### Alignment/Compliance

<table>
<thead>
<tr>
<th>Alignment with Guiding Documents</th>
<th>Dare to Discover Values: to provide an intellectually superior educational environment; integrity, fairness, and principles of ethical conduct built on the foundation of academic freedom, open inquiry, and the pursuit of truth.</th>
</tr>
</thead>
</table>
| Compliance with Legislation, Policy and/or Procedure Relevant to the Proposal (please quote legislation and include identifying section numbers) | 1. **Post-Secondary Learning Act (PSLA):** The PSLA gives GFC responsibility, subject to the authority of the Board of Governors, over academic affairs. Further, the PSLA gives the Board of Governors authority over certain admission requirements and rules respecting enrolment. The Board has delegated its authority over admissions requirements and rules respecting enrolment to GFC and the GFC ASC (Academic Standards Committee). (Sections 26(1), 60(1)(c) and (d)).  

2. **PSLA:** The PSLA gives Faculty Councils power to “provide for the admission of students to the faculty” (29(1)(c)).

3. **UAPPOL Admissions Policy:** “Admission to the University of Alberta is based on documented academic criteria established by individual Faculties and approved by GFC. This criteria may be defined in areas such as subject requirements, minimum entrance averages, and language proficiency requirements. In addition to academic requirements for admission, GFC authorizes each Faculty to establish such other reasonable criteria for admission of applicants as the Faculty may consider appropriate to its programs of study, subject to the approval of GFC (e.g., interview, audition, portfolio, etc.) The admission requirements for any Faculty will be those approved by GFC as set forth in the current edition of the *University Calendar*. In addition to the admission requirements, selection criteria for quota programs, where they exist, will also be published in the current edition of the *University Calendar*. The responsibility for admission decisions will be vested in the Faculty Admission Committees or in the Deans of the respective Faculties, as the councils of such Faculties will determine.”

4. **UAPPOL Admissions Procedure:**

   **PROCEDURE**

   1. **EFFECTIVE DATE OF CHANGES TO ADMISSION REGULATIONS Following approval by GFC:**

      a. Where changes to admission regulations may disadvantage students in the current admission cycle, normally implementation will be effective after the change has been published in the *University Calendar* for one full year (i.e., effective the second year that the information is published in the *University Calendar*).
For example, a change approved in May 2005 would be first published in the 2006-2007 University Calendar in March 2006. Therefore the statement cannot come into effect until September 2007 (affecting applicants who apply for the September 2007 term beginning July 2006)."

b. Where changes to admission regulations are deemed by the approving body to be ‘advantageous to students’, normally the date of implementation will be effective immediately or at the next available intake for the admitting Faculty."

5. **PSLA**: The PSLA gives Faculty Councils the authority to “determine the conditions under which a student must withdraw from or may continue the student’s program of studies in a faculty” (Section 29(1)(d)).

6. **UAPPOL Academic Standing Policy**: “All current academic standing regulations, including academic standing categories, University graduating standards and requirements for all individual programs will be those prescribed by Faculty Councils and GFC as set forth in the University Calendar.”

7. **UAPPOL Academic Standing Regulations Procedures**: “All proposed new academic standing regulations and changes to existing academic standing regulations will be submitted by the Faculties or the Administration to the Provost and Vice-President (Academic). Faculties will also submit to the Provost and Vice-President (Academic) any proposed changes to the use and/or computation of averages relating to academic standing, including promotion and graduation.

If the Provost and Vice-President (Academic) determines the proposal to be in good order, the proposal will be introduced to the appropriate University governance process(es). In considering these proposals, governance bodies will consult as necessary with the Faculties and with other individuals and offices.

Normally, changes become effective once they are approved by GFC or its delegate and are published in the University Calendar.”

8. **GFC Academic Standards Committee (ASC) Terms of Reference (3. Mandate)**: The Office of the Provost and Vice-President (Academic) has determined that the proposed changes are editorial in nature.

Section 3 of GFC ASC’s Terms of Reference state:

**A. Definitions**

i. "Routine and/or Editorial"  
In the responsibilities which follow, the term "routine and/or editorial" refers to proposals which do not involve or affect other Faculties or units; do not form part of a proposal for a new program; and which do not involve alteration of an existing quota or establishment of a new quota. Editorial or routine changes include any and all changes
to the wording of an admissions or academic standing policy.

ii. "Substantial"

In the responsibilities which follow, the term "substantial" refers to proposals which involve or affect more than one Faculty or unit; are part of a proposal for a new program; are likely to have a financial impact; represent a definite departure from current policy; involve a quota; articulate a new academic concept.

iii. Dispute

If there is any dispute or question as to which of the above categories a proposal falls under, the Provost and Vice-President (Academic) (or delegate) will decide. (GFC 31 MAY 2005)

B. Admission and Transfer, Academic Standing, Marking and Grading, Term Work, Examinations, International Baccalaureate (IB), Advanced Placement (AP)

i. All proposals from the Faculties or the Administration related to admission and transfer, to the academic standing of students, to institutional marking and grading policies and/or procedures and to term work policies and procedures are submitted to the Provost and Vice-President (Academic) (or delegate) who chairs the GFC Academic Standards Committee. ASC will consult as necessary with the Faculties and with other individuals and offices in its consideration of these proposals. (GFC 29 SEP 2003) (GFC 31 MAY 2005) (EXEC 04 DEC 2006)

ii. ASC acts for GFC in approving routine and/or editorial changes to both admission/transfer policies and academic standing regulations, and acts for GFC in approving all proposals for a) change to examination regulations, b) change to existing International Baccalaureate (IB) and Advanced Placement (AP) policies and procedures and c) change to the University Calendar Section on Missed Term Work (under the Section entitled Evaluation Procedures and Grading System. (EXEC 18 NOV 1996) (EXEC 04 DEC 2006)

[...]

iv. ASC provides advice or recommends to the GFC Academic Planning Committee (APC) on proposals which involve substantial change to admission/transfer regulations or to academic standing regulations.

[...]

9. GFC ASC Terms of Reference (Mandate/Alberta Transfer Guide):

GFC ASC’s delegated authority from GFC extends to the following:

“i. ASC approves, for inclusion in the Alberta Transfer Guide, courses for transfer credit to the University of Alberta which are offered by non-University institutions in Alberta. Approval will be
based upon an assessment of course content and level of instructor qualifications.

ii. ASC denies courses for transfer credit to the University of Alberta which are offered by non-University institutions in Alberta.

iii. ASC monitors the entries in the Alberta Transfer Guide relevant to the University of Alberta.

iv. ASC rescinds, if necessary, the entries in the Alberta Transfer Guide relevant to the University of Alberta.” (3.D.i-iv.)

10. **UAPPOL Transfer Credit Articulation Procedure (Overview and Procedure):** “The University of Alberta will accept for transfer credit the courses recommended by Faculties and approved by ASC for inclusion in the Alberta Transfer guide, to the extent that the courses fit the degree program that the student wishes to enter. Credit for such courses will be considered in a credit-no credit basis only and will not be included in the University grade point average calculation on the University transcript. Faculties may have other requirements...Transfer credit is assessed on an individual course-by-course basis for by a block transfer agreement.”

### 15.2.2 DRAMA BA Honors Programs (Admission Chart 3)

**In Specific Admissions Requirements to BA Honors Programs (Admission Chart 3) Under Honors Program in Drama**

Entrance to Honors ordinarily takes place at the end of the second year of university study. Students planning to apply for admission to the Honors program should consult §15.2.2 for common admission requirements for the Honors program. The Department Honors advisor should also be consulted for first-year course selection which should include DRAMA 103 and 150, and for second-year course selection, which should include DRAMA 208, 209, 257 and 279.

</table>

a. Applicants to programs except BA Environmental Studies and the BA major in Planning who do not
present either the high school requirements or the required matriculation average may be considered for admission if they successfully complete, at an accredited postsecondary institution, *24 or more of coursework transferable to the Faculty of Arts with a competitive average for the appropriate program.

This work is accepted in place of matriculation subject requirements, except for English Language Arts 30-1 (or equivalent), which is required for all applicants.

Note: This coursework may not include any courses equivalent to ones previously passed at this or any other institution. For a course to be considered transferable from another postsecondary institution a minimum final grade of C- is required.

b. Postsecondary applicants to the BA major in Planning and the BA Environmental Studies programs must meet specific high school course requirements as outlined in §§15.2.1 and 15.2.12 in order to meet prerequisite requirements for required courses in the program. All requirements as outlined in §§15.2.1 and 15.2.12 for the BA major in Planning and the BA Environmental Studies programs must be met.

c. Note: Effective 2015-2016 Postsecondary applicants to the BA major in Economics must present an AGPA of at least 2.3 on all courses transferable to the Faculty of Arts.

d. Students may apply for admission or readmission to the BA program in the Faculty if they have a competitive AGPA (minimum 2.0) and meet all other admission requirements. Applicants should note, however, that presentation of the minimum requirements does not guarantee admission. Some programs and BA majors require minimum averages greater than 2.0. Refer to specific program requirements.

e. See also §14.2.1.

No further changes.

### 15.6 Faculty of Education

**All Applicants to the Faculty of Education**

Applicants to all routes of the Bachelor of Education should seek experience in work or service with children or youth before admission. Such experience may assist applicants in confirming their choice of education as a career.

Because there are more applicants to the Faculty of Education than there are places, enrolment management is in effect for all undergraduate degree programs. Under enrolment management, an overall target for the Faculty is set each year. The number of new students admitted to any particular program or year of a program may vary depending on the number of available places and the promotion, departure, or graduation of continuing students. While the minimum admission average is 70% for high school applicants, and a minimum GPA of 2.0 for postsecondary applicants, all admissions are competitive and the actual admission averages may be higher than the minimum.

**Spoken English Requirement:** Applicants must also meet a spoken English requirement. See

If, after having read all relevant information in the following sections, students have further questions about admission to the Faculty of Education, they should contact Undergraduate Student Services Office, 1-107 Education Centre North; telephone (780) 492-3659.

