<td>This proposal will: increase the IELTS minimum band score to 6.0 (currently 5.5) with no change to the current overall score of 6.5. Raising the undergraduate English Language Proficiency (ELP) requirement for the TOEFL and IELTS is critical to support institutional competitiveness / comparability and the academic success of applicants for whom English is a second or foreign language. The most recent changes to these requirements for undergraduate applicants were approved in 2017. At that time, concerns were raised as to whether the new minimum thresholds were sufficient to ensure student success. It was also noted that the revised ELP requirements at the University of Alberta remained lower than our comparator institutions. In 2017, the Office of the Registrar committed to revisit minimum ELP requirements after the effects of the increased requirements on application volume and student success could be reviewed. Now, two admission cycles after implementation, we propose to make a second step-change to the university ELP requirements, bringing our ELP requirements into alignment with our peer institutions.</td>

Changes to the Undergraduate English Language Proficiency Requirements  
Case for Action 
Fall 2019

Context:  
Raising the undergraduate English Language Proficiency (ELP) requirement for the TOEFL and IELTS\(^1\) is critical to support institutional competitiveness / comparability and the academic success of applicants for whom English is a second or foreign language. The most recent changes to these requirements for undergraduate applicants were approved in 2017. At that time, concerns were raised as to whether the new minimum thresholds were sufficient to ensure student success. It was also noted that the revised ELP requirements at the University of Alberta remained lower than our comparator institutions.

At the time of approval, the Office of the Registrar committed to revisit minimum ELP requirements after the effects of the increased requirements on application volume and student success could be reviewed. Now, two admission cycles after implementation, we propose to make a second step-change to the university ELP requirements, bringing our ELP requirements into alignment with our peer institutions.

Key Issues to solve and support:
- Student success
- Institutional competitiveness

Analysis:
- International demand has continued to grow
- Improved first-term performance (Fall 2018 cohort) of students with ELP band scores of 6.0 and above: higher GPAs, more completed courses, fewer GPAs below 2.0
- Based on the Fall 2018 cohort, Engineering and Science losses in registration could be as high as 6.4% and 5.2%, respectively. We did not experience losses in registration after the last ELP increase.

Future state:
- Requirements that improve student success in first year.
- Requirements that improve immigration experience via access to the Study Direct Stream.
- Requirements that are more consistent with comparator institutions.
- Changes to IELTS and TOEFL will have the broadest impact on the applicant pool as they are the two most predominant standardized test presented by applicants.
- IELTS: change minimum band score to 6.0 (currently 5.5) with no change to the current overall score of 6.5.
- TOEFL score to remain at 90 and no change on the minimum band score of 21- The proposed change in the TOEFL score is strictly the equivalent score increase to IELTS in the context of their scoring standard. We have included it here as it is the second most commonly used method of meeting ELP. Most applicants using TOEFL are already meeting this standard.
- Other methods of meeting ELP will be calibrated as needed and brought forth following these changes

---

\(^1\) IELTS and TOEFL are the most commonly presented means by which students attempt to meet ELP requirements, representing on average 50% and 10% of the applicant pool each year respectively.

### Language Proficiency Requirements

#### English Language Proficiency

English is the primary language of instruction in all Faculties except Faculté Saint-Jean. All undergraduate applicants to any program or course except Faculté Saint-Jean need an adequate level of English language proficiency before admission, regardless of their citizenship status or country of origin.

... Proficiency in English may be fulfilled in one of the following ways:

... 7. A score of at least 6.5 on the IELTS Academic (International English Language Testing System) with no band less than 5.5 (see Note 4).

| Executive Summary (outline the specific item – and remember your audience) | In May 2019, in conjunction with early consultation with General Faculties Council, the university established an Advisory Group on Free Expression, chaired by the Deputy Provost and made up of subject matter experts, members of the GFC Executive Committee, and key administrative portfolios. The group’s mandate is to advise on the development of an institutional statement on free expression.  

