Memorandum of Agreement

Department Merger

University of Alberta, Augustana Campus
Departments of Fine Arts and Humanities

On the 8th April 2013, the Faculty Council of Augustana Campus approved the following motion:

THAT the Faculty Council approve the merger of the Department of Humanities and the Department of Fine Arts effective 1 July 2013, to create a single Department of Fine Arts and Humanities.

The purpose of this motion is the reorganization of two small Departments, and their integration into a single Department within Augustana. It is not to achieve any staff reduction or program cuts for students.

The motion has been discussed within the Departments of Fine Arts and Humanities and has been supported by the continuing academic staff in both departments.

Augustana Faculty Council recommends this proposed reorganization to the Provost and the General Faculties Council. Details of the background, rationale and action plan are listed below.

Background

This motion is the result of consultations with staff in Fine Arts, Humanities and other affected stakeholders. The reasons are given below:

1. The merger of the two departments will result in annual budgetary savings of approximately $39K (calculated on the basis of anticipated savings from a chair stipend, course releases, and administrative leave).
2. The current Departments of Fine Arts and Humanities are significantly smaller than Augustana’s other two academic departments, the Department of Social Sciences and the Department of Science.
3. The merger will reduce the committee workload that must be borne by the faculty in the two departments.
4. In addition to creating administrative efficiencies and reduced expenditures, a merger will help facilitate improved faculty communication and new collaborations in teaching and research.
5. The proposal does have an impact on the Office of the Registrar, specifically with regard to the need to recode courses. Both Jonathan Hawkins, Assistant Registrar at Augustana, and Gerry Kendal, Registrar, have been consulted.
**Action Plan**

1. This merger is not being advanced for the purpose of producing staffing reductions. We do currently have a part-time administrative secretary in Fine Arts who is on approved leave. For the time being, that work is being redistributed.

2. The merger is also not being advanced for the purpose of reducing program or course options for students.

3. The Department of Humanities and the Department of Fine Arts will cease to exist as separate academic units as of 1 July 2013.

4. Following consultation with both departments, the Dean will consult with the Acting Provost regarding the appointment of Kim Misfeldt, current Chair of Humanities, to serve out the remainder of her term as Chair of the new merged department.

5. In addition to the Chair role, a separate position of Director of Music will be created, with specific duties and terms to be finalized through consultation involving the music faculty, the two current Chairs, and the Dean.

6. The specific duties of the administrative assistants currently assigned to the Department of Humanities and the Department of Fine Arts may be modestly adjusted by the Chair of the merged department to create equity, efficiencies and opportunities for cross training.

Dear Allen:

I am pleased to lend CSJ's support to the requested merger of Augustana's Department of Humanities and the Department of Fine Arts to create a single Department of Fine Arts and Humanities. The arguments presented in your proposal are compelling and I will speak to the issue at Wednesday's APC meeting.

We are contemplating a similar merger of two "Arts" sectors at Saint-Jean. Administrative efficiencies, a reduction in committee workload for faculty, and budget savings all figure in the rationale for this initiative as they do in yours.

Best wishes,

Dear Allen,

I am writing to support the proposed merger of the Departments of Fine Arts and Humanities in Augustana Faculty. This merger makes administrative sense and should have the added benefit of academic and pedagogical connections among disciplines in these two areas.

There are no issues of concern from the point of view of the Faculty of Arts. We expect to continue our strong intellectual connections with the faculty and programs of these two departments when they merge into one.

Sincerely,

To Whom It May Concern:

On behalf of the Augustana Students Association, I would like to offer our support to the administrations decision to merge the fine arts and humanities departments into the Faculty of Fine Arts & Humanities. To my knowledge this merge was designed to produce approximately $39,000 in administration savings and will not involve any changes to course offerings, staffing, curriculum or access to academic advisors. It is intended to be completely invisible to students.

It is also my understanding that Ms. Kim Misfeldt will be the chair of the new department and, with a year of experience as the Humanities Department Chair, I believe that she will be able to navigate through the transition properly. I am pleased that the administration also chose to create the new position Director of Music to ensure that the more demanding aspects of the fine arts program still receive all the necessary attention and that music students will not lose concert days, audition days, recitals or other necessary planned events that make our current department so great.

The Augustana Students Association understands that in these financial times decisions such as this one need to be made and we are glad that the administration found a way to save without affecting students. We acknowledge that student representatives were present at faculty discussions and in faculty counsel when the decisions were being made and, while initially skeptical, saw that the proposed benefits out weighed the negatives. Because of this we as an association support the merge. However, we still withhold the right to withdraw our support for the merge at anytime should we see any adverse affects on students.

Sincerely,

Stephanie Gruhlke

The Purpose of the Proposal is (please be specific)

On March 7, 2013, the Provincial Government tabled a budget that revealed an unexpected and significant reduction in the level of funding for Alberta’s post-secondary sector. The University’s Campus Alberta grant was reduced by 7.2 per cent, or $43 million. This dramatic cut in funding, continuing restrictions on tuition revenue, the economic reality of low interest rates, and inflationary pressures on expenditures have resulted in substantial consolidated budget deficiencies in the current and forecast years.

In response to these budget pressures and as outlined in the University’s 2013 Comprehensive Institutional Plan (CIP), the University has developed a three-year plan that will bring the consolidated budget into a balanced position. The plan will require significant restructuring of the academy and administrative operations.

As the University initiates academic, administrative, and operational planning to achieve restructuring and reorganization of academic and operational programs, the University has developed a set of budget principles as a guide in decision making.

Section 3(4)(a) of the GFC Academic Planning Committee (APC) Terms of Reference on budget matters states that GFC APC is to “recommend to GFC on budget principles.”

The budget principles as recommended by GFC APC at its meeting of May 22, 2013 are attached for GFC’s consideration (see Attachment 1).

The Impact of the Proposal is

To have a set of budget principles that will guide the University community in making decisions regarding the reorganization of University academic and operational programs.
