hygiene Program is completion of ★30 transferable credits, of which ★24 must be taken during one Fall/Winter.

The required courses or their equivalents are available at various universities and colleges, including the University of Alberta.

The preprofessional requirements are:

1. English (★6)
2. Organic Chemistry (★3)
3. General Chemistry (★3)
4. Biology (★3)
5. Sociology (★3)
6. Psychology (★3)
7. Statistics (★3)
8. Option any Faculty (★6)

Notes

1. Students who are eligible for Advanced Placement may register in a senior course. In the case of Language other than English courses students with Advanced Placement will be permitted to register in a senior level course after determination of their background qualifications for that course (interview, placement test, etc.). Students may also challenge a junior or senior course for credit via the Credit by Special Assessment route if they have appropriate qualifications and are eligible within the regulations.

2. Credit will be awarded for all five regional options offered at the higher level (HL), including Africa; Americas; East and South East Asia and Oceania; Europe (including Russia/USSR); and South Asia and the Middle East (including North Africa).

3. For students entering the Faculty of Engineering, transfer credit for the first (qualifying) year courses does not reduce the minimum load requirement of 37.0 units.

4. Students wishing to pursue credit by special assessment, please refer to §14.2.4 for information.

5. When students are instructed ‘not to take’ a specific course and a generic 100-level credit is granted, this credit may be used to meet the prerequisite for any higher level course requiring the specific course in question.
Motion: THAT the GFC Academic Standards Committee approve, under delegated authority from General Faculties Council, proposed changes to existing admission/transfer and academic standing/graduation requirements (highlighted in green only), as submitted by Faculté Saint-Jean and as set forth in Attachment E, to be effective in 2014-2015.

*Prospective students must apply for admission to the Faculty of Nursing.
### CURRENT

**184.7.3 Exigences du programme**

(1) Pour obtenir les deux diplômes, BEd et BSc, un étudiant doit obtenir *150* répartis comme suit:

- **Spécialisation** (sciences) – *36*
- **Mineure (sciences)** – *24*
- **Mineure (français)** – *24*
- **Informatique** – *3*
- **Histoire ou philosophie de la science** – *3*
- **Options (sciences)** – *6*
- **Cours de pédagogie** – *51*
- **Option libre** – *3*

- **Spécialisation** (sciences) – *36*
- **Mineure (sciences)** – *24*
- **Mineure (français)** – *24*
- **Informatique** – *3*
- **Histoire ou philosophie de la science** – *3*
- **Options (sciences)** – *6*
- **Cours de pédagogie** – *48*
- **Option libre** – *3*

(2) Normalement, un maximum de *48* au niveau «junior» ou l'équivalent est autorisé dans le programme combiné.

(3) Un étudiant doit réussir un minimum de *12* de niveau 300 dans son domaine de spécialisation et un minimum de *6* de niveau 300 dans sa concentration mineure en sciences.

(4) Un étudiant doit réussir à l'intérieur de sa concentration mineure en français: FRANC 322, *3* en canadien français (voir §183.3), et *3* en littérature (FRANC 235).

(5) Un étudiant doit réussir, en histoire ou philosophie de la science, *3* parmi les cours suivants: BIOLE 315, HUME 420, PHIL 265 ou PHILE 386.

(6) Un étudiant doit normalement réussir *30* de niveau «junior» avant de pouvoir s'inscrire dans des cours de niveau «senior».

(7) Pour être admis avec équivalences universitaires dans le programme, un étudiant doit avoir obtenu une moyenne minimale de 2,0.

(8) Pour être autorisé à poursuivre le programme, un étudiant doit conserver une moyenne minimale de 2,0. S'il n’a pas obtenu

### PROPOSED

**184.7.3 Exigences du programme**

(1) Pour obtenir les deux diplômes, BEd et BSc, un étudiant doit obtenir *150* répartis comme suit:

- *72* en sciences, *51* en pédagogie, *24* en français et *3* option libre.

- **Majeure** (sciences) – *36*
- **Mineure (sciences)** – *24*
- **Mineure (français)** – *24*
- **Technologie (EDU M 341)** – *3*
- **Histoire ou philosophie de la science** – *3*
- **Options (sciences)** – *6*
- **Cours de pédagogie** – *51*
- **Option libre** – *3*

(2) Normalement, un maximum de *48* au niveau «junior» ou l'équivalent est autorisé dans le programme combiné.

(3) Un étudiant doit réussir un minimum de *12* de niveau 300 dans sa **majeure** et un minimum de *6* de niveau 300 dans sa **mineure** en sciences.

(4) Un étudiant doit réussir à l’intérieur de sa **mineure** en français: FRANC 322, *3* en canadien français (voir §183.3), et *3* en littérature (FRANC 235).

(5) Un étudiant doit réussir, en histoire ou philosophie de la science, *3* parmi les cours suivants: BIOLE 315, HUME 420, PHIL 265 ou PHILE 386.

(6) Un étudiant doit normalement réussir *30* de niveau «junior» avant de pouvoir s'inscrire dans des cours de niveau «senior».

(7) Pour être admis avec équivalences universitaires dans le programme, un étudiant doit avoir obtenu une moyenne minimale de 2,0.

(8) Pour être autorisé à poursuivre le programme, un étudiant doit conserver une moyenne minimale de 2,0. S’il n’a pas obtenu
2,0 de moyenne, l’étudiant devra se retirer du programme combiné et pourra transférer, si éligible, au programme du BEd ou du BSc.

(9) Pour recevoir les diplômes du BEd et du BSc, l’étudiant devra maintenir une moyenne minimale de 2,0 dans tous les cours avec notes et dans tous les cours de la spécialisation en sciences.

(10) Afin d’être recommandé pour un brevet d’enseignement temporaire, l’étudiant doit obtenir une moyenne d’au moins 2,0 dans tous les cours professionnels obligatoires.

(11) Un étudiant qui échoue aux stages I ou II (EDU S) ne peut s’inscrire à aucun autre cours de stages à la Faculté Saint-Jean et doit se retirer du programme.

(12) Un étudiant qui abandonne les stages I ou II doit obtenir la permission du Vice-doyen aux affaires académiques avant de s’y réinscrire.