15.6.1 Bachelor of Education in Elementary, Secondary, and Adult Education Routes

Introduction

For admission purposes, new applicants for degree programs only are placed into one of four categories:

High School Applicants: Those students applying directly from high school.

Transfer Applicants: Those students who have not yet completed a degree.

After Degree Applicants: Those students who have already completed a degree program, or will have completed a degree program prior to attendance at an accredited postsecondary institution.

Nonmatriculated Applicants: refer to §14.3.

I. High School Applicants

High school applicants will be considered for admission based on their average on five subjects noted below.

Subject Requirements

(1) English Language Arts 30-1

(2) Four subjects from Group A, B and/or C. A maximum of one Group B may be presented for admission. In order to maximize their future program and subject choices, all students are encouraged to present a broad range of subjects across Group A and C.

(3) Mathematics 30-2 may be used for admission to the Faculty of Education although Mathematics 30-1 is a prerequisite for some required courses in Mathematics/Science majors and minors (see Notes below)

For general high school admission requirements refer to §14.4.2.

Notes

§13.3 “English Language Proficiency” for specific score requirements.

If, after having read all relevant information in the following sections, students have further questions about admission to the Faculty of Education, they should contact Undergraduate Student Services Office, 1-107 Education Centre North; telephone (780) 492-3659.

15.6.1 Bachelor of Education in Elementary, Secondary, and Adult Education Routes

Introduction

For admission purposes, new applicants for degree programs only are placed into one of four categories:

High School Applicants: Those students applying directly from high school.

Post Secondary Transfer Applicants: Those students who have not yet completed a degree.

After Degree Applicants: Those students who have already completed a degree program.

Nonmatriculated Applicants: refer to §14.3.

I. High School Applicants

High school applicants will be considered for admission based on their average on five subjects noted below.

Subject Requirements

(1) English Language Arts 30-1

(2) Four subjects from Group A, B and/or C. A maximum of one Group B may be presented for admission.

(3) Mathematics 30-2 may be used for admission to the Faculty of Education although Mathematics 30-1 is a prerequisite for some required courses in Mathematics/Science majors and minors (see Notes below)

High School-level courses are based on the Alberta Education curriculum. Prospective students who completed high school education from outside Alberta should review the Admission Course Equivalents for acceptable high school courses in the three categories at www.admissions.ualberta.ca.

For general high school admission requirements refer to §14.4.2.
Applicants are ranked according to their AGPA, composed of required courses.

Applicants without ≥24 transferable coursework may apply to the Secondary Education CTS major route. See II. Transfer Applicants, Note (2).

Additional Requirements

(1) Please note that for some Secondary Education Major/Minor routes, students are required to present specific 30-level courses (or equivalent) in order to complete the requirements of each Major/Minor. These courses do not have to be presented for admission, but are prerequisites for university course registration. Please check http://educprospective.ualberta.ca/admissions#admission-from-high-school for detailed information.

(2) The Faculty of Education accepts proficiency in an Aboriginal language recognized in Canada (e.g., Cree, Slavey, etc.) to meet a Group A admission requirement. Proficiency is measured either by a test, administered by the University if such can be arranged, or by boards of examiners appointed by the University. Candidates having passed the required test of an Aboriginal language have their averages calculated on the remaining four matriculation subjects.

(3) Applicants who do not present the high school requirements or the required admission average may be considered for admission if they successfully complete, at an accredited postsecondary institution ≥24 or more of coursework transferable to the BEd program.

II. Transfer Applicants

(1) General Requirements:
   a. Applicants must present successful completion of at least ≥24 transferable course weight applicable to the specific degree program for which they have applied. Those applicants who do not present at least ≥24, are considered as High School Applicants. See §15.6.1 I. High School Applicants for admission information.
   b. Satisfactory standing in the Faculty or postsecondary institution from which they wish to transfer;
   c. An AGPA of at least 2.0. (See §14.2.1 for information about the calculation of the AGPA.)

Notes

(1) Applicants are ranked according to their AGPA, composed of required courses.

(2) Applicants without ≥24 transferable coursework may apply to the Secondary Education CTS major route provided they have the following:
   a. Applicable and recognized journey certificate or approved two or three year diploma or certificate

(3) Applicants who do not present the high school requirements or the required admission average may be considered for admission if they successfully complete, at an accredited postsecondary institution ≥24 or more of coursework transferable to the BEd program.

II. Post Secondary Transfer Applicants

(1) General Requirements:
   a. Applicants must present successful completion of at least ≥24 transferable course weight applicable to the specific degree program for which they have applied. Those applicants who do not present at least ≥24, are considered as High School Applicants. See §15.6.1 I. High School Applicants for admission information.
   b. Satisfactory standing in the Faculty or postsecondary institution from which they wish to transfer;
   c. An AGPA of at least 2.0. (See §14.2.1 for information about the calculation of the AGPA.)

Notes

(1) Applicants without ≥24 transferable coursework may apply to the Secondary Education CTS major route provided they have the following:
   a. Applicable and recognized journey certificate or approved two or three year diploma or certificate
approved two or three year diploma or certificate
b. English Language Arts 30-1 (or equivalent)
c. Subject from Group A, B, or C

(2) **Recommended Courses for the first year(s) of study:** Applicants should present those postsecondary courses relevant to the specific route in which they plan to enrol.

   **Note:** Students taking courses in another Faculty or program are expected to choose courses consistent with the program in which they are currently enrolled. For further details regarding course choices, see §75.3.2 for the Elementary route and §75.4.2 for the Secondary route.

   **Requirements for Admission and Advanced Standing**

   Individuals without a degree from a certified and recognized university or college must satisfy all four requirements outlined below:

   a. Have completed ★6 of transfer credit in English

   b. Be in possession of a training/work credential (e.g., postsecondary certificate/diploma, journey certification, three year University degree) (except those which block transfer are awarded) for at least six years.

   c. Provide documentation of at least one year of work experience or the equivalent in adult education (e.g., full time teaching/training, part-time instruction or community work, volunteer teaching/training)

   d. Meet the admitting GPA (minimum of 2.0 on the University of Alberta Grading Scale) on at least ★24 of most recent transferable courses.

   Individuals with a degree from a certified and recognized university or college must satisfy both requirements outlined below:

   e. Documentation of a minimum of one year of work experience or the equivalent in adult education (e.g., full time teaching/training, part-time instruction or community work, volunteer teaching/training) in the area of their major after acquiring their degree and within the past ten years.

   f. Meet the admitting GPA (minimum of 2.0 on the University of Alberta Grading Scale) on at least ★24 of most recent transferable courses.

   **Note:** For details regarding the exact nature of the Advanced Standing, see §75.2.2.

(4) **Admission with Transfer Credit:** A maximum of ★60 obtained at another postsecondary institution may be granted as transfer credit

b. English Language Arts 30-1 (or equivalent)
c. Subject from Group A, B, or C

(2) **Recommended Courses for the first year(s) of study:** Applicants should present those postsecondary courses relevant to the specific route in which they plan to enrol.

   **Note:** Students taking courses in another Faculty or program are expected to choose courses consistent with the program in which they are currently enrolled. For further details regarding course choices, see §75.3.2 for the Elementary route and §75.4.2 for the Secondary route.

(3) **Adult Route:** As the Adult Education route is a continuing professional education program, admission depends on subject area competency and full-time instructional experience. Completion of the BEd degree in the Adult Education Route will not qualify for Teacher Certification.

   **Requirements for Admission and Advanced Standing**

   Individuals without a degree from a certified and recognized university or college must satisfy all four requirements outlined below:

   a. Have completed ★6 of transfer credit in English

   b. Be in possession of a training/work credential (e.g., postsecondary certificate/diploma, journey certification, three year University degree) (except those which block transfer are awarded) for at least six years.

   c. Provide documentation of at least one year of work experience or the equivalent in adult education (e.g., full time teaching/training, part-time instruction or community work, volunteer teaching/training)

   d. Meet the admitting GPA (minimum of 2.0 on the University of Alberta Grading Scale) on at least ★24 of most recent transferable courses.

   Individuals with a degree from a certified and recognized university or college must satisfy both requirements outlined below:

   e. Documentation of a minimum of one year of work experience or the equivalent in adult education (e.g., full time teaching/training, part-time instruction or community work, volunteer teaching/training) in the area of their major after acquiring their degree and within the past ten years.

   f. Meet the admitting GPA (minimum of 2.0 on the University of Alberta Grading Scale) on at least ★24 of most recent transferable courses.

   **Note:** For details regarding the exact nature of the Advanced Standing, see §75.2.2.

(4) **Admission with Transfer Credit:** A maximum of ★60 obtained at another postsecondary
III. After-Degree Applicants

General Requirements
All applicants must present the following:
1. A three- or four-year degree from an accredited postsecondary institution.
2. An Admission GPA (AGPA) of at least 2.0, or equivalent, based on the most recent 24.

BEd/AD programs in the Elementary and Secondary Routes vary in length (see §73.7.1). The length of the program will depend on the courses that a student presents at the time of admission.

The Elementary After Degree program is normally two years in length. The Secondary After Degree program length will depend on the courses presented at the time of admission.

1. Adult Route: Individuals with a degree from a certified and recognized university or college must present the following:
   a. Provide documentation of a minimum of one year of work experience or the equivalent in adult education (e.g., full-time teaching/training, part-time instruction or community work, volunteer teacher/training) in the area of their major after acquiring their degree and within the past ten years.
   b. Meet the minimum GPA (minimum of 2.0 on the University of Alberta Grading Scale) on at least 24 of most recent transferable courses.

   Successful applicants admitted to the BEd/AD – Adult Route will be awarded Advanced Standing of 30, see §75.2.2.