   In June 2019, the Minister of Advanced Education issued a letter instructing all post-secondary institutions to develop a statement on free expression consistent with the “Chicago Principles” (Report of the Committee on Freedom of Expression). In July, the Minister issued a second letter providing clarification and extending the deadline for submission of a preliminary statement to the Ministry to November 15 and for public posting of an approved statement to December 15, 2019.  

   The Advisory Group developed a draft set of principles on free expression to inform a new university statement. The draft principles are based on an environmental scan, review of other institutions, and the expertise and perspectives of the group.

   Broad consultation has occurred in September and October 2019, including engagement with faculty, staff, and students on all campuses, AASUA, NASA, online submissions, presentation to GFC and Board committees, two discussions with GFC, and discussion with the Board of Governors. The key themes emerging from the consultation were presented to GFC on October 21. These included:  

   - Striking an appropriate balance between free expression and other rights and interests, such as respect for human dignity and... |

provision of a work and study environment free of discrimination and harassment;
  • Clarifying the relationship of this statement to existing university policies and procedures;
  • Supplementing the statement with additional tools/resources to support our community in dealing constructively with disagreement and mitigating impacts on marginalized groups.

Following discussion with GFC, the Advisory Group has developed a draft statement for approval. A colour-coded version has been provided to identify elements requested in the Minister’s letter of July 14, other language adopted from the Chicago Statement, as well as elements reflecting major themes from community feedback (including elements of the statement that were present in the draft principles).

The final, approved version will be accompanied by an Information Sheet and set of Frequently Asked Questions, which are intended to clarify issues related to implementation, relationship to other university documents, and other available supports.

CONSULTATION DRAFT – CLEAN VERSION
Statement on Freedom of Expression at the University of Alberta

The mission and mandate of the University of Alberta is to discover, disseminate, and apply knowledge for the benefit of society through teaching and learning, research, innovation and creative activity, community involvement, and partnerships. To achieve our mission and mandate, we must cultivate an equitable and inclusive environment that fosters respect for human dignity and supports the ability and skills of all members of our diverse community to learn and to discover.

Freedom of expression is one of the key elements of such an environment and has been central to the university since its founding. Learning requires exposure to a variety of views, including those with which one disagrees, and the ability to participate in intellectual debate – including having one’s own views challenged. Research and discovery require the ability to challenge the conventional, to communicate findings and their implications, and to provide informed commentary in the public sphere. Across all areas of its mandate, the university is committed to intellectual integrity, rigorous inquiry, and the robust expression and discussion of ideas. Fostering the ability of members of the university community to engage in debate and deliberation in an effective and responsible manner is an essential part of the university’s educational mission. Recognizing that free expression can thrive only where all members of the university community have the ability to participate fully, we strive to foster an inclusive and respectful institutional culture that is free of discrimination and harassment.

The University of Alberta remains committed to free expression in all forms of communication, including non-violent protest and dissent. The university is a place of free and open inquiry in all matters, and all members of the university community have the broadest possible latitude to speak, write, listen, view, challenge, profess, and learn. Members of the university community have the right to criticize and question other views expressed on our campuses, but may not obstruct or otherwise interfere with others’ freedom of expression. Debate or deliberation may not be suppressed because the ideas put forward are thought by some, or even most, to be offensive, unwise, immoral, or misguided. It is for individuals, not the institution, to make those judgments for themselves and to act not by seeking to suppress expression, but by openly and vigorously contesting the ideas they oppose. The university does not attempt to shield members of the university community from ideas or opinions they disagree with or find offensive. Mutual respect and civility are valued, but their absence does not constitute sufficient justification to limit free expression.