Lors de leur stage dans une école, les étudiants doivent se comporter conformément au code de déontologie de l’Alberta Teachers’ Association et au University of Alberta Code of Student Behavior: Conduct and Discipline.

Les stagiaires doivent:

a. reconnaître et accepter que le bien-être des élèves est de la plus haute importance et que l’enseignant coopérant a la responsabilité ultime en ce qui concerne la salle de classe;

b. se comporter de façon éthique et professionnelle envers tous les membres de l’école et se familiariser avec le code de déontologie de l’ATA.

Les étudiants sont responsables de maintenir ces standards et, le cas échéant, doivent en rendre compte à la responsable de la section Éducation et au Vice-doyen aux affaires académiques.

Faculty of Science
Program Changes 2014-2015

14.1.3 Transition Year Program for Aboriginal Applicants

(2) Completion of a Transition Year Program
b. Faculty Requirements
9) Science:
   BSc (General)
   Course requirement: *15, as follows:
   i. ENGL 122 (*3) and 125 (*3)
   ii. *3 in Junior Mathematical Sciences chosen from list in §193.4
   iii. BIOL 107/108 (*6) or CHEM 101/102 (*6)
   Performance requirement: Minimum GPA of 2.0.

   Note: In order to qualify as a full-time student, an additional *3 must be chosen with approval of the TYP Coordinator.

BSc (Specialization in Science and Education)/BEd (Secondary) Combined Degrees Program
   Course requirement: *21, as follows:
   i. ENGL 122 (*3) and 125 (*3)
   ii. *3 in Junior Mathematical Sciences chosen from list in §193.4 Science Chart 1 (individual program streams have different junior course requirements)
   iii. BIOL 107/108 (*6) or CHEM 101/102 (*6)
   iv. EDU 250 (*3)
   v. EDPY 200 (*3)
   Performance requirement: Minimum GPA of 2.3.

   Note: Students cannot enter the program with only one of Biology 30, Chemistry 30, or Physics 30. Students must successfully complete a second one of these subjects prior to admission to the Transition Year Program to qualify for admission to the BSc (Specialization in Science and Education)/Bachelor of Education program.

192.5 Academic Standing

(1) Academic standing is used to determine the eligibility of students to continue or graduate from their programs. The academic standing of all students in the Faculty of Science is assessed annually on the basis of the Grade Point Average (GPA) calculated on all coursework attempted in the Fall/Winter. Spring and Summer work is not included. The assessment of students in BSc Specialization and BSc Honors programs also takes into consideration the minimum course load requirements of the particular program, as well as any specific grade
or GPA requirements.
For students in the BSc General program, the Faculty may defer the assessment of academic standing for one Fall/Winter for students who attempt less than *9. In such cases, the academic standing assigned at the last assessment remains in effect until the conclusion of the next Fall/Winter.

### (2) Academic Standing Assessment

**a. First Class Standing**, also referred to as the Dean’s Honor Roll, is assigned to students who successfully complete at least *24 and achieve a minimum 3.5 GPA. First class standing is also assigned to students who, as a result of participation in Education Abroad or IIP Work Experience, attend only one term of a Fall/Winter and successfully complete at least *12 with a minimum 3.5 GPA.

**b. Satisfactory Standing** is assigned to students in the BSc General program who achieve a minimum GPA of 2.0. Satisfactory standing is assigned to students in BSc Specialization and BSc Honors programs who meet the minimum continuation requirements for their program, including Fall/Winter GPA, course load and any course specific grade or GPA requirements. (Refer to the specific sections covering each BSc Specialization and BSc Honors program in §193.2 to §194.18.2.) Students in satisfactory standing may continue in their programs.

**c. Marginal Standing** is assigned to students with a GPA between 1.7 and 1.9 on a minimum *9 attempted. Students meeting these criteria who do not have in their postsecondary education a prior requirement to withdraw, an academic warning, a probation period or their equivalents may be permitted to continue on academic warning in the BSc General program. Students in BSc Honors and BSc Specialization programs who meet the criteria for marginal standing may not continue in their current programs, but must apply to transfer to the BSc General program in order to continue on academic warning.

To clear academic warning and return to satisfactory standing, students must attend the subsequent Fall/Winter and must obtain a minimum 2.0 GPA. Students who fail academic warning are required to withdraw.

Students who have been placed on academic warning and wish to interrupt their studies must well as any specific grade or GPA requirements.

For students in the BSc General program, the Faculty may defer the assessment of academic standing for one Fall/Winter for students who attempt less than *9. In such cases, the academic standing assigned at the last assessment remains in effect until the conclusion of the next Fall/Winter.

(2) Academic Standing Assessment

**a. First Class Standing**, also referred to as the Dean’s Honor Roll, is assigned to students who successfully complete at least *24 and achieve a minimum 3.5 GPA. First class standing is also assigned to students who, as a result of participation in Education Abroad or IIP Work Experience, attend only one term of a Fall/Winter and successfully complete at least *12 with a minimum 3.5 GPA.

**b. Satisfactory Standing** is assigned to students in the BSc General program who achieve a minimum GPA of 2.0. Satisfactory standing is assigned to students in BSc Specialization and BSc Honors programs who meet the minimum continuation requirements for their program, including Fall/Winter GPA, course load and any course specific grade or GPA requirements. (Refer to the specific sections covering each BSc Specialization and BSc Honors program in §193.2 to §194.18.2.) Students in satisfactory standing may continue in their programs.

**c. Marginal Standing** is assigned to students with a GPA between 1.7 and 1.9 on a minimum *9 attempted. Students meeting these criteria who do not have in their postsecondary education a prior requirement to withdraw, an academic warning, a probation period or their equivalents may be permitted to continue on academic warning in the BSc General program. Students in BSc Honors and BSc Specialization programs who meet the criteria for marginal standing may not continue in their current programs, but must apply to transfer to the BSc General program in order to continue on academic warning.

To clear academic warning and return to satisfactory standing, students must attend the subsequent Fall/Winter and must obtain a minimum 2.0 GPA. Students who fail academic warning are required to withdraw.