   The Adult Education Route in the Bachelor of Education degree is a continuing professional education program for adult educators and trainer instructing in various settings. The Adult Education Route will not qualify for Teacher Certification.

Admission Requirements

IV. Nonmatriculated Applicants

Subject Requirements
1. English Language Arts 30-1 or 6 in transferable English at the 100-level
2. Another 30-level subject from Group A, B, or C (or equivalent).
3. Presentation of Faculty minimum average on (1)

institution may be granted as transfer credit toward any Bachelor of Education program where applicable.

The year of program to which an applicant is admitted depends on the number of transferable credits applicable to the BEd program for which they have applied.

Year 2: ★24 or more but less than ★60
Year 3: ★60

III. After-Degree Applicants

General Requirements
All applicants must present the following:
1. A three- or four-year degree from an accredited postsecondary institution.
2. An Admission GPA (AGPA) of at least 2.0, or equivalent, based on the most recent graded and transferable 24.

BEd/AD programs in the Elementary and Secondary Routes vary in length (see §73.7.1). The length of the program will depend on the courses that a student presents at the time of admission.

The Elementary After Degree program is normally two years in length. The Secondary After Degree program length will depend on the courses presented at the time of admission.

1. Adult Route: Individuals with a degree from a certified and recognized university or college must present the following:
   a. Provide documentation of a minimum of one year of work experience or the equivalent in adult education (e.g., full-time teaching/training, part-time instruction or community work, volunteer teacher/training) in the area of their major after acquiring their degree and within the past ten years.
   b. Meet the minimum GPA (minimum of 2.0 on the University of Alberta Grading Scale) on at least 24 of most recent transferable courses.

   Successful applicants admitted to the BEd/AD – Adult Route will be awarded Advanced Standing of 30, see §75.2.2.

   The Adult Education Route in the Bachelor of Education degree is a continuing professional education program for adult educators and trainer instructing in various settings. The Adult Education Route will not qualify for Teacher Certification.

IV. Nonmatriculated Applicants

Subject Requirements
1. English Language Arts 30-1 or 6 in transferable English at the 100-level
2. Another 30-level subject from Group A, B, or C (or equivalent).
and (2), and a competitive AGPA if any postsecondary-level coursework is presented.

(4) Presentation of no more than ★21 of postsecondary-level coursework.

Any applicant who has successfully completed ★24 or more at the postsecondary level will be considered a transfer applicant (see §§14.2.1 and 15.6.1).

V. Admission of Aboriginal Applicants

The Faculty of Education encourages Aboriginal students’ study toward the Bachelor of Education degree. The Faculty recognizes that Aboriginal applicants (including status and non-status Indians, Inuit, and Métis) have traditionally been under-represented in the teaching field. To assist more Aboriginal students to achieve education degrees, the Admissions Committee will consider additional qualified applicants over and above the Aboriginal students who may be admitted in the regular competition for places in the Faculty. Until the Aboriginal enrolment of the Faculty reaches 10% of total enrolment, up to 5% of admissions to the Faculty will be allocated to Aboriginal applicants. Aboriginal students who wish to be considered for these places must attain the minimum admission requirements of their chosen route. Also see §14.1.

VI. Readmission After an Absence of 12 Months or Longer

A candidate returning to the Faculty of Education after a break of 12 months or longer must apply and compete for readmission unless prior approval to stop out was granted, in which case only application for readmission is necessary.

VII. Special Students

See §12.2(7).

To be considered for admission as a Special Student in the Faculty of Education, applicants must normally

(1) Possess a Bachelor of Education degree from an accredited postsecondary institution;

(2) Present a minimum AGPA of 2.0;

(3) Be in satisfactory standing in their previous postsecondary institution;

(4) Meet the English Language proficiency requirements as specified in §13.3.

In certain circumstances, practising teachers from outside Alberta may be admitted as Special Students to meet the certification requirements specified by the Alberta Department of Education. Students in these cases must be recommended by the Teacher Certification and Development Branch of Alberta Education.

Priority in admissions is given to applicants to degree programs.

(3) Presentation of Faculty minimum average on (1) and (2), and a competitive AGPA if any postsecondary-level coursework is presented.

(4) Presentation of no more than ★21 of graded and transferable postsecondary-level coursework.

Any applicant who has successfully completed ★24 of graded and transferable postsecondary-level coursework or more at the postsecondary level will be considered a transfer applicant (see §§14.2.1 and 15.6.1).

V. Admission of Aboriginal Applicants

The Faculty of Education encourages Aboriginal students’ study toward the Bachelor of Education degree. The Faculty recognizes that Aboriginal applicants (including status and non-status Indians, Inuit, and Métis) have traditionally been under-represented in the teaching field. To assist more Aboriginal students to achieve education degrees, the Admissions Committee will consider additional qualified applicants over and above the Aboriginal students who may be admitted in the regular competition for places in the Faculty. Until the Aboriginal enrolment of the Faculty reaches 10% of total enrolment, up to 5% of admissions to the Faculty will be allocated to Aboriginal applicants. Aboriginal students who wish to be considered for these places must attain the minimum admission requirements of their chosen route. Also see §14.1.

VI. Readmission After an Absence of 12 Months or Longer

A candidate returning to the Faculty of Education after a break of 12 months or longer must apply and compete for readmission unless prior approval to stop out was granted, in which case only application for readmission is necessary.

VII. Special Students

See §12.2(7).

To be considered for admission as a Special Student in the Faculty of Education, applicants must normally

(1) Possess a Bachelor of Education degree from an accredited postsecondary institution;

(2) Present a minimum AGPA of 2.0;

(3) Be in satisfactory standing in their previous postsecondary institution;

(4) Meet the English Language proficiency requirements as specified in §13.3.

In certain circumstances, practising teachers from outside Alberta may be admitted as Special Students to meet the certification requirements specified by Alberta Education. Students in these cases must be recommended by the Teacher Certification and Development Branch of Alberta Education.

Priority in admissions is given to applicants to degree programs.
Priority in course registrations is given to students who have been admitted to degree programs.

**VIII. Visiting Students**

Students from other postsecondary institutions are eligible to be considered for admission to the Faculty of Education as Visiting Students if

1. They are registered in an Education degree/transfer program at their home institution;
2. They have completed a minimum of 24 units at their home institution;
3. They present a minimum AGPA of 2.0;
4. Their academic record shows satisfactory standing;
5. Their home institution provides a letter of permission.

**Notes**

1. Normally, Visiting Students are not permitted to register for Field Experience courses. To arrange for a school placement, students must ask their home institution to contact the Professional Officer, Field Experiences, before they apply.
2. A Visiting Student applicant who has had two or more unsuccessful attempts in any previous Field Experience course(s), at any institution(s), will not be allowed to register in EDFX courses.

**IX. Applicants Who Have Previously Been Required to Withdraw**

Applicants who have been twice required to withdraw from any postsecondary program(s) or institution(s) will not be considered for admission or readmission to the Faculty of Education.

# 15.9.10 Bachelor of Science in Radiation Therapy

## Entrance Requirements

### I. Preprofessional Year

Those wanting to enrol in the BSc Radiation Therapy program must complete a preprofessional year before applying for admission to the Faculty. The required courses or their transfer equivalents are available at various postsecondary institutions in Alberta. Preference will be given to Alberta applicants; however applicants from other provinces may also be considered. Students should, where possible, take the preprofessional requirements (equivalent to ★30 at the University of Alberta) as one year of full-time study.

### II. Academic Requirements

A minimum of ★30 are required. The appropriate courses would include the following:

(1) English (★3)
(2) Human Anatomy (★3)
(3) Physics (★6)
(4) Psychology and/or Sociology (★6 in any combination)
(5) Mathematics (Calculus) (★3)
(6) Cell Biology (★3)
(7) General Chemistry (★3)
(8) Organic Chemistry (★3)

### III. Other Requirements

1. **Selection Process:** A minimum GPA of 3.2 is required in preprofessional course work. All preprofessional courses are prerequisites for senior courses, thus deficiencies would normally have to be made up. Deficiencies will be assessed and a plan of action will be identified by the Radiation Therapy program office. The selection process is competitive, and applicants will be ranked primarily on academic achievement in the prerequisite courses. Other factors considered in ranking include overall academic achievement (emphasizing recent academic performance), a demonstrated ability to perform well in a consecutive Fall/Winter session of full-time study (preferably 30 units), a personal interview, and a career reflection letter.

study (preferably 30 units), a personal interview, and a career reflection letter.

(2) **Spoken Language Requirement:** Besides demonstrating overall English language proficiency, students need a further level of spoken English proficiency regardless of citizenship status or country of origin. (See § 13.3).

(3) **Career Reflection Letter:** Applicants must submit a career reflection letter outlining evidence of personal reflection regarding their career choice, professional goals, personal skills and attributes, knowledge of the profession, related experience, and reasons for seeking admission to the Radiation Therapy program. (See § 12.7.)

(4) **Personal Interview:** Interview selection is based on postsecondary academic records and a career reflection letter received by April 1 (see § 12.7). Selected applicants will be interviewed to determine if they have the personal qualities necessary for the profession. The interview evaluates an applicant's empathy, communication, teamwork, reflection, problem-solving, prioritization and organization. Short-listed applicants will be advised of the interview date.

(5) **Criminal Record checks:** Applicants should be aware that under the Alberta Protection of People in Care Act, they will be required to satisfy a criminal record check once they are accepted into the Radiation Therapy program. (Refer to § 23.8.3.)

(6) **Final Selection:** Final admission decisions are made by the Radiation Therapy Admissions Committee.

(7) **Deposit:** Upon notification of acceptance, applicants will be required to confirm their intention to register by submitting a nonrefundable deposit within a specified time. The deposit will be credited toward payment of tuition upon completion of registration.

(8) **Note:** the following requirement applies to applicants beginning the program in 2015-2016. **Citizenship:** Applicants must be Canadian citizens or Permanent Residents of Canada on or before the deadline date for applications. A notarized copy of proof of Canadian citizenship or Permanent Resident status must be submitted with the application for admission.