Freedom of expression at the university does not mean that individuals may say whatever they wish, wherever they wish. Free expression is subject to the limitations imposed by Canadian or Alberta law. The university has the authority to restrict expression that violates law, causes the university to violate law, violates applicable university policies, procedures or collective agreements, falsely defames, constitutes a genuine threat or harassment, or unjustifiably violates privacy or confidentiality interests. The university may also regulate the time, place and manner of expression to ensure that it does not disrupt the ordinary activities of the university. However, this administrative discretion should not be exercised in a manner inconsistent with the University of Alberta’s overarching commitment to free expression. Ideas and opinions presented on our campuses are neither a reflection of, nor an endorsement from, the university, unless otherwise stated.
In a diverse and inclusive university environment characterized by lively debate, people can expect, from time to time, to be confronted by concepts or images that they find offensive or disturbing, and to have their ideas questioned or challenged. The university remains committed to providing support services to those who need them.

The right to academic freedom is addressed separately in the context of the collective agreement with the Association of Academic Staff of the University of Alberta.

Complaint processes are available through existing policies, procedures, and collective agreements.

Legend:
- Eight points requested by ministry from Chicago Principles
- Bonus points from Chicago Principles
- Response to feedback
- Amendment added by General Faculties Council, November 25, 2019
June 14, 2019

Mr. Michael Phair  
Chair, Board of Governors  
University of Alberta  
3-04 South Academic Building (SAB)  
Edmonton AB T6G 2G7  

Dear Mr. Phair:

The Government of Alberta is committed to protecting and promoting free speech as a fundamental tenet of the academic experience, as reflected in the University of Chicago Statement on Principles of Free Expression.

Alberta’s post-secondary institutions demonstrate their commitment to free expression through a variety of free speech protections and statements already in place. Whether through statements on academic freedom, codes of conduct, or other policies, institutions underscore the importance of free speech on campus. I would like to thank you for the work you do every day to protect this important aspect of post-secondary learning.

To ensure clarity at all institutions, the government is asking that each institution either formally adopt the Chicago Principles, or develop a policy that consolidates its existing protections and demonstrates each institution’s commitment to free speech. All 26 publicly funded post-secondary institutions are required to adopt the Chicago Principles or to develop a stand-alone policy. It is expected either option will be in place and publicly available by October 15, 2019.

The stand-alone policy should align with the substance of the Chicago Principles, while also respecting the unique context at each institution. To achieve this, your policy should, at a minimum, reflect that:

- Institutions are places of open discussion and inquiry, committed to protecting and promoting free expression.

.../2
Community members have the right to criticize and question other views expressed on campus, but cannot obstruct or interfere with others’ freedom of speech.

Institutions should not attempt to shield students from ideas or opinions they disagree with or find offensive. Mutual respect and civility are valued, but do not constitute sufficient justification to limit free speech.

Free speech may be limited if it violates the law.

Free speech may be limited if it is incompatible with the functioning of the institution.

Please provide Mr. Peter Leclaire, Assistant Deputy Minister, Advanced Learning and Community Partnerships Division, with either the commitment to formally adopt the Chicago Principles or a copy of your institution’s intended policy for confirmation of its alignment to the above-stated requirements, by email at peter.leclaire@gov.ab.ca. Policy drafts should be submitted to Mr. Leclaire no later than September 23, 2019. The department will notify you once your approach has been approved so you can post your free speech policy or statement of adoption of the Chicago Principles on your website by the October 15, 2019 deadline.

Thank you for your contribution to this important work. I look forward to working with you to continue to ensure free speech is supported in Alberta’s post-secondary system.

Sincerely,

Demetrios Nicolaides
Minister of Advanced Education
July 4, 2019

Mr. Michael Phair
Chair, Board of Governors
University of Alberta
3-04 South Academic Building (SAB)
Edmonton AB T6G 2G7

Dear Mr. Phair:

I would like to express my sincere appreciation for the frank and open discussion around free speech policies that took place at our recent meeting in Calgary. Conversations like this one are laying the foundation of a fruitful relationship as we work together to renew Alberta's post-secondary system.

At our recent meeting, there were a few concerns regarding the short timeline for implementation. I am more than happy to change the deadline to give all our institutions the time they need.