Students who have been placed on academic warning and wish to interrupt their studies must...
obtain the written permission of the Senior Associate Dean prior to August 15 of the year in which marginal standing was assigned. Students who interrupt their studies without permission will need to requalify in order to be considered for future readmission [see §192.3(b.)].

Academic warning may be offered once only. To remain in satisfactory standing students must maintain a minimum 2.0 GPA in all subsequent Fall/Winters. Students with a GPA below 2.0 and who have in their postsecondary education a prior requirement to withdraw, an academic warning, a probation period or their equivalents are required to withdraw.

Academic warning is not offered to Special Students or to students in BSc Specialization and Honors After Degree programs who are upgrading a previous degree with a major in the same discipline. Students in these programs with marginal standing will be required to withdraw.

d. Unsatisfactory Standing is assigned to students whose GPA on a minimum *9 is below 1.7. It is also assigned to students with a GPA below 2.0 who have in their postsecondary education a prior requirement to withdraw, an academic warning, a probation period or their equivalents. Students with unsatisfactory standing are required to withdraw.

(3) Requirement to Withdraw and Readmission

Students who are required to withdraw cannot continue or register in subsequent terms beyond Spring. If they wish to continue studies in the Faculty of Science, they must choose one of the following mutually exclusive options:

a. Fresh Start Program: is available by recommendation of the Faculty to students whose GPA is between 1.3 and 1.6 and have taken less than *60 of postsecondary work. Students who been on probation or have more than one requirement to withdraw or their equivalents, or who have been sanctioned for any academic-related disciplinary offence at this University or elsewhere are not eligible for the Fresh Start program. A minimum of *18 with a 2.7 GPA or a minimum of *24 with a 2.0 GPA

academic warning and wish to interrupt their studies must obtain the written permission of the Senior Associate Dean prior to August 15 of the year in which marginal standing was assigned. Students who interrupt their studies without permission will need to requalify in order to be considered for future readmission [see §192.5(3)c].

Academic warning may be offered once only. To remain in satisfactory standing students must maintain a minimum 2.0 GPA in all subsequent Fall/Winters. Students with a GPA below 2.0 and who have in their postsecondary education a prior requirement to withdraw, an academic warning, a probation period or their equivalents are required to withdraw.

Academic warning is not offered to Special Students or to students in BSc Specialization and Honors After Degree programs who are upgrading a previous degree with a major in the same discipline. Students in these programs with marginal standing will be required to withdraw.

Students with unsatisfactory standing are required to withdraw.

Students with two or more prior requirements to withdraw or equivalents are not eligible to continue in the Faculty of Science and do not have the option to appeal.

(3) Requirement to Withdraw and Readmission

Students who are required to withdraw cannot continue or register in subsequent terms beyond Spring. If they wish to continue studies in the Faculty of Science, they must choose one of the following mutually exclusive options:

a. Fresh Start Program: is available by recommendation of the Faculty to students whose GPA is between 1.3 and 1.6 and have taken less than *60 of postsecondary work. Students who been on probation or have more than one requirement to withdraw or their equivalents, or who have been sanctioned for any academic-related disciplinary offence at this University or elsewhere are not eligible for the Fresh Start program. A minimum of *18 with a 2.7 GPA or a minimum of *24 with a 2.0 GPA
must be successfully completed in the Fresh Start program to be considered for readmission to the Faculty of Science. The Faculty may also specify course requirements to be fulfilled. Students who successfully complete the Fresh Start program may apply for readmission as transfer students (see §15.15.7).

b. Discontinue Studies and Apply for Fall Redmission: Students in the Faculty of Science who are being required to withdraw for the first time in their academic record may elect to discontinue studies for a minimum period of one year and then apply for Fall readmission. Should any coursework be attempted at any institution during this period, the grades may be taken into consideration for readmission purposes, but transfer credit will not be granted.

Students in the Faculty of Science who have failed probation or been twice required to withdraw or equivalent by Faculty of Science standards may discontinue their studies for a period of five years from the date of last attendance and seek consideration for Fall readmission by writing a letter of petition to the Senior Associate Dean. Readmission, if offered, will be on probation, subject to conditions specified by the Senior Associate Dean.

c. Requalify: Students who are being required to withdraw for the first time in their academic record may elect to requalify by successfully completing at another postsecondary institution:
   i.*18 of postsecondary courses transferable to the University of Alberta with a minimum GPA of 2.7, or
   ii.*24 of postsecondary courses transferable to the University of Alberta with a minimum GPA of 2.0.

   Students who have been required to withdraw three times or equivalent are ineligible for readmission to the Faculty of Science.

   Students who have been required to withdraw three times or equivalent are ineligible for readmission to the Faculty of Science.
OUTLINE OF ISSUE

Agenda Title: Proposed Revisions from the Office of the Registrar to Section 12.2 of the University Calendar (Undergraduate Application Procedures - Definitions)

Motion: THAT the GFC Academic Standards Committee recommend to the GFC Academic Planning Committee proposed revisions to Section 12.2 of the University Calendar (Undergraduate Application Procedures - Definitions), as submitted by the Office of the Registrar and as set forth in Attachment 1, to take effect upon final approval and for publication in the 2014-2015 Calendar.

Details

Responsibility Provost and Vice-President (Academic)

The Purpose of the Proposal is (please be specific) To revise the definition of a Previous Student in the Undergraduate Application Procedures to include a student who is reapplying to the same program after any absence of 12 consecutive months or more rather than a voluntary absence (as currently stated).

These changes were initiated based on discussions that occurred at the GFC Campus Law Review Committee (CLRC) on June 6, 2013, which clarified Section 30.4.2(13)(f) (Suspension) of the Code of Student Behaviour regarding readmission after a suspension. Specifically, language was added to the Code of Student Behaviour that made it clear that, for suspensions of less than 12 months, students will be permitted to re-enroll in their program and added a reference to the Calendar for suspensions of greater than 12 months.

The Impact of the Proposal is See ‘Purpose’.

Replaces/Revises (eg, policies, resolutions) Section 12.2 of the University Calendar.

Timeline/Implementation Date To take effect upon approval and for publication in the 2014-2015 University Calendar.