(9) **Technical Standard:** Students who are admitted to this program will satisfy the Technical Skills Policy. IV. **Aboriginal Applicants**

The Department of Oncology will provide up to one position within the quota for the BSc Radiation Therapy program to Aboriginal applicants. Students of Aboriginal ancestry within the meaning of the Constitution Act, 1982, Section 35, Part 2, or a person accepted by one of the Aboriginal peoples of Canada as a member of their community, will be considered in this category.

Candidates will be subject to normal minimum admission requirements as outlined in §15.9.10 and approval by the Radiation Therapy Admissions Committee. If there are no qualified Aboriginal applicants in any given year, the position will be allocated to the general applicant pool.

Aboriginal applicants should contact the Department of Oncology in the Faculty of Medicine and Dentistry for career planning.

---

these requirements should consult with the program office immediately and prior to the acceptance deadline. Students whose skills and abilities change during their studies must declare this change to the program designate immediately. The program will attempt to provide reasonable accommodation, however the student may be required to withdraw from the program if this is not possible.

---

IV. **Aboriginal Applicants**

The Department of Oncology will provide up to one position within the quota for the BSc Radiation Therapy program to Aboriginal applicants. Students of Aboriginal ancestry within the meaning of the Constitution Act, 1982, Section 35, Part 2, or a person accepted by one of the Aboriginal peoples of Canada as a member of their community, will be considered in this category.

Candidates will be subject to normal minimum admission requirements as outlined in §15.9.10 and approval by the Radiation Therapy Admissions Committee. If there are no qualified Aboriginal applicants in any given year, the position will be allocated to the general applicant pool.

Aboriginal applicants should contact the Department of Oncology in the Faculty of Medicine and Dentistry for career planning.
The following apply to students in the Bachelor of Science in Radiation Therapy.

(1) **Grades**

a. The means of assessing a student’s progress and determining a student’s grades may vary from one course to another, according to the nature of the course. Factors other than examination results may be used to a variable extent by instructors in determining grades. Students are informed at the beginning of each course how grades are to be determined.

b. Students must satisfactorily complete all components of all courses.

(2) **Promotion and/or Continuation**

a. Progression in the program is term by term. Accordingly, all students in a particular co-hort of the program normally should be registered in the same courses in each term (see §114.7). Students will not normally register in any core (i.e., non-elective) courses from a particular term of the program until they have satisfactorily completed core courses from the previous term of the program.

b. A student who is awarded First-Class Standing or Satisfactory Standing, as defined below, will normally qualify for promotion:

   i. **First-Class Standing**: Awarded to a student who obtains a GPA of 3.5 or above and passes all courses while enrolled in the full normal academic/clinical course load in that term.

   ii. **Satisfactory Standing**: For promotion, a student must pass all courses and obtain a minimum GPA of 2.7 while enrolled in the full normal academic/clinical course load in that term.

   iii. **Conditional Standing**: Conditional Standing will be assigned to a student who receives a grade of F, D, D+, C-, C, or C+ in any course within the program. A student who is assigned Conditional Standing will be placed on Academic Warning and must retake and pass the failed course. Other courses are to be taken, up to a normal course load, as scheduling permits and as approved by the Faculty.

   iv. Students on Academic Warning as a result of acquiring Conditional Standing will clear their Academic Warning upon passing the repeated
course and will qualify for promotion if they achieve Satisfactory Standing on the basis of all courses taken during the following term. Students who fail a course a second time will be required to withdraw from the program.

d. Required to Withdraw: Any student who:
   i) fails more than one academic course per program year (program year includes Fall, Winter, and Spring/Summer terms)
   ii) fails any clinical course;
   iii) is unable to obtain a minimum GPA of 2.7 in any term;
   iv) is unable to clear their Academic Warning status is required to withdraw from the program. Such students are not normally readmitted to the program.

e. Probation: Students who have been required to withdraw and who have successfully appealed that decision will be placed on Probation and required to repeat the full program year.

To clear probation and qualify for promotion, the student must achieve Satisfactory Standing in all terms during the probationary year. Students who fail to do so will be required to withdraw. Any student in a probationary year who fails a course in Fall Term will be required to withdraw immediately and subsequent registration will be cancelled.

Only one year of probation is allowed while registered in the BSc in Radiation Therapy program.

e. Probation: Students who have been required to withdraw and who have successfully appealed that decision will be placed on Probation and required to repeat the full program year.

To clear probation and qualify for promotion, the student must achieve Satisfactory Standing in all terms during the probationary year. Students who fail to do so will be required to withdraw. Any student in a probationary year who fails a course in Fall Term will be required to withdraw immediately and subsequent registration will be cancelled. Only one year of probation is allowed while registered in the BSc in Radiation Therapy program.
Clinical Performance:

(3) a. A student who is absent more than two clinical days in any one clinical course may need to make up the lost time before being allowed to continue in the program.

b. The Program Director, or designate acting on behalf of the Program Director, may immediately deny assignment of a student to, withdraw a student from, or vary terms, conditions or site of a practicum/clinical placement if the Program Director or designate has reasonable grounds to believe that this is necessary in order to protect the public interest. (See §23.8.2 Practicum Intervention Policy).

c. All students enrolled in the Radiation Therapy program are bound by, and shall comply with the Professional Codes of Ethics governing the profession and practice of Radiation Therapy.

i) “Professional Codes of Ethics” means the current Canadian Association of Medical Radiation Technologists (CAMRT), Alberta College of Medical Diagnostic and Therapeutic Technologists (ACMDTT), and all other relevant professional codes and practice standards for Radiation Therapists.

ii) It is the responsibility of each Radiation Therapy student to obtain, and be familiar with, such Professional Codes of Ethics and practice standards, and their amendments as may be made from time to time. (See §30.3.3 of the Code of Student Behaviour). Amendments to the Code of Student Behaviour occur throughout the year. The official version of the code of Student Behaviour, as amended from time to time, is housed on the University Governance website at www.governance.ualberta.ca.

(4) Voluntary Withdrawal:

A student in the Radiation Therapy Program wishing to temporarily withdraw is required to make written application to the Radiation Therapy Program Director, stating the reasons for withdrawal. Readmission to the Radiation Therapy Program following voluntary withdrawal will be based on the following:

a. Review, by the Faculty of the reasons for withdrawal and the student’s academic record;

b. Availability of a place, within quota, in the class to which the student is seeking readmission. Priority will be assigned in the following order: Students who have met normal promotion requirements, Faculty approved repeating students.

(3) Clinical Performance:

a. A student who is absent more than two clinical days in any one clinical course may need to make up the lost time before being allowed to continue in the program.

b. The Program Director, or designate acting on behalf of the Program Director, may immediately deny assignment of a student to, withdraw a student from, or vary terms, conditions or site of a practicum/clinical placement if the Program Director or designate has reasonable grounds to believe that this is necessary in order to protect the public interest. (See §23.8.2 Practicum Intervention Policy).

c. All students enrolled in the Radiation Therapy program are bound by, and shall comply with the Professional Codes of Ethics governing the profession and practice of Radiation Therapy.

i) “Professional Codes of Ethics” means the current Canadian Association of Medical Radiation Technologists (CAMRT), Alberta College of Medical Diagnostic and Therapeutic Technologists (ACMDTT), and all other relevant professional codes and practice standards for Radiation Therapists.

ii) It is the responsibility of each Radiation Therapy student to obtain, and be familiar with, such Professional Codes of Ethics and practice standards, and their amendments as may be made from time to time. (See §30.3.3 of the Code of Student Behaviour). Amendments to the Code of Student Behaviour occur throughout the year. The official version of the code of Student Behaviour, as amended from time to time, is housed on the University Governance website at www.governance.ualberta.ca.

(4) Voluntary Withdrawal:

A student wanting to temporarily withdraw registration from the Radiation Therapy Program is required to make written application to the Program Director of the Radiation Therapy Program, stating the reasons for withdrawal and the intended period of withdrawal. Each request will be considered on a case by case basis. Readmission to the Radiation Therapy Program following voluntary withdrawal will be assessed on a case by case basis. Readmission is not guaranteed due to quota. If the length of time the student interrupts their studies exceeds two years, the student will not be granted readmission into the Radiation Therapy Program.
and students returning after voluntary withdrawal, in order of academic standing.

c. The length of time the student interrupts studies leading to the Bachelors of Science in Radiation Therapy must not exceed one year in total.

(5) Faculty Advisor: At the discretion of the Faculty, a Faculty advisor may be assigned to students having difficulty meeting promotion requirements. The method of assignment and the role of the Faculty advisor is determined by the Faculty.

(6) Reexamination: See §23.5.5

a. Reexamination is not permitted in clinical courses.

b. Students who fail more than one academic course in any full program academic year (Fall, Winter, Spring/Summer Terms) are not allowed reexamination privileges.

c. The Department of Oncology Education Committee must approve reexaminations.

d. If a reexamination is approved, satisfactory completion of a remedial program may be required by the Faculty of Medicine and Dentistry Academic Standing and Promotion Committee before the student is permitted to take the reexamination.

e. Students are advised that it is not possible to make a ruling regarding remediation or reexamination until all grades for a term are received and recorded.

f. The weight of reexamination is at least that of the final examination.

g. The reexamination mark (as in the case of a deferred mark) will replace the original final exam mark.

h. Any student who, after reexamination and/or evaluation fails to meet promotion/graduation requirements is deemed to have failed the year and will not be allowed to continue in the program.

i. A student who does not take a reexamination within the time period prescribed by the Faculty will not be allowed to continue in the program.

(7) Graduation:

a. Academic Performance for Graduation: Students must achieve Satisfactory Academic Standing or First Class Standing in their final year of the program; successfully complete all program requirements; and present a graduation average of at least 2.7. The graduation average is a cumulative measure of a student’s grade points obtained while registered in the program in all years and terms, including Spring/Summer. It is the

(5) Faculty Advisor: At the discretion of the Faculty, a Faculty advisor may be assigned to students having difficulty meeting promotion requirements. The method of assignment and the role of the Faculty advisor is determined by the Faculty.

