ACTION ITEMS

4. Students' Union (SU): Myer Horwitz Theater Schematic Design

Materials before members are contained in the official meeting file.

Presenter(s): Ben Louie; Robyn Paches; Stephen Boyd

Purpose of the Proposal: To approve the schematic design of the Myer Horowitz Theatre.

Discussion:
Mr Paches provided members with an overview of the Myer Horowitz Theatre, adding that it is a unique feature located in the Students’ Union Building on North Campus.  It is long overdue for renovations to continue to educate, entertain and bring the community together.

Mr Louie reported on the elements of the schematic design process including consultation with stakeholders and determining parameters of the architectural and engineering details.  He added that this project aligns with campus planning including the Long Range Development Plan (LRDP) as well as the sector plan.

Mr Paches explained that the project will aim to transform the Myer Horowitz Theatre into a flexible, modern, efficient and sustainable space, and that project goals have been established by a steering committee.  He noted that fundraising will be led by the Friends of the Myer Horowitz Theatre Society.

Mr Boyd, utilizing a PowerPoint presentation, provided members with visual renderings of the proposed schematic design.
During the discussion, members sought clarification about the sustainability measures used in planning the space, the usages of the renovated space, as well as how the courtyard and bicycle racks might be impacted by the renovation.

Motion: Sharman/Kline

| THAT the GFC Facilities Development Committee, under delegated authority from GFC, approve the proposed schematic design of the Myer Horowitz Theatre, as proposed by the Students' Union (SU), and contained in attachment 1, to be effective immediately. |

**DISCUSSION ITEMS**

5. **Devonian Botanic Garden (DBG): Ecological Learning Centre Concept Design**

Materials before members are contained in the official meeting file.

*Presenter(s):* Ben Louie; Lee Foote

*Purpose of the Proposal:* To discuss the concept design for the Ecological Learning Centre at the Devonian Botanic Garden (DBG).

*Discussion:* Dr Foote reported that efforts continue to transform the DBG into a year-round usage facility, and that there is a strong business case for creating covered spaces for bad weather, as guests will remain at the facility if more appropriate spaces exists. He noted that another need is additional programming space at the DBG.

Mr Louie, using a PowerPoint presentation, provided members with renderings of the ECL concept design.

The Chair thanked Dr Foote and Mr Louie for their presentation.

6. **Terms of Reference TOUR of GFC Standing Committees**

Materials before members are contained in the official meeting file.

*Presenter(s):* Wendy Rodgers; Steve Patten; Frank Robinson

*Purpose of the Proposal:* To discuss the Committee Terms of Reference as part of the review by the GFC ad hoc Committee on Academic Governance Including Delegated Authority.

*Discussion:* The Chair welcomed members of the ad hoc Committee to the meeting and stated that the Committee had reviewed its Terms of Reference in April 2016 and, at that time, felt comfortable with delegations from GFC and membership categories.

Dr Patten led members through a discussion on Committee Terms of Reference, mandate and membership composition. During this discussion, members commented on past activities undertaken with other GFC Standing Committees, such as the Learning Spaces Report completed jointly with the GFC Committee on the Learning Environment (CLE). The Chair reported that the Committee does send big items forward to GFC, such as the presentation on the Devonian Botanic Garden sent forward to GFC in the fall of 2016.
Members discussed the membership of the Committee, and it was noted that GFC FDC draws upon its excellent resource members to fulfil its mandate and that most items, while originating from an academic need, go through the project development process led by members of the Office of the Vice-President (Facilities and Operations).

At this point in the meeting, the Chair excused herself and Ms Cheryl Harwardt assumed the role of Acting Chair.

During the discussion surrounding the role of the Chair and Vice-Chair, members discussed the necessity for having an administrator in the role of Chair.

7. Projects Update from Facilities and Operations

There were no documents.

Presenter(s): Pat Jansen

Discussion:
Mr Jansen provided members with an update in regards to recent projects underway at the University of Alberta.

Past Projects presented to FDC: Construction Phase

Research and Collections Resource Facility (RCRF): the project is progressing per the planned schedule; the building’s structure and exterior finishes are progressing to a weather tight stage. Planned completion on track for the fall of 2017. Considerable amount of logistics and planning required for the content move.

Peter Lougheed Hall: progression in reaching substantial completion later this spring, once the PPE requirements are lifted we will arrange a tour – May estimate. Occupancy planned for 2017.

East Campus Village Residence Building: some areas are now up to the third floor (structure); underground infrastructure has been placed, on schedule.

Lister 5 Residence Building: progressing per the schedule, foundations are near complete; work is also progressing on the basic infrastructure. Occupancy will be achieved for 2018.

SIF - (interior renovations and system renewals) CMEB, ECREF, Bio Sci, Chem West, Augustana, CSB, MSB, CSJ; all impacted with fast tracked construction related to April 2018 completion.

In Design Phase

Twin Arena: conditional agreement with City of Edmonton (COE), funding, parking and agreement finalization underway; will be coming forward with programming.

Maskwa House: no change.

Devonian Botanical Garden - Islamic Garden: Islamic Garden (no formal building programming) – progressing within winter conditions, all civil related to date, completion required for summer of 2018.

Devonian Pavilion (Garden): RFP to help defined concepts and programming – future.

Dentistry/Pharmacy: working with senior administration on programming and overall implementation plan, capital priority.

A member sought clarification about the status of decommissioning SLOWPOKE.