Estimated Cost N/A

Sources of Funding N/A

Notes N/A

Alignment/Compliance

Alignment with Guiding Documents Dare to Discover Values: to provide an intellectually superior educational environment; integrity, fairness, and principles of ethical conduct built on the foundation of academic freedom, open inquiry, and the pursuit of truth

Compliance with Legislation, Policy and/or Procedure Relevant to the Proposal (please quote legislation and include identifying section) 1. Post-Secondary Learning Act (PSLA): The PSLA gives GFC responsibility, subject to the authority of the Board of Governors, over academic affairs. Further, the PSLA gives the Board of Governors authority over certain admission requirements and rules respecting enrolment. The Board has delegated its authority over admissions
numbers) requirements and rules respecting enrolment to GFC and the GFC ASC (Academic Standards Committee). (Sections 26(1), 60(1)(c) and (d)).

2. **GFC Academic Standards Committee (ASC) Terms of Reference (Mandate):** The Office of the Provost and Vice-President (Academic) has determined that the proposed changes are substantial in nature. ASC’s terms of reference provide that “the term 'substantial' refers to proposals which involve or affect more than one Faculty or unit; are part of a proposal for a new program; are likely to have a financial impact; represent a definite departure from current policy; involve a quota; articulate a new academic concept” (3.A.ii).

Further, “ASC provides advice or recommends to the GFC Academic Planning Committee (APC) on proposals which involve substantial change to admission/transfer regulations or academic standing.” (3.B.iv)

3. **UAPPOL Admissions Policy:** “Admission to the University of Alberta is based on documented academic criteria established by individual Faculties and approved by GFC. This criteria may be defined in areas such as subject requirements, minimum entrance averages, and language proficiency requirements. In addition to academic requirements for admission, GFC authorizes each Faculty to establish such other reasonable criteria for admission of applicants as the Faculty may consider appropriate to its programs of study, subject to the approval of GFC (e.g. interview, audition, portfolio, etc.)

The admission requirements for any Faculty will be those approved by GFC as set forth in the current edition of the *University Calendar*. In addition to the admission requirements, selection criteria for quota programs, where they exist, will also be published in the current edition of the *University Calendar*.

The responsibility for admission decisions will be vested in the Faculty Admission Committees or in the Deans of the respective Faculties, as the councils of such Faculties will determine.”

4. **UAPPOL Admissions Procedure:**

“**PROCEDURE**

1. **EFFECTIVE DATE OF CHANGES TO ADMISSION REGULATIONS**

Following approval by GFC:

a. Where changes to admission regulations may disadvantage students in the current admission cycle, normally implementation will be effective after the change has been published in the *University Calendar* for one full year (i.e., effective the second year that the information is published in the *University Calendar*).

For example, a change approved in May 2005 would be first published in the 2006-2007 *University Calendar* in March 2006. Therefore the statement cannot come into effect until September 2007 (affecting
applicants who apply for the September 2007 term beginning July 2006)."

b. Where changes to admission regulations are deemed by the approving body to be "advantageous to students", normally the date of implementation will be effective immediately or at the next available intake for the admitting Faculty."

5. **GFC Academic Planning Committee (APC) Terms of Reference (Section 3./Mandate):**

   "7. Admission, Transfer and Academic Standing

   a. To consider advice or recommendation from the GFC ASC on proposals for the establishment of or change to general University admission or transfer policies affecting students, including policies affecting Open Studies students, and to act for GFC in approving policies which in APC's view are minor or routine; and to recommend to GFC on proposals involving major change."

**Routing (Include meeting dates)**

| Consultative Route (parties who have seen the proposal and in what capacity) | Deborah Eerkes, Director, Office of Student Judicial Affairs; Deborah Gougeon, former Assistant Registrar (Admissions), Office of the Registrar; Elaine Geddes, Associate Dean (Undergraduate Programs), Alberta School of Business |
| Approval Route (Governance) (including meeting dates) | GFC Academic Standards Committee (November 21, 2013) – for recommendation; GFC Academic Planning Committee (December 11, 2013) – for final approval |

**Final Approver**

GFC Academic Planning Committee

**Attachments:**

#### 12.2 Definitions

The following definitions pertain to the information contained in the subsequent chart.

1. **Academic Year**: The academic year is divided into four periods known as “terms” as follows:
   - July-August: Summer Term
   - September-December: Fall Term
   - January-April: Winter Term
   - May-June: Spring Term
   - The eight-month period from September to April is referred to as Fall/Winter. The four-month period from May to August is referred to as Spring/Summer.

2. **High School Student**: A student whose most recent education has been taken in a high school and who has also never attended a postsecondary institution.

3. **External Transfer Student**: A student who is transferring from another postsecondary institution and who has not previously attended the University of Alberta.

4. **Internal Transfer Student**: A student who wishes to transfer from one program to another program within the same Faculty or to another Faculty.

5. **Previous Student**: A student who has been required to withdraw and is now reapplying to the same program, or a student who is reapplying after a voluntary absence of 12 consecutive months or more to the same program in which he or she was most recently enrolled. (If another institution has been attended in the interim, then the classification is External Transfer Student.)

6. **Open Studies Student**: A student who is registered in selected credit courses, but who is not following a degree or diploma program.

7. **Special Student**: A student who has been permitted to register in one or more courses which are not being taken for credit toward a degree or diploma at this or another institution. To be considered for admission as a Special Student, applicants must normally have received a university degree from an accredited postsecondary institution, must present a competitive admission grade point...
average, and meet English Language proficiency requirements as specified in §13.3. Special Students must apply for admission to the Faculty in which they plan to take the majority of their courses. Since the University is a limited enrolment institution, priority in admission is given to applicants to degree programs.

(8) Visiting Students: Bona fide students of other universities or colleges who have been permitted to take one or more courses for transfer of credit to their own institutions which have agreed in advance to such an arrangement.

(9) Admission and Readmission Documents: All students must submit two complete and official transcripts of work they have completed at institutions other than the University of Alberta before a final decision is made on admissibility. These documents must be submitted as soon as possible after the results of their most recent examinations are available.

Note: A student will not be considered if any document or required item is received after the stated deadline.