(6) Reexamination: See §23.5.5

a. Reexamination is not permitted in clinical courses.

b. Students who fail more than one academic course in any full program academic year (Fall, Winter, Spring/Summer Terms) are not allowed reexamination privileges.

c. The Director of the Radiation Therapy Program must approve reexaminations.

d. If a reexamination is approved, satisfactory completion of a remedial program may be required by the Radiation Therapy Program Academic Standing and Promotion Committee before the student is permitted to take the reexamination.

e. Students are advised that it is not possible to make a ruling regarding remediation or reexamination until all grades for a term are received and recorded.

f. The weight of reexamination is at least that of the final examination.

g. The reexamination mark (as in the case of a deferred mark) will replace the original final exam mark.

h. Any student who, after reexamination and/or evaluation fails to meet promotion/graduation requirements is deemed to have failed the year and will not be allowed to continue in the program.

i. A student who does not take a reexamination within the time period prescribed by the Faculty will not be allowed to continue in the program.

(7) Graduation:

a. Academic Performance for Graduation: Students must achieve Satisfactory Academic Standing or First Class Standing in their final year of the program; successfully complete all program requirements; and present a graduation average of at least 2.7. The graduation average is a cumulative measure of a student’s grade points obtained while registered in the program in all years and terms, including Spring/Summer. It is the
quotient of (a) the total number of grade points earned by a student in courses credited to the degree and (b) the total weight of those courses.

b. The notation of “With Distinction” is awarded to a graduating student who has obtained an average GPA of 3.5 or higher and no failing grades over the entire program.

(8) Clinical Placement Policies and Requirements: All students must comply with all Clinical Placement Policies and Requirements.

a. Clinical Placements can be made at any cancer centre in Alberta that provides radiation therapy services (Cross Cancer Institute in Edmonton, Tom Baker Cancer Centre in Calgary, Jack Ady Cancer Centre in Lethbridge, or in future sites in Red Deer and Grande Prairie. Students are responsible for their transportation to clinical placements and for the costs of travel, living and accommodations.

b. Students must purchase a lab coat and may wish to purchase uniforms for the clinical courses during the program.

c. Valid certification of CPR (Cardiopulmonary Resuscitation) at the Healthcare Provider Level and the Basic Life Support Training (Level C) is required and must be maintained throughout the program. A CPR-Healthcare Provider certificate is valid for one year from the date of the course. Evidence of recertification in each subsequent year is required.

d. Health Status: All students admitted to the Radiation Therapy Program must be capable of completing the physical activities and responsibilities required in clinical simulation and clinical practice.

e. Medical Testing and Immunization: To ensure, insofar as possible, both student and patient safety, the Faculty requires immunization against, or proof of immunity to, poliomyelitis, diphtheria, tetanus, pertussis, measles, mumps, rubella, and hepatitis B. As well varicella screening and a two-step tuberculin skin test in required in the first year of the program and should be performed by the University Health Centre. Requirements: See §113.2.6.

terms, including Spring/Summer. It is the quotient of (a) the total number of grade points earned by a student in courses credited to the degree and (b) the total weight of those courses.

b. The notation of “With Distinction” is awarded to a graduating student who has obtained an average GPA of 3.5 or higher and no failing grades over the entire program.

(8) Clinical Placement Policies and Requirements: All students must comply with all Clinical Placement Policies and Requirements.

a. Clinical Placements can be made at any cancer centre in Alberta that provides radiation therapy services (Cross Cancer Institute in Edmonton, Tom Baker Cancer Centre in Calgary, Jack Ady Cancer Centre in Lethbridge, or in future sites in Red Deer and Grande Prairie. Students are responsible for their transportation to clinical placements and for the costs of travel, living and accommodations.

b. Students must purchase a lab coat and may wish to purchase uniforms for the clinical courses during the program.

c. Valid certification of CPR (Cardiopulmonary Resuscitation) at the Healthcare Provider Level is required and must be maintained throughout the program. A CPR-Healthcare Provider certificate is valid for one year from the date of the course. Evidence of recertification in each subsequent year is required.

d. Technical Standard: Students whose skills and abilities change during their studies must declare this change to the program designate for clinical placements immediately. The program will attempt to provide reasonable accommodation, however the student may be required to withdraw from the program if this is not possible.

e. Medical Testing and Immunization: To ensure, insofar as possible, both student and patient safety, the Faculty requires immunization against, or proof of immunity to, poliomyelitis, diphtheria, tetanus, pertussis, measles, mumps, rubella, and hepatitis B. As well varicella screening and a two-step tuberculin skin test in required in the first year of the program and should be performed by the University Health Centre. Requirements: See §113.2.6.
f. Hepatitis B Virus (HBV): Hepatitis B antigen testing will be performed by the University Health Centre on all students after acceptance in to the program. Students who test negative for Hepatitis B surface antigen (HbsAg), Hepatitis B vaccination will be required. An exception will be made for those for whom is medically contraindicated or for those individuals who have proof of prior vaccination and test positive for antibody to Hepatitis B surface antigen (anti-HBs). After vaccination, students will receive a second test to determine if they have converted to produce the appropriate antibody titre. If they have not converted they will receive a second vaccination and again be tested. Those students who then fail to convert will be counselled as their potential risk status during training and future practice.

For students who test positive for Hepatitis B surface antigen their “e” antigen (HbeAg) status and the presence of Hepatitis B viral DNA will be determined. If they are found to be positive for the “e” antigen or the viral DNA they will be counselled as to their risk of infecting patients.

g. Human Immunodeficiency Virus (HIV) and Hepatitis C Virus (HCV): The data indicates that transmission of the human immunodeficiency virus (HIV) and Hepatitis C (HCV) from health care worker (HCW) to a patient in a health care setting is extremely rare, although transmission from patients to a HCW is more common. Therefore, all students accepted into the Faculty of Medicine and Dentistry are encouraged to undergo HIV and HCV testing upon admission and at any time during their program when concerns about infection have arisen, but testing for HIV or HCV is not mandatory at the time.

Note: For updates on changes to medical testing and immunization refer to the Faculty Office.

h. N-95 Respirator Fit Testing: Students are required to be fit tested for N 95 respirators. Check with the Faculty office for the procedures to schedule this fit testing. The associated costs are the responsibility of the student.

i. Criminal Records Check: Students should be aware that under the Alberta Protection of People in Care Act, they will be required to satisfy a criminal records check Refer to §23.8.3.

j. The Program Director, or Designate acting on behalf of the Program Director, may determine if they test positive for antibody to Hepatitis B surface antigen (anti-HBs). After vaccination, students will receive a second test to determine if they have converted to produce the appropriate antibody titre. If they have not converted they will receive a second vaccination and again be tested. Those students who then fail to convert will be counselled as their potential risk status during training and future practice.

For students who test positive for Hepatitis B surface antigen their “e” antigen (HbeAg) status and the presence of Hepatitis B viral DNA will be determined. If they are found to be positive for the “e” antigen or the viral DNA they will be counselled as to their risk of infecting patients.

g. Human Immunodeficiency Virus (HIV) and Hepatitis C Virus (HCV): The data indicates that transmission of the human immunodeficiency virus (HIV) and Hepatitis C (HCV) from health care worker (HCW) to a patient in a health care setting is extremely rare, although transmission from patients to a HCW is more common. Therefore, all students accepted into the Faculty of Medicine and Dentistry are encouraged to undergo HIV and HCV testing upon admission and at any time during their program when concerns about infection have arisen, but testing for HIV or HCV is not mandatory at the time.

Note: For updates on changes to medical testing and immunization refer to the Faculty Office.
### Rationale:

- Adding lab times
- Updating course descriptions to more accurately match course content
- Changing course timetabling
- Adding a Technical Standards section to reflect Program requirements
- Updating "Promotion and Academic" and "Voluntary Withdrawal" sections to more accurately match Program policy
- Clarification of Criminal Records Check, CPR requirements, and N95 mask fitting procedures
114.11 Degree of Bachelor of Medical Science

The degree of Bachelor of Medical Science may be awarded to students in the DDS or MD program at the end of the second year of that program who have fulfilled the following requirements at this or another university:

First and Second Year

Prerequisite courses required for entrance to the DDS or MD program.

Third and Fourth Year

Preclinical (Years 1 and 2) of the DDS or MD program.

Provisions

1. None of the courses in the first and second year has been used for credit toward another degree.
2. At least the final two years have been taken at the University of Alberta.
3. All courses have been successfully completed.

Rationale: Elimination of prerequisite course requirements to the MD program.

### Degree With Distinction

The Degree “With Distinction” is granted to students who obtain a minimum GPA of 3.5 in each of the final two years (third and fourth years) of the program, in each of which the student must take a minimum of 18 credits during Fall/Winter. Post-Diploma Degree Completion students are not eligible to receive the Degree With Distinction.

### 173.3 Credit by Special Assessment

A student admitted to a degree program in the Faculty of Rehabilitation Medicine may receive degree credit in a limited number of courses for knowledge or skill obtained in either a university or non-university context. “Non-university context” may include work completed at institutions not accredited for degree purposes or work experience that relates to university courses. The following conditions apply:

1. **Limitations**
   - **Number of courses allowed:** Normally, only 12 obtained by special assessment may be applied to a four-year degree program in the Faculty of Rehabilitation Medicine. In exceptional circumstances, on the recommendation of a Department Chair, the Dean may permit additional credits by special assessment.
   - **A student may attempt credit by special assessment only once for each course.**
   - **Courses not accepted:** Graduate courses and certain undergraduate courses cannot be attempted by special assessment. Please contact Department concerned for courses in this category.
   - **Special Students may not take courses under this category.**

2. **Timing of Assessment (Deadlines):** Examination or assessment must be completed three months from the date of application for credit by special assessment. Unless extenuating circumstances exist, students who do not complete assessment requirements by the specified deadline are considered to have cancelled their application and must reapply if they want to complete that assessment.