With that in mind, I am moving the submission deadline to November 15, 2019 and the posting deadline to December 15, 2019.

I would also like to clarify what our government is looking for. We are asking our institutions to demonstrate their commitment to the principles of the Chicago Statement on Free Speech. This can be done in a number of different ways, including:

1. The Board of Governors passing a resolution formally adopting the Chicago Statement.
2. The Board of Governors passing a resolution adopting the eight key principles of the Chicago Statement as outlined below:
   a. Free speech may not violate Canadian law.
   b. Institutions are places of free and open inquiry in all matters, and all members of each institution's community are guaranteed the broadest possible latitude to speak, write, listen, challenge, and learn.

.../2
c. Community members have the right to criticize and question other views expressed on campus, but cannot obstruct or interfere with others’ freedom of speech.
d. Institutions should not attempt to shield students from ideas or opinions they disagree with or find offensive. Mutual respect and civility are valued, but do not constitute sufficient justification to limit free speech.
e. The institution may reasonably regulate the time, place, and manner of expression to ensure that it does not disrupt the ordinary activities of the institution.
f. The institution may restrict expression that violates the law, falsely defames an individual, or constitutes a genuine threat or harassment that unjustifiably invades substantial privacy or confidentiality of interests.
g. Debate or deliberation may not be suppressed because the ideas put forward are thought by some, or even most, to be offensive, unwise, immoral, or wrong-headed.
h. It is for individuals, not the institution, to make those judgments for themselves and to act not by seeking to suppress speech, but by openly and vigorously contesting the ideas they oppose.

3. The Board of Governors adopting its own policy that conforms with the key elements of the Chicago Statement as described above.

I have every confidence that, as stewards of your institutions accountable to the Minister, your board will take appropriate action to fulfil these requirements. If your institution elects to write its own policy, it will be vetted by the department to ensure compliance with the spirit of the Chicago principles. It is your responsibility to ensure that whatever action is taken by your board demonstrates clear commitment to the key principles of free speech as found within the Chicago Statement.

Sincerely,

[Signature]

The Purpose of the Proposal is *(please be specific)*

The proposal is before the committee to approve the revised terms of reference for the GFC Committee on the Learning Environment.

Executive Summary *(outline the specific item – and remember your audience)*

The Report of the *ad hoc* Committee on Academic Governance Including Delegated Authority, endorsed by GFC on April 21, 2017, noted the following:

"**Committee on the Learning Environment (CLE)**

CLE is engaged in work that speaks to a core mission of the University – teaching and learning. The committee, however, holds no delegated authority, reports to two other standing committees (Executive and APC), may be perceived to be informational rather than action driven, and is guided by vague words such as fostering, nurturing, and promoting in its terms of reference. The committee is populated by well qualified, committed individuals who could contribute in a more focused manner with a clearer mandate."

CLE began discussions of its terms of reference in September 2017 and a working group was established to consider the ad hoc recommendations. Further work on the terms took place in 2018 with a further group of committee members. Draft terms were brought forward to GFC for early consultation in October 2019.

The attached draft terms of reference are now coming forward for discussion and input from the committee before proceeding to GFC Executive and GFC for early consultation.

**Proposed Changes to the Terms of Reference:**

The proposed terms of reference reflect a standard template that has been used for all GFC standing committees; the template was designed to provide increased clarity on mandate, responsibilities, and delegated authority.

The areas of responsibility for the committee are clearly delineated while remaining broad enough to remain responsive.
Additional responsibilities that have been added include the areas of learning spaces and learning technologies, both of which have considerable impact on the learning environment and speak to the committee’s mandate.

Policy on the evaluation of student learning is also an added responsibility that comes to CLE from the GFC Academic Standards Committee that previously held responsibility for institutional marking and grading policies and institutional term work policies. This ties in with the revised mandate to advise on policy directions related to teaching and learning institutionally.