(10) Other Requirements: The other requirements column listed in the following chart refers to all students, whether applying for admission or readmission, unless otherwise stated.

(11) Deadline: If the published deadline falls on a weekend or statutory holiday, that item will be accepted by the Office of the Registrar if it is received or postmarked by the end of the next full working day.
**OUTLINE OF ISSUE**

**Agenda Title:** Proposed University Calendar Revisions from the Office of the Registrar to Requirements for Police Information Checks

**Motion:** That the GFC Academic Standards Committee recommend to the GFC Academic Planning Committee the proposed University Calendar changes to the Police Information Check, as submitted by the Office of the Registrar and as set forth in Attachment 1, to be effective upon final approval.

<tr>
<td>The Purpose of the Proposal is (please be specific)</td>
<td>These changes provide clarification and state the possible consequence to students of being unable to satisfy the Police Information Check requirement of some programs. Legal Counsel has been working with the Office of the Registrar in reviewing the language in the University Calendar that references the requirement of Police Information Checks in certain programs. This requirement is often either mandated by legislation (in the case of health care placements) or by the internal policies of the particular placement agencies. The University is attempting to create more consistent language across the various Faculties that may require such checks in relation to some of their programs.</td>
</tr>
<tr>
<td>The Impact of the Proposal is</td>
<td>Minimal; no change to existing process and procedures but, rather, adding clarity for existing processes with respect to Police Information Checks.</td>
</tr>

**Alignment/Compliance**

| Alignment with Guiding Documents | Dare to Discover Values: to provide an intellectually superior educational environment; integrity, fairness, and principles of ethical conduct built on the foundation of academic freedom, open inquiry, and the pursuit of truth |
| Compliance with Legislation, Policy and/or Procedure Relevant to the Proposal (please quote legislation and include identifying section) | 1. **Post-Secondary Learning Act (PSLA):** The PSLA gives GFC responsibility, subject to the authority of the Board of Governors, over academic affairs. Further, the PSLA gives the Board of Governors authority over certain admission requirements and rules respecting enrolment. The Board has delegated its authority over admissions |
numbers) requirements and rules respecting enrolment to GFC and the GFC ASC (Academic Standards Committee). (Sections 26(1), 60(1)(c) and (d)).

2. **PSLA**: The PSLA gives Faculty Councils power to “provide for the admission of students to the faculty” (29(1)(c)).

3. **UAPPOL Admissions Policy**: “Admission to the University of Alberta is based on documented academic criteria established by individual Faculties and approved by GFC. This criteria may be defined in areas such as subject requirements, minimum entrance averages, and language proficiency requirements. In addition to academic requirements for admission, GFC authorizes each Faculty to establish such other reasonable criteria for admission of applicants as the Faculty may consider appropriate to its programs of study, subject to the approval of GFC (e.g. interview, audition, portfolio, etc.)

The admission requirements for any Faculty will be those approved by GFC as set forth in the current edition of the *University Calendar*. In addition to the admission requirements, selection criteria for quota programs, where they exist, will also be published in the current edition of the *University Calendar*.

The responsibility for admission decisions will be vested in the Faculty Admission Committees or in the Deans of the respective Faculties, as the councils of such Faculties will determine.”

4. **UAPPOL Admissions Procedure**:

   **“PROCEDURE”**

   1. **EFFECTIVE DATE OF CHANGES TO ADMISSION REGULATIONS**

   Following approval by GFC:

   a. Where changes to admission regulations may disadvantage students in the current admission cycle, normally implementation will be effective after the change has been published in the *University Calendar* for one full year (i.e., effective the second year that the information is published in the *University Calendar*).

   For example, a change approved in May 2005 would be first published in the 2006-2007 *University Calendar* in March 2006. Therefore the statement cannot come into effect until September 2007 (affecting applicants who apply for the September 2007 term beginning July 2006).”

   b. Where changes to admission regulations are deemed by the approving body to be ‘advantageous to students’, normally the date of implementation will be effective immediately or at the next available intake for the admitting Faculty.”

5. **PSLA**: The PSLA gives Faculty Councils the authority to “determine the conditions under which a student must withdraw from or may
6. **UAPPOL Academic Standing Policy**: “All current academic standing regulations, including academic standing categories, University graduating standards and requirements for all individual programs will be those prescribed by Faculty Councils and GFC as set forth in the University Calendar.”

7. **UAPPOL Academic Standing Regulations Procedures**: “All proposed new academic standing regulations and changes to existing academic standing regulations will be submitted by the Faculties or the Administration to the Provost and Vice-President (Academic). Faculties will also submit to the Provost and Vice-President (Academic) any proposed changes to the use and/or computation of averages relating to academic standing, including promotion and graduation.

If the Provost and Vice-President (Academic) determines the proposal to be in good order, the proposal will be introduced to the appropriate University governance process(es). In considering these proposals, governance bodies will consult as necessary with the Faculties and with other individuals and offices.

Normally, changes become effective once they are approved by GFC or its delegate and are published in the University Calendar.”

8. **GFC Academic Standards Committee (ASC) Terms of Reference (Mandate)**: The Office of the Provost and Vice-President (Academic) has determined that the proposed changes are substantial in nature. ASC’s terms of reference provide that “the term ‘substantial’ refers to proposals which involve or affect more than one Faculty or unit; are part of a proposal for a new program; are likely to have a financial impact; represent a definite departure from current policy; involve a quota; articulate a new academic concept” (3.A.ii).

Further, “ASC provides advice or recommends to the GFC Academic Planning Committee (APC) on proposals which involve substantial change to admission/transfer regulations or academic standing.” (3.B.iv)

9. **GFC Academic Planning Committee (APC) Terms of Reference (Section 3./Mandate)**:

“7. Admission, Transfer and Academic Standing

a. To consider advice or recommendation from the GFC ASC on proposals for the establishment of or change to general University admission or transfer policies affecting students, including policies affecting Open Studies students, and to act for GFC in approving policies which in APC’s view are minor or routine; and to recommend to GFC on proposals involving major change.”