3. **Transfer of “Credit by Special Assessment”:** Students who have obtained credits by special assessment (or similar means) while enrolled in another university, college, Faculty, or school are given advance credit in such courses only to the extent that the Faculty of Rehabilitation Medicine accepts such courses in its degree programs.

4. **Grades Assigned to Special Assessment Courses:** In a course attempted by special assessment, the results are recorded either as a grade point or pass/fail according to the practice in the regular course. Students may not appeal the results in a course attempted by special assessment. Courses attempted by special assessment and failed are recorded on students’ transcripts and computed into their academic records.

5. **Fees:** For information regarding fees, please refer to §22.2.

### 173.3 Transfer Credit, Course Exemption/Substitution and Credit by Special Assessment

Refer to 203.5 for the policy defined by the Faculty of Graduate Studies and Research.

No definite and final ruling concerning admission can be given until all certificates and transcripts of standing have been reviewed. The Faculté consults with and advises students regarding programs of study, but all decisions are unofficial and tentative until official documents have been received and evaluated.

### Deadlines for Admission and Readmission (see §12.7)

### 183.1.2 Admission Requirements

1. Average: Applicant must possess a minimum average of 70% on five appropriate Grade 12 subjects or equivalent.
2. French Language Proficiency: French is the language of instruction in all programs at Faculté Saint-Jean. Therefore, all applicants must possess an adequate knowledge of written and spoken French as a prerequisite to admission. Nonmatriculated applicants and Open Studies students must comply with the requirement along with other applicants. All applicants will be required to demonstrate proficiency in the French language prior to admission. This demonstration may take any one of several forms:

   a. successful completion of one of the following courses (Alberta Education curriculum):
      - Français 30-1, 30-2
      - French 30 (9 year), 31
      - French Language Arts 30-1, 30-2
      OR
   b. successful completion of four years of education in French. Such education can be in a combination of secondary and postsecondary training; OR
   c. graduation from a degree program offered by an accredited university at which French is the language of instruction.

   Detailed admission requirements for the various university programs are set out in §§13–17 of the University Calendar. Further information may be obtained from the Office of Admissions, Faculté Saint-Jean.

   Detailed admission requirements for the various university programs are set out in §§13–16 of the University Calendar. High school courses listed are based on Alberta Education curriculum. Prospective students from other provinces and territories should review the Admission Course Equivalents on the Registrar’s Office website at www.admissions.ualberta.ca for acceptable courses.
Requirements for the BA, BEd, BEd/BSc, BSc, BSc (Environmental and Conservation Sciences-Bilingual), BSc Nursing (Bilingual) programs

Bachelor of Arts Program
(1) One of French 30 (9 year), 31, Français 30-1, 30-2; French Language Arts 30-1, 30-2.

(2) Any language other than French, level 30. [For the competency requirements in English/second language see §183.1.14.] (See Note 1).

(3) Three subjects from Group A, B and/or C. A maximum of one subject in Group B may be presented for admission. Mathematics 30-2 may be used for admission, though some disciplines require Mathematics 30-1 as a prerequisite for required courses (see notes below). Only one of Mathematics 30-1 or Mathematics 30-2 will be used for admission. In order to maximize their future program and course choices, all students are encouraged to present a broad range of subjects across Group A and C.

(4) See additional requirements below for specific majors and minors.

Notes
(1) If a student presents French as a second language (30-level French Language Arts, 30-level French, or equivalent), the other 30-level language must be the school’s language of instruction. For example, a student residing in Alberta and attending a school where the language of instruction is English must present English Language Arts 30-1 for admission; a student residing in Mexico and attending a school where the language of instruction is Spanish must present the final Spanish language course for admission.

(2) If students choose Political Science as a major they should present Social Studies 30-1.

(3) If students choose Psychology as a major or a minor they should present Mathematics 30-1 or 30-2.

(4) If students choose Economics as a major they must present Mathematics 30-1, and presentation of Mathematics 31 is recommended. Mathematics 30-1 does not have to be included as one of the five 30-level courses used for admission, but Mathematics 30-1 is required as a prerequisite for some courses.

(5) If students choose Mathematics as a major they must present both Mathematics 30-1 and Mathematics 31.

Further information may be obtained from the Office of Admissions, Faculté Saint-Jean.

Requirements for the BA, BEd, BEd/BSc, BSc, BSc (Environmental and Conservation Sciences-Bilingual), BSc Nursing (Bilingual) programs

Mathematics 30-1 does not have to be included as one of the five 30-level courses used for admission, but Mathematics 30-1 is required as a prerequisite for some courses.

(5) If applicants choose Mathematics as a major they must present both Mathematics 30-1 and Mathematics 31.
For a minor in Mathematics, **students** should present Mathematics 30-1. These courses do not have to be included in the five 30-level courses used for admission, but are required as prerequisites for some courses.

(6) If **students** want to transfer to the Faculty of Business they must present Mathematics 30-1. This course does not have to be included as one of the five 30-level courses used for admission, but some of the courses required for admission to the Faculty of Business require Mathematics 30-1 as a prerequisite.

### Bachelor of Education Program

#### Elementary Admission Requirements

(1) One from Français 30-1, 30-2; French Language Arts 30-1, 30-2; French 30 (9 year).

(2) A language other than French, which may include a 30-level Aboriginal language recognized in Canada. (For the competency requirements in English/second language, see §183.1.14.) (See Note.)

(3) Three subjects from Group A, B and/or C. A maximum of one subject in Group B may be presented. Mathematics 30-2 may be used for admission to the Bachelor of Education (Elementary) program. However, only one of Mathematics 30-1 or Mathematics 30-2 will be used for admission purposes.

**Note:** If a student presents French as a second language (30-level French Language Arts, 30-level French, or equivalent), the other 30-level language must be the school’s language of instruction. For example, a student residing in Alberta and attending a school where the language of instruction is English must present English Language Arts 30-1 for admission; a student residing in Mexico and attending a school where the language of instruction is Spanish must present the final Spanish language course for admission.

#### Secondary Admission Requirements

(1) One from Français 30-1, 30-2; French Language Arts 30-1, 30-2; French 30 (9 year).

(2) A language other than French, which may include a 30-level Aboriginal language recognized in Canada. (For the competency requirements in English/second language, see §183.1.14.) (See Note.)

(3) Three subjects from Group A, B and/or C. A maximum of one subject in Group B may be presented.

For a minor in Mathematics, **applicants** should present Mathematics 30-1. These courses do not have to be included in the five 30-level courses used for admission, but are required as prerequisites for some courses.

(6) If **applicants** want to transfer to the Faculty of Business they must present Mathematics 30-1. This course does not have to be included as one of the five 30-level courses used for admission, but some of the courses required for admission to the Faculty of Business require Mathematics 30-1 as a prerequisite.

### Bachelor of Education Program

#### Elementary Admission Requirements

(1) One from Français 30-1, 30-2; French Language Arts 30-1, 30-2; French 30 (9 year).

(2) A language other than French, which may include a 30-level Aboriginal language recognized in Canada. (For the competency requirements in English/second language, see §183.1.14.) (See Note.)

(3) Three subjects from Group A, B and/or C. A maximum of one subject in Group B may be presented. Mathematics 30-2 may be used for admission to the Bachelor of Education (Elementary) program. However, only one of Mathematics 30-1 or Mathematics 30-2 will be used for admission purposes.

**Note:** If an applicant presents French as a second language (30-level French Language Arts, 30-level French, or equivalent), the other 30-level language must be the school’s language of instruction. For example, an applicant residing in Alberta and attending a school where the language of instruction is English must present English Language Arts 30-1 for admission; an applicant residing in Mexico and attending a school where the language of instruction is Spanish must present the final Spanish language course for admission.

#### Secondary Admission Requirements

**Omnibus Motion (Additional Motion 4H):**

**Motion 4H: Motion 4K:** THAT the GFC Academic Standards Committee recommend to the GFC Academic Planning Committee proposed admission/transfer requirements for the new Bachelor of Science (BSc) with Honors in Mathematics and Finance program, as submitted by the Faculty of Science and as set forth in Attachment H, to be effective in 2015-2016.

[Note: The academic standing/graduation requirements for this Honors program were approved by the GFC Academic Standards Committee (ASC), acting under GFC-delegated authority, at the Committee’s November 20, 2014 meeting.]

**Legislation relevant specifically to Item 4H:**

**GFC Academic Standards Committee (ASC) Terms of Reference (Mandate):** The Office of the Provost and Vice-President (Academic) has determined that Item 4H is considered ‘substantial’ in nature.

Section 3 of GFC ASC’s Terms of Reference state:

**A. Definitions**

[...]

ii. "Substantial"

In the responsibilities which follow, the term "substantial" refers to proposals which involve or affect more than one Faculty or unit; are part of a proposal for a new program; are likely to have a financial impact; represent a definite departure from current policy; involve a quota; articulate a new academic concept.

[...]

**B. Admission and Transfer, Academic Standing, Marking and Grading, Term Work, Examinations, International Baccalaureate (IB), Advanced Placement (AP)**

i. All proposals from the Faculties or the Administration related to admission and transfer, to the academic standing of students, to institutional marking and grading policies and/or procedures and to term work policies and procedures are submitted to the Provost and Vice-President (Academic) (or delegate) who chairs the GFC Academic Standards Committee. ASC will consult as necessary with the Faculties and with other individuals and offices in its consideration of these proposals. (GFC 29 SEP 2003) (GFC 31 MAY 2005) (EXEC 04 DEC 2006)

[...]

iv. ASC provides advice or recommends to the GFC Academic Planning Committee (APC) on proposals which involve substantial change to admission/transfer regulations or to academic standing regulations.