The new terms of reference have CLE report directly to GFC rather than reporting to the Academic Planning Committee or GFC Executive Committee. This strengthens its role as a GFC committee; as a step towards this, in the last year the committee sent forward to GFC the draft Teaching Policy for early consultation.

CLE is currently, and will continue to be, called upon to provide members to serve on adjudication committees such as the Teaching and Learning Enhancement Fund (TLEF), details of which are laid out in the specific procedures for the committees.

The composition has been changed to reflect the Principles of Committee Composition. In addition, further changes are proposed both in response to the ad hoc committee recommendations and to those of the committee itself. These include the addition of the Dean of the Faculty of Graduate Studies and Research, a librarian who serves on GFC, an Academic Teaching Staff, and the Director, Space Management, Facilities and Operations, and the removal of the Vice-President (Research), and one of two Associate Deans. Upon the effective date of approval of the new terms of reference, current members would retain their membership until their term ends.

Speaking directly to the recommendations of the ad hoc committee, the new terms of reference include delegated authority for the committee in the areas of teaching evaluation and assessment procedures and proposals related to teaching and learning. In addition, changes to composition reflect the GFC Principles of Committee Composition, and the recommendations of the ad hoc committee.

1. **Mandate and Role of the Committee**
   The Committee on the Learning Environment (CLE) is a standing committee of GFC charged with advising GFC on policy directions that promote excellence in teaching and learning institutionally. CLE serves as GFC’s primary advisory group on teaching and learning, including such aspects as learning environments, assessment and evaluation, teaching innovations, teaching resources and support, and students’ educational experience.

2. **Areas of Responsibility**
   a. Physical and virtual learning and teaching environment
   b. Teaching and learning policy
   c. Institutional policy on the assessment of teaching
   d. Institutional policy on the evaluation of student learning
   e. Vision and strategy for learning spaces and learning technologies
   f. Fostering excellence in the scholarship and practice of teaching and learning

3. **Composition**
   **Voting Members (19)**
   - *Ex-officio (6)*
     - Provost and Vice-President (Academic), Chair
     - Vice-President (Academic), Students’ Union
     - Vice-President (Academic), Graduate Students’ Association
     - Vice-Provost and Chief Librarian
     - Vice-Provost and University Registrar
     - Vice-Provost and Dean, Faculty of Graduate Studies and Research
   - *Appointed (1)*
     - 1 academic staff (A1.0) who holds a major teaching award (internal or external award, eg Rutherford, Vargo Chair, 3M, etc.), appointed by the Chair in consultation with the Chair of Nominating Committee
   - *Elected by GFC (12)*
     - 4 academic staff (A1.0) from GFC – one of whom will be elected by the committee to serve as Vice Chair
     - 1 non-academic staff at-large (S1.0, S2.0)
     - 1 librarian from GFC
     - 1 undergraduate student from GFC
     - 1 graduate student from GFC
     - 1 Chair
     - 1 Dean
     - 1 Associate Dean or Associate Chair, Teaching and Learning (or equivalent)
     - 1 academic teaching staff (A2.1, A2.2) at-large
   - **Non-voting Members**
     - Vice-Provost and Associate Vice-President (Information Technology)
     - Director, Centre for Teaching and Learning
     - Director, Space Management, Facilities and Operations
     - University Secretary
     - GFC Secretary
4. **Delegated Authority from General Faculties Council**
   
   Should be reviewed at least every three years and reported to GFC.
   
   4.1 Approve revisions to teaching assessment and evaluation procedures
   4.2 Approve proposals related to teaching and learning that emerge from central administrative units and determine whether to forward to GFC for discussion or information
   4.3 Receive and discuss reports on student engagement and the student educational experience and determine whether to forward to GFC for discussion or information