Routing (Include meeting dates)

Attachments (each to be numbered 1 - <>):

1. Attachment 1 (page 1 – 34) – Proposed University Calendar Revisions Regarding Requirements for Police Information Checks

*Prepared by:* Ada Ness, Associate Registrar (Enrollment Services), ada.ness@ualberta.ca; Claire Burke, Acting Policy and Development and Issues Advisor, claire.burke@ualberta.ca
23.8.3 Requirement for **Criminal Record Checks**

The *Protection for Persons in Care Act* (proclaimed January 1998) includes a requirement that persons working or volunteering in designated agencies (hospitals, nursing homes, lodges, group homes, etc.) must provide results of current criminal record check (also known as a security clearance check).

Accordingly, students serving work experience placements in the form of internships, clinical practica, academic practica, cooperative program work placements, etc., in any of these designated agencies may be required to obtain a criminal record check from the appropriate law enforcement agency and/or the Solicitor General’s office. A fee to obtain this check may be charged (see §22.2.3 Miscellaneous Fees). This fee will be determined by the law enforcement agency or Solicitor General’s office. Details on whether or not a criminal record check is needed and the process to obtain this check are available from the Faculty or department which sponsors the placement.

Students who are entering a program which requires this type of placement and who have concerns related to their ability to satisfy a criminal record check should consult with their Faculty or department program office immediately upon being admitted to the program. Students who fail to provide a clear criminal record check may be required to withdraw from their program. Although faculties and departments will attempt to assist students seeking placements, the ultimate responsibility for ensuring that required placements can be made lies with the student.

23.8.3 Requirement for **Police Information Checks**

The *Protection for Persons in Care Act* includes a requirement that persons working or volunteering in designated agencies (hospitals, nursing homes, lodges, group homes, social service agencies, etc.) must provide results of a current Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check.

Accordingly, students serving work experience placements in the form of internships, clinical practica, academic practica, cooperative program work placements, etc., in any of these designated agencies must obtain a Police Information Check from the appropriate law enforcement agency and/or the Solicitor General’s office. A fee may be charged by the law enforcement agency to obtain the Police Information Check (see §22.2.3 Miscellaneous Fees). The amount of the fee will be determined by the law enforcement agency or Solicitor General’s office and is the responsibility of the student. Details on whether or not a Police Information Check is needed and the process to obtain this check are available from the Faculty or department which sponsors the placement.

Students who are entering a program which requires this type of placement and who have concerns related to their ability to satisfy a Police Information Check should consult with their Faculty or department program office immediately upon being admitted to the program. Students who fail to provide a clear Police Information Check may be required to withdraw from their program. Although faculties and departments will attempt to assist students seeking placements, the ultimate responsibility for ensuring that required placements can be made lies with the student.

| **III. Criminal Record Check**  
Under the provisions of the Protection for Persons in Care Act, all new employees and volunteers in designated agencies such as hospitals, nursing homes, lodges, group homes, etc. must provide the results of a criminal record check. In accordance with the Act, certain agencies and educational facilities may also require that students present a criminal record check prior to entering a work experience term.  
Students who have concerns about the possibility of a criminal record check should contact the Associate Dean, Undergraduate Program. Students will be informed of the need for a criminal record check prior to specific field experience placements. Please see §23.8.3 for general requirements and | **III. Police Information Check**  
Under the provisions of the Protection for Persons in Care Act, all new employees, volunteers and other people engaged for services by designated agencies (hospitals, nursing homes, lodges, group homes, etc.) must complete a Police Information Check (also known as a Criminal Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. In addition, certain other agencies, organizations, and educational facilities may require students to present a Police Information Check prior to entering a practicum, work placement term, internship, or field experience placement.  
Students who have concerns related to their ability to provide a clear Police Information Check should consult with the Associate Dean, Undergraduate Program. Students will be informed of the need for a Police Information Check prior to specific field experience placements. See § 23.8.3 for more |
Rationale: Legal Counsel have been working with the Registrar's Office in reviewing the language in the University Calendar that references the requirement of criminal record checks in certain programs. This requirement is often either mandated by legislation (in the case of health care placements) or by the internal policies of the particular placement agencies. The University is attempting to create more consistent language across the various faculties that may require such checks in relation to some of their programs. This amendment to our Co-operative Education section of the Calendar is consistent with the changes that are being made across campus. This change has been reviewed and agreed to by the Director of Business Career Services.

Under the Protection for Persons in Care Act, all students going to any clinical placement or rotation in Alberta are required to complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. The clinical practice site will determine the criteria for acceptance/denial of a placement. Students are responsible for having a Police Information Check completed upon receiving admission to the Faculty.

Students who have concerns related to their
### IV. Aboriginal Applicants

The Division of Medical Laboratory Science will give up to one position within the quota for the BSc MLS program to Aboriginal applicants. Students of Aboriginal ancestry within the meaning of the Constitution Act, 1982, Section 35, Part 2, or a person accepted by one of the Aboriginal peoples of Canada as a member of their community, will be considered in this category.

Candidates will be subject to normal minimum admission requirements as outlined in §15.9.2 and approval by the Divisional Admissions Committee. If there are no qualified Aboriginal applicants in any given year, the position will be allocated to the general applicant pool.

Aboriginal applicants should contact the Coordinator, Division of Medical Laboratory Science, for career planning.

### V. For More Information

Individuals considering entering the preprofessional year should contact the Division of Medical Laboratory Science, 5-411 Edmonton Clinic Health Academy, University of Alberta, Edmonton, AB T6G 1C9.

</table>
**II. Other Requirements**

(1) **Language Proficiency Requirements:** All applicants must meet the English Language Proficiency and Spoken English requirements (see §13.3).

(2) **Medical Testing and Immunization Requirements:** Prior to orientation students admitted to the Dental Hygiene program are required to undergo medical testing for Hepatitis B and meet all immunization requirements. As well, a varicella titre test and a tuberculin skin test are required in the first year of the program. See §113.2.1(12) for regulations concerning medical testing and immunization. Note: For updates on changes to medical testing and immunization refer to the Faculty Office.

(3) **Proof of Residency Status:** Because residency status determines the competitive pool in which an applicant is ranked, applicants may be required to present proof of residency status. See §13.2, residence requirements.