<td>1. Post-Secondary Learning Act (PSLA): The PSLA gives GFC responsibility, subject to the authority of the Board of Governors, over academic affairs. Further, the PSLA gives the Board of Governors authority over certain admission requirements and rules respecting enrolment. The Board has delegated its authority over admissions requirements and rules respecting enrolment to GFC and the GFC ASC. (Sections 26(1), 60(1)(c) and (d)).</td>
</tr>
<tr>
<td></td>
<td>2. GFC Academic Standards Committee (ASC) Terms of Reference (Mandate): GFC delegated authority to ASC to approve “proposals for the establishment of and termination of credit and non-credit certificates, regardless of the proposing academic unit. Where additional funding and/or space is required to support the offering of the proposed certificate and/or if, in the opinion of the Provost and Vice-President (Academic) (or delegate), the certificate requires Government approval, ASC would provide a recommendation on the (proposed) initiative to the GFC Academic Planning Committee (APC).” (3.G.).</td>

admission of students to the faculty” (29(1)(c)).

4. **UAPPOL Admissions Policy**: “Admission to the University of Alberta is based on documented academic criteria established by individual Faculties and approved by GFC. These criteria may be defined in areas such as subject requirements, minimum entrance averages, and language proficiency requirements. In addition to academic requirements for admission, GFC authorizes each Faculty to establish such other reasonable criteria for admission of applicants as the Faculty may consider appropriate to its programs of study, subject to the approval of GFC (e.g. interview, audition, portfolio, etc.)

The admission requirements for any Faculty will be those approved by GFC as set forth in the current edition of the *University Calendar*. In addition to the admission requirements, selection criteria for quota programs, where they exist, will also be published in the current edition of the *University Calendar*.

The responsibility for admission decisions will be vested in the Faculty Admission Committees or in the Deans of the respective Faculties, as the councils of such Faculties will determine.”

5. **UAPPOL Admissions Procedure**:

“**PROCEDURE**

1. **EFFECTIVE DATE OF CHANGES TO ADMISSION REGULATIONS**

   Following approval by GFC:

   a. Where changes to admission regulations may disadvantage students in the current admission cycle, normally implementation will be effective after the change has been published in the *University Calendar* for one full year (i.e., effective the second year that the information is published in the *University Calendar*).

   For example, a change approved in May 2005 would be first published in the 2006-2007 *University Calendar* in March 2006. Therefore the statement cannot come into effect until September 2007 (affecting applicants who apply for the September 2007 term beginning July 2006).

   b. Where changes to admission regulations are deemed by the approving body to be ‘advantageous to students’, normally the date of implementation will be effective immediately or at the next available intake for the admitting Faculty.”

6. **PSLA**: The *PSLA* gives Faculty Councils the authority to “determine the conditions under which a student must withdraw from or may continue the student’s program of studies in a faculty” (Section 29(1)(d)).

7. **UAPPOL Academic Standing Policy**: “All current academic standing regulations, including academic standing categories, University graduating standards and requirements for all individual programs will be those prescribed by Faculty Councils and GFC as set forth in the
University Calendar.

8. **UAPPOL Academic Standing Regulations Procedures**: “All proposed new academic standing regulations and changes to existing academic standing regulations will be submitted by the Faculties or the Administration to the Provost and Vice-President (Academic). Faculties will also submit to the Provost and Vice-President (Academic) any proposed changes to the use and/or computation of averages relating to academic standing, including promotion and graduation.

If the Provost and Vice-President (Academic) determines the proposal to be in good order, the proposal will be introduced to the appropriate University governance process(es). In considering these proposals, governance bodies will consult as necessary with the Faculties and with other individuals and offices.

Normally, changes become effective once they are approved by GFC or its delegate and are published in the University Calendar.”

9. **GFC Academic Standards Committee (ASC) Terms of Reference** *(Mandate)*: The Office of the Provost and Vice-President (Academic) has determined that the proposed changes are editorial in nature. ASC’s terms of reference provide that “the term ‘routine and/or editorial’ refers to proposals which do not involve or affect other Faculties or units; do not form part of a proposal for a new program; and do not involve alteration of an existing quota or establishment of a new quota. Editorial or routine changes include any and all changes to the wording of an admissions or academic standing policy” (3.A.i).

Further, “ASC acts for GFC in approving routine and/or editorial changes to both admissions/transfer policies and academic standing regulations” (Section 3.B.ii).

10. **GFC Academic Standards Committee Subcommittee on Standards (SOS) Terms of Reference** *(Mandate)*: “To review and make recommendations to the GFC Academic Standards Committee (ASC) with respect to a number of issues which affect all students at the University of Alberta. These include, but are not limited to:

   a. examination policy
   b. academic definitions
   c. academic standing regulations
   d. admission/transfer requirements

   Consideration of areas in which greater standardization would benefit the University could result in: a) the institution being more easily understood by students, staff, and the general public, and b) the introduction of more efficient practices that may result in economies.”

This template is to be used for proposals calling for the establishment of new University of Alberta embedded credit certificates. Embedded credit certificates are taken concurrently with a degree program of the University of Alberta. (Certificate in Peace and Post-Conflict Studies offered by the Faculty of Arts)

Governance: Embedded credit certificates are approved by the following route: Faculty Council, GFC Academic Standards Committee (ASC) Sub-committee on Standards (SOS), GFC ASC. In the event that the certificate proposal includes significant resource implications, the certificate will also be sent to GFC APC for approval.

Commission Member classification training courses, and *12 from the approved list of courses. As this is an embedded certificate, the Certificate will only be awarded at the same time as an undergraduate degree.

This is a Faculty of Arts certificate that is open to students in any faculty at the University. Currently, all courses on the approved list of courses are offered by the Faculty of Arts (see Appendix A). Basic Officer or Non-Commissioned Member training falls solely under the authority of the Canadian Armed Forces.

Students will pay regular tuition consistent with their program of choice; however, students enrolled in the Canadian Armed Forces will qualify for pay and benefits, including tuition assistance of up to $2,000 per year, as members of their Army Reserve unit.

In terms of further educational and career options, graduates of the Certificate program will have three choices:

• apply for a transfer to the Regular Force (full-time) and continue with a career in the Canadian Armed Forces; or,
• continue with an Army Reserve (part-time) career with the Canadian Armed Forces; or
• utilize the learning outcomes of the certificate and apply these to a career outside of Canadian Armed Forces.

Section B: Rationale, Implications and Impact

Rationale for Introduction of Certificate
Outline the rationale for the proposed embedded credit certificate and provide supporting data if applicable – eg. Results of student or economic demand analyses; consultation with wider community, etc.

The Certificate in Civil - Military Leadership renews a partnership between the University and the Canadian military dating back to the First World War. The development of this program responds to the University’s vision of welcoming change and seizing opportunities by strengthening our connections to Canada’s military.

The Faculty of Arts’ involvement in the creation of this embedded credit certificate is linked to its commitment to develop outstanding learning and leadership opportunities for our students. Further, the Certificate in Civil - Military Leadership program aims to develop future citizen-leaders by offering significant academic and extracurricular opportunities that broaden the participants’ educational experience.

Vision and Academic Plan
How does the proposed program connect to the University’s vision Dare to Discover? How does the program further the University’s Academic Plan?

The Certificate in Civil - Military Leadership program aligns with Dare to Discover: A Vision for a great University, most particularly in valuing “a diverse, yet inclusive, dynamic collegial community that welcomes change and seizes opportunity with passion and creativity.” The Certificate in Civil - Military Leadership epitomizes our cornerstone values of creating “an exceptional and life-changing university experience for students through curricular and extra-curricular offerings that integrate learning, discovery, and citizenship to develop the intellect and the imagination, educate leaders, and enhance global perspective,” and inspiring “students, faculty, and staff alike to engage in activities that develop leadership, foster social and moral responsibility, and contribute to the further development of our society and its institutions.” Moreover, the Certificate in Civil - Military Leadership program specifically reflects our commitment to connect with
communities, as we:

- “build strong partnerships with the capital region… and all orders of government;
- foster partnerships with business and industry to advance mutual goals… [and]
- engage with, serve, and draw strength from the diversity of our external communities…”

The Certificate in Civil - Military Leadership fulfills specific aspirations outlined in *Dare to Deliver 2011-2015: The Academic Plan for the University of Alberta*. The program fulfills the University’s commitment “to provid[e] more and better co-curricular opportunities for students,” namely, occasions that “…allow them to fully realize their potential during their time at the University of Alberta.” *Dare to Deliver* also instructs the University to develop “theme-based and skill specific certificates,” and more particular leadership and citizenship opportunities by “cultivating Canadian citizenship values of engagement, equality, respect, diversity and community.” Finally, the academic plan encourages program innovation enhanced with “partners in Alberta, across Canada and internationally.” Each of these aspirations are embedded in the core structure of the Certificate in Civil - Military Leadership.

### Resource Implications
Identify the resource implications of the proposed embedded credit certificate. Identify if resources are being re-allocated to or from other areas, and outline the implications of this re-allocation.

The resource implications of offering the Certificate in Civil - Military Leadership are minimal since this program requires students to select *12* units of course weight from existing courses currently offered in the Faculty of Arts. Given the relatively modest number of expected participating students, no new instructional resources will be required. The only discernable resource implication is the administrative monitoring and tracking of student progress through the course of the program. These costs are likely to be small. The Faculty of Arts will be responsible for covering the administration and monitoring costs of the Certificate in Civil - Military Leadership program.

### Enrolment
Outline the expected enrolment for the embedded credit certificate and any potential impacts on course offerings.

The expectation is for relatively modest enrolment figures, approximately 10 per cohort. These numbers will be absorbed in regular course offerings. Since participating students are required to take well-established Faculty of Arts courses, we do not foresee any significant impact on our current course offerings.