(4) **Police Information Check:** Applicants should be aware that a clear Police Information Check (PIC) is required as a condition of admission and that any criminal charges pending must be declared.

Under the *Protection for Persons in Care Act*, all students going to any clinical placement or rotation in Alberta are required to complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. The clinical practice site will determine the criteria for acceptance/denial of a placement.
II. Other Requirements

(1) **Language Proficiency Requirements**: All applicants must meet the English Language Proficiency and Spoken English requirements (see §13.3).

(2) **Medical Testing and Immunization Requirements**: Prior to orientation students admitted to the DDS program are required to undergo medical testing for Hepatitis B and meet all immunization requirements. As well, a varicella titre test and a tuberculin skin test are required in the first year of the program. See §113.2.1(12) for regulations concerning medical testing and immunization.

Note: For updates on changes to medical testing and immunization refer to the Faculty Office.

(3) **Proof of Residency Status**: Because residency status determines the competitive pool in which an applicant is ranked, applicants may be required to present proof of residency status. See §13.2, residence requirements.

NEW

Police Information Checks are due at the time admission is confirmed. Applicants should plan to have their PIC complete prior to an offer of admission. Failure to submit a clear and complete PIC by the date noted in the offer of admission will result in the offer of admission being revoked.

Students who have concerns related to their ability to provide a clear Police Information Check should consult with the School of Dentistry. The ultimate responsibility for ensuring that students meet the requirements of clinical agencies lies with the students. Other background checks may be required by a clinical agency, such as a child intervention record check. Students will be advised if any additional background checks are required by a clinical agency. See § 23.8.3 and § 114.1 for more information on the general requirements concerning Police Information Checks and the fees associated with them.

#### f. Police Information Check

- **Criminal Record Check**: By law, all students going to any clinical placement in Alberta are required to complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. The clinical practice site will determine the criteria for acceptance/denial of a placement. Students are responsible for having a **criminal record check** completed prior to commencement of clinical practica.

Students who have concerns related to their ability to **satisfy a criminal record check** should consult with the Faculty of Nursing, Undergraduate Nursing Office, immediately upon being admitted to the program. The ultimate responsibility for ensuring that students meet the requirements of clinical agencies lies with the students. **A fee may be charged by the police department or RCMP detachment for the criminal record check. That fee is the responsibility of the student.** Other background checks may be required by a clinical agency such as a child intervention record check. Students will be advised if any additional background checks are required by a clinical agency. **For more information see §23.8.3.**

- **Police Information Check**: Under the **Protection for Persons in Care Act**, all students going to any clinical placement in Alberta are required to complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. The clinical practice site will determine the criteria for acceptance/denial of a placement. Students are responsible for having a **Police Information Check** completed prior to commencement of their clinical practica.

Students who have an unclear Police Information Check may be unable to complete the required student placements and may be required to withdraw from the program.

Students who have concerns related to their ability to **provide a clear Police Information Check** should consult with the Faculty of Nursing, Undergraduate Nursing Office, immediately upon being admitted to the program. The ultimate responsibility for ensuring that students meet the requirements of clinical agencies lies with the students. Other background checks may be required by a clinical agency such as a child intervention record check. Students will be advised if any additional background checks are required by a clinical agency. **See § 23.8.3 for more information on the general requirements concerning Police Information Checks and the fees associated with them.**
**Calendar Change Request Form**

**Implementation Type:** ☑ Normal  □ Early  **Implementation Calendar Year:** 2014-15

**Type of Change:** ☑ Program Regulations  □ New Course  □ Course Deletion  □ Course Change  □ Editorial

</thead>
<tbody>
<tr>
<td><strong>143.4.1 Practicum Policies and Requirements</strong></td>
<td><strong>143.4.1 Practicum Policies and Requirements</strong></td>
</tr>
<tr>
<td>(1) Registration with Alberta College of Pharmacists: Section 2(1) of the Pharmaceutical Profession Act requires that pharmacy students be registered as students (restricted practitioners) with the College in order to practice in the exclusive scope areas of pharmacy to which they are exposed in a clinical rotation. All fees and other costs associated with this registration are the responsibility of the student.</td>
<td>(1) Registration with Alberta College of Pharmacists: The <em>Health Professions Act</em> requires that pharmacy students be registered as students (restricted practitioners) or if holding an undergraduate degree in pharmacy to be on the College’s clinical register in order to practice in the exclusive scope areas of pharmacy to which they are exposed in a clinical placement. All fees and other costs associated with this registration are the responsibility of the student.</td>
</tr>
<tr>
<td>(2) Criminal Record Check: Students should be aware that under <em>The Protection for Persons in Care Act</em>, they can be required to satisfy a criminal records check before being allowed to serve a period of internship, practicum placement, work experience, or to complete a course requirement. Refer to §23.8.3 for more information.</td>
<td>(2) Police Information Check: Under the <em>Protection for Persons in Care Act</em>, all students going to any placement site in Alberta are required to complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. The Faculty requires this check prior to the start of the first experiential learning course. The placement site will determine the criteria for acceptance/denial of a placement.</td>
</tr>
</tbody>
</table>

Students will be required to satisfy a criminal records check at entrance into the undergraduate program of the Faculty in order to meet PHARM 300 requirements. Subsequent criminal records checks must be satisfied for all practicum placements where it is required by the site, including all institutional site placements. All fees and other costs associated with obtaining security record checks will be the responsibility of the student.

Police Information Checks will be collected at a designated time by the Experiential Education Office of the Faculty. Typically, one Police Information Check will be required for the duration of the program if continuously enrolled. However, students will be required to confirm annually that their Police Information Check remains clear. If there is a change in status, a new Police Information Check is required.
Rationale:
The new Student Placement Agreement with Alberta Health Services requires the Faculty to now screen and collect Police Information Check and Vulnerable Sector Check.

Notes: For the 2014-2015 Calendar.

Police checks are the responsibility of the student. Students who have an unclear criminal record check may be unable to complete the required experiential activities and may be required to withdraw from the program.

Required. The Police Information Check must be dated no earlier than 90 days prior to the date of collection as determined by the Faculty’s Office of Experiential Education.