### Implications of Introduction of the Credit Certificate
Identify the implications of the proposed embedded credit certificate for the system. For example, will it affect other programs at the U of A, programs at other institutions, etc.?

Given the small number of students who are likely to take the Certificate, its introduction will have no discernible effect on other programs at the University of Alberta. Also, the introduction of the Certificate does not duplicate or overlap with any other of University certificates or program offerings.

The Certificate in Civil - Military Leadership is unique in Alberta and Canada. Therefore, it is an important and welcome addition to the educational opportunities in our province.

### Consultation
Describe any consultation and/or potential impacts on service units of the University, including the Office of the Registrar and Student Awards, Academic Information and Communication Technologies (AICT), Library Administration, Facilities and Operations, Student Services, etc.

The potential impact on service units across the University will be negligible, the number of students enrolled in the Certificate is likely to be small and most of the students in the Certificate are likely to have already been enrolled in an undergraduate degree program at the University.

The development of the Certificate in Civil - Military Leadership has involved extensive consultation with the Canadian Armed Forces, as well as with numerous members of the public and the Government of Canada, and the following University of Alberta offices/individuals: Office of the Provost and Vice-President...

45.1 Certificate in Civil - Military Leadership

The Certificate in Civil - Military Leadership is a Faculty of Arts certificate that aims to develop future citizen-leaders by recognizing the completion of significant academic and extracurricular military training. The goals are to broaden participants’ educational experiences and develop skilled leaders. The Certificate program will provide students with knowledge that bridges the gap between highly specialized military training and academic enrichment. Students who complete the program may choose to continue with a career in the Canadian Armed Forces or utilize the learning outcomes in a career outside the Canadian Armed Forces.

This Certificate is offered by the Faculty of Arts, but is open to students in all Faculties at the University of Alberta. Students wishing to pursue the Certificate in Civil - Military Leadership must apply through Undergraduate Student Services in the Faculty of Arts by the application deadline for graduation (see §11).

Certificate Requirements:

Students must complete:

1. All program requirements for any undergraduate degree at the University of Alberta.

2. The Reserve Officer or Non-Commissioned Member classification training courses offered by the Canadian Armed Forces.
Forces. This training is typically completed over three years.

(3) *12 required courses from a list of approved courses, with no more than *6 from a single department, and with *9 at the senior level. See http://uofa.ualberta.ca/arts/programs/undergraduate-programs/majors-and-minors/militaryleadership

The Certificate will be awarded only at the same time as the student receives an undergraduate degree from the University of Alberta.
NEW ACADEMIC PROGRAM LIBRARY IMPACT STATEMENT CERTIFICATION

Submitted to the Academic Development Committee

The Library has examined the proposal for the Certificate in Civil – Military Leadership. We anticipate that this certificate will not incur any additional costs for Library acquisitions and professional services.

This certificate will be completed by students enrolled taking existing courses and with thus have no additional impact on Library services and facilities. It was written based on information provided in the proposal stating that enrollment would be approximately 10 full time equivalent of students each year to reach a maximum of 40 students. It is anticipated that these students would be absorbed in regular course offerings.

We support the creation of this certificate and look forward to working with its instructors and students in the years to come.

RE: Letter of Support for the Certificate in Civil – Military Leadership

I am writing to affirm the Faculty of Arts’ whole-hearted support for the proposed Certificate in Civil – Military Leadership, the first of its kind in Canada.

On behalf of the University of Alberta, the Faculty of Arts welcomes the opportunity to partner with the Canadian Armed Forces to create this timely opportunity for experiential learning for students currently serving as Reservists. Aligning with the spirit of Dare to Discover: A Vision for a great University, the goal of the Certificate in Civil – Military Leadership is to develop enhanced social leadership capacities among students who are currently serving in the Canadian Armed Forces Reserves. This exciting initiative will offer students across the university a broad range of courses drawn from our Humanities, Social Sciences, and Fine Arts departments.

The Certificate in Civil – Military Leadership rekindles a deep and valued historical relationship between the University and the Canadian military, dating back to the First World War. Our joint commitment to the development of Reservist students’ capacities exemplifies the University’s vision of welcoming change and seizing opportunities. We are honoured to support this initiative and the success of our future citizen-leaders.

Dear Dr. Cormack,

With this letter I am pleased to express support, in principle, for the proposed Certificate in Civil-Military Leadership. While it will be up to the appropriate committees to give thorough consideration to the proposal as presented, I can confirm that the certificate is part of a pilot initiative between the University and the Canadian Armed Forces. It is welcomed as one of a number of emerging opportunities for students around the themes of leadership development and experiential learning.

I appreciate the work that has been done in the Faculty of Arts to create an academic home for the initiative and, through the proposed certificate, to provide formal recognition of learning for students across the University.

Sincerely,

Dear Dean Cormack:

CERTIFICATE OF CIVIL MILITARY LEADERSHIP

I write to offer my support for the University of Alberta’s intention to offer a Certificate of Civil Military Leadership to its students. The University of Alberta is leading the country in reviving this important program, and many other post-secondary institutions are watching to see its undoubted success with students and their future potential employers.

I trust that your colleagues will understand the need for this experiential learning program to be given credit status so it can attract students seeking a program that offers “leadership, Citizenship and nation-building” skills.

This is a most worthwhile initiative, and I congratulate UofA for taking the lead.

Historically speaking, this was the “Status Quo” for many leading universities in Canada prior to 1968. I have always been a proponent for University Officers Training because of the merits, as mentioned, derived from these programmes. During my term as Honourary Colonel and now Honourary Colonel Emeritus of The Queen’s York Rangers (First American Regiment), I initiated a fact finding visit, with the co-operation and assistance of the, then Minister of Defence, The Hon. Bill Graham, to the United Kingdom. I visited Leeds and Oxford Universities’ Officers Training Campuses.

My mission’s findings, were most positive for the mutual benefits of the student participants, their academic institutions, and the British Military’s ethos, and pride. My findings and recommendations were subsequently reported in the Royal Canadian Military Institute’s Journal. This resulted in a mutual collaborative effort with Mr Robert Roy and The Breakout Education Network to promote the resumption of this meritorious Programme within our Canadian Universities once again. The results of our past efforts have brought us to this point in time, with the Pilot Project at the University of Alberta with its intention to offer a Certificate of Civil Military Leadership to its student participants.

I would like to offer my congratulations in advance for the University’s foresight and contribution to our National betterment.

Yours sincerely,

Dear Dean Cormack

Certificate of Civil Military Leadership at U of A

Please consider this letter my strong endorsement for the constructive initiative being considered by University of Alberta’s Faculty of Arts to offer students a certificate of Civil Military Leadership.

More and more, we in central Canada are getting used to Albertans taking innovative leadership across a range of public issues. Here is another, and I applaud you for it.

When, as a Member of Parliament, I had the opportunity to serve as parliamentary secretary to the Minister of National Defence, I saw from close range the need to create some nexus between bright young citizens of a rising generation and the important contributions of Canada’s military. As a student myself, back in the Sixties, I had not been so favourably inclined to a connection between the armed forces and university campuses. That was a long time ago. The world has changed, the military is different, and younger Canadians have vastly different interests and expectations.

In my own teaching and interaction with students about their careers at University of Guelph, Wilfrid Laurier University, University of Toronto, and York University, I have seen directly how the values of national service, discipline, and application of skills in challenging situations would not only be beneficial to many students, but that they themselves crave this. With a view of academic freedom that upholds freedom of choice, this is paramount.

By giving academic credit for this program, moreover, you will add that extra incentive for students that, in the nature of things, counts. A credit will put this form of learning, through direct personal experience, on a par with other forms of on-campus learning — and Dr. Moses Coady would be proud of you for that.

So as you decide, I hope, to approve this important program for students at U of A, you will also take a role in the larger national context, as other universities witness and will be able to follow your “leadership by example” in demonstrating the positive benefits of “civil military leadership.”

Dear Dean Cormack,

I have enjoyed a long career in various senior roles in the public and private sectors. Now in semi-retirement I am working in executive and leadership development at the DeGroote School of Business. I have also been involved in revising our MBA curriculum to incorporate a significant leadership component into every aspect of the program. This change addresses the biggest shortcoming in most business schools’ offerings as identified by countless studies and reports. Throughout my career I have been disappointed that quality leaders have always been in short supply. I’ve often pointed to the military model of building leaders through rigorous experiential learning as the only proven model. Since learning of Stornoway’s involvement in this project a few years ago I have been very excited that young Canadians might be able to participate in this powerful model.

Therefore I am very pleased that the University of Alberta is leading the country in piloting this exciting revival of a proven program. I hope that Faculty Council will understand the need for this program to be granted embedded credit status in order to attract students seeking a program that offers “leadership, citizenship and nation-building” skills. If I can be of any assistance in making the case or in any other way I would be very pleased to do so.

Congratulations to you and the University for taking on this exciting endeavor which will benefit all Canadians.

Below is a letter of support for the proposed University of Alberta Civil Military Leadership program. I apologize for the lateness of this note, but I have been away (fortunately) for a brief while from my email and computer connections.

Dean Cormack

First, let me congratulate you and the members of the Faculty of Arts at the University of Alberta for your collective support of the university-based Civil Military Leadership initiative. It is a program that will in time develop young leaders who will become, like many of their predecessors in the former Canadian Officer Training Corps, successful and respected leaders in Canada's diverse community.

I am confident of this prediction because in my thirty years of service in the Canadian Army and the Canadian Armed Forces and in my many years as Chair of the Defence Studies Program at Queen's University I served and worked with many of the graduates of the COTC program. In every case, these women and men would describe how significant that experience had been in all their later endeavours. In these mostly informal discussions one recurring theme stood out: "When I left university I had one great advantage over many of my peers - I was
confident that I was already a leader or at least knew what leading others meant in practical terms. I believe that young Canadians who graduate from the University of Alberta with this Civil-Military Leadership training in their background will in future years recall and value the experience in very similar terms.