Students who have an unclear Police Information Check may be unable to complete the required experiential activities and may be required to withdraw from the program.

Students who have concerns related to their ability to provide a clear Police Information Check should consult with the Faculty. The ultimate responsibility for ensuring that students meet the requirements of placement sites lies with the students. Other background checks may be required by a placement site, such as a child intervention record check. Students will be advised if any additional background checks are required by a placement site. See § 23.8.3 for more information on the general requirements concerning Police Information Checks and the fees associated with them.
### 173.5 Fieldwork/Clinical Practice Requirements

<table>
<thead>
<tr>
<th>Current</th>
<th>Proposed</th>
</tr>
</thead>
<tbody>
<tr>
<td>No Changes until</td>
<td>No Changes until</td>
</tr>
</tbody>
</table>

#### (4) Security Clearance Check

Students should be aware that under the *Protection for Persons in Care Act*, they may be required to satisfy a criminal records check before being allowed to serve a period of internship, practicum placement, work experience or to complete a course requirement. Refer to §23.8.3.

#### 4) Police Information Check

Under the *Protection for Persons in Care Act*, all students going to any clinical placement in Alberta are required to complete a Police Information Check (also known as a Criminal Record Check, Security Clearance Check, or Police Clearance), which must include a Vulnerable Sector Check. Clinical agencies/practice sites may require additional background checks, such as a Child Intervention Record Check. Students will be advised if a clinical agency/practice site requires any additional background checks. See §23.8.3 for more information on the general requirements concerning Police Information Checks and the fees associated with them.

Each Department will collect Police Information Checks at a time designated by that Department. Typically, only one Police Information Check will be required for the duration of a student’s program. The Police Information Check must be dated no earlier than 90 days prior to the date of collection as designated by each Department.

The ultimate responsibility for ensuring that a student meets the requirements of clinical agencies/practice sites lies with that student. A student for whom a Police Information Check reveals a criminal record may be unable to complete the required clinical placements and may be required to withdraw from his/her program. The clinical agency/practice site will determine the criteria for acceptance/denial of a placement if the Police Information Check reveals a criminal record. A student who has concerns related to the possibility that a Police Information Check might reveal a criminal record should consult with the Faculty of the Department in which s/he is enrolled.

### 194.2.5 Industrial Internship Program

An Industrial Internship Program, similar to a co-op program, is offered to students in the Specialization or Honors programs in Biological Sciences (see §192.11 for guidelines to the program). The Industrial Internship designation will appear on the degree parchments of students who have participated in the program and who have also successfully completed BIOL 400.

Students approved to enter this stream register for a continuous sequence of Science Work Experience courses (WKEXP 955, 956, 957, 958), starting in May, September or January. During the program, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student’s transcript. The Industrial Internship Program Advisor maintains contact at approximately four-month intervals with the student and the person designated by the employer to be responsible for the student’s progress. This arrangement ensures satisfaction on all sides. If the review shows the situation is not satisfactory, the internship may be terminated and the student would then return to classes at the next available opportunity. The graduation requirements for the Industrial Internship program designation include successful completion of at least WKEXP 955 and 956 plus BIOL 400. BIOL 400 must be taken in the first term immediately following completion of the WKEXP period. If required by the employer, the student’s written report and oral presentation in BIOL 400 may be classified confidential. The employer also assesses the student’s performance during the work term. Based on the student’s written report and oral presentation, and the report from the employer, students are

This arrangement ensures satisfaction on all sides. If the review shows the situation is not satisfactory, the internship may be terminated and the student would then return to classes at the next available opportunity. The graduation requirements for the Industrial Internship program designation include successful completion of at least WKEXP 955 and 956 plus EAS 401. EAS 401 must be taken in the first term immediately following completion of the WKEXP period. If required by the employer, the student’s written report and oral presentation in EAS 401 may be classified confidential. The employer also assesses the student’s performance during the work term. Based on the student’s written report and oral presentation, and the report from the employer, students are awarded a grade in EAS 401.

194.6.9 Industrial Internship Program

An Industrial Internship Program, similar to a co-op program, is offered to students in the Specialization or Honors programs in Earth and Atmospheric Sciences (see §192.11 for guidelines to the program). The Industrial Internship designation will appear on the degree parchments of students who have participated in the program.

Students approved to enter this stream register for a continuous sequence of Science Work Experience courses (WKEXP 955, 956, 957, 958), starting in May, September or January. During the program, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student’s transcript. The Industrial Internship Program Advisor maintains contact at approximately three-month intervals with the student and the person designated by the employer to be responsible for the student’s progress. This arrangement ensures satisfaction on all sides. If the review shows the situation is not satisfactory, the internship may be terminated and the student would then return to classes at the next available opportunity. The graduation requirements for the Industrial Internship program designation include successful completion of at least WKEXP 955 and 956 plus EAS 401. EAS 401 must be taken in the first term immediately following completion of the WKEXP period. If required by the employer, the student’s written report and oral presentation in EAS 401 may be classified confidential. The employer also assesses the student’s performance during the work term. Based on the student’s written report and oral presentation, and the report from the employer, students are awarded a grade in EAS 401.

194.17.3 Industrial Internship Program

An Industrial Internship Program, similar to a co-op program, is offered to students in the Specialization or Honors programs in Psychology (see §192.11 for guidelines to the program). The Industrial Internship designation will appear on the degree parchments of students who have participated in the program.

The paid work experience is normally undertaken after completion of a minimum of 75, and not more than 105, units of course weight of an Honors or Specialization degree program. Students who have maintained good academic standing in an Honors or Specialization program are eligible for the program. Students who are approved to enter this stream and find an internship placement are registered for a continuous sequence of Science Psychology Work Experience courses (WKEXP 931, 932, 933, 934) starting in May or September. During the program, students are considered full-time students of the University. Work experience courses have no weight and are graded credit/no credit, and recorded on the student's transcript; students are not permitted to register in any academic courses during the Industrial Internship Program. The Industrial Internship Program Advisor maintains contact with the student and the person designated by the employer to be responsible for the student's progress. If the placement is not satisfactory for either party, the internship may be terminated and the