5. **Responsibilities Additional to Delegated Authority**
   
   5.1 Review and recommend to GFC on policies related to teaching and learning
   5.2 Review and recommend to GFC on policies related to assessment of teaching
   5.3 Review and provide feedback on learning technologies
   5.4 Receive, discuss and provide feedback on new and revised learning spaces, formal and informal, that impact instructor and student educational experiences
   5.5 Advise on the vision and strategy for learning spaces and learning technologies
   5.6 Receive, discuss and provide feedback on new and innovative teaching pedagogy and delivery initiatives
   5.7 Review and recommend to GFC on policy and regulations related to student evaluation that apply to a substantial group of students
   5.8 Make recommendations to GFC on student engagement, student educational experience, and support for teaching
   5.9 Members may be asked to serve on adjudication bodies related to awards within the CLE mandate

6. **Sub-delegations from the Committee on the Learning Environment**
   
   Should be reviewed at least every three years and reported to GFC.
   
   None.

7. **Limitations to Authority**
   
   The following further refines or places limitations on authorities held by or delegated to CLE:

8. **Reporting to GFC**
   
   The Committee should regularly report to GFC with respect to its activities and decisions.

9. **Definitions**
   
   **Substantial Group of Students** – any one (or more) of the following three classes of students: (a) undergraduate students, (b) doctoral level students, and/or (c) graduate students pursuing studies other than those at doctoral level

   **Academic staff** – as defined by the [Recruitment Policy (Appendix A) Definition and Categories of Academic Staff, Administrators and Colleagues](#) in UAPPOL

GFC Committee on the Learning Environment (CLE) Terms of Reference

1. Authority

The Post-Secondary Learning Act (PSLA), Section 26(1), gives General Faculties Council (GFC) responsibility, subject to the authority of the Board of Governors, over “academic affairs.” GFC has thus established a Committee on the Learning Environment (CLE), as set out below.

The complete wording of the section(s) of the PSLA, as referred to above, and any other related sections, should be checked in any instance where formal jurisdiction or delegation needs to be determined.

2. Composition of the Committee

Note: All members of the Committee on the Learning Environment will be voting members (EXEC 04 DEC 2006)

Ex Officio
Chair – Provost and Vice-President (Academic)
Vice-President (Research)
Vice-President (Academic), Students’ Union
Vice-President (Academic), GSA
Vice-Provost and Chief Librarian
Vice-Provost and Associate Vice-President (Information Technology) (EXEC 04 DEC 2006)
Director, Centre for Teaching and Learning
Vice-Provost and University Registrar

Elected by General Faculties Council
Four staff representatives (Category A1.0)*, elected by GFC, at least one of whom must sit on GFC
One support staff representative (Category S1.0* or S2.0*), elected by GFC
One undergraduate student at-large
One graduate student at-large

Appointed Members
One Chair, selected by Chairs’ Council (EXEC 04 DEC 2006)
One Dean, selected by Deans’ Council (EXEC 08 SEP 2008)
Two Associate Deans or Associate Chairs, Teaching and Learning (or equivalent) appointed by the Chair of GFC CLE in consultation with the Chair of the GFC Nominating Committee (EXEC 06 JUN 2011)

One staff representative (Category A1.0*) who holds a major teaching award (internal or external award, eg Rutherford, Vargo Chair, 3M, etc.) appointed by the Chair of GFC CLE in consultation with the Chair of the GFC Nominating Committee (EXEC 04 DEC 2006) (EXEC 06 JUN 2011)

* See UAPPOL Recruitment Policy (Appendix A) Definition and Categories of Academic Staff and Colleagues and (Appendix B) Definitions and Categories of Support Staff for definitions of these categories of staff members.

3. Mandate of the Committee

The Committee on the Learning Environment is a standing committee of the General Faculties Council that promotes an optimal learning environment in alignment with guiding documents of the University of Alberta. (EXEC 04 DEC 2006)
The Committee on the Learning Environment is responsible for making recommendations concerning policy matters and action matters with respect to the following:

a) To review and monitor the implementation of the University’s Academic Plan with regard to optimal teaching and an optimal learning environment.
b) To review and, as necessary, recommend to the GFC Academic Planning Committee or the GFC Executive Committee policies on teaching, learning, teaching evaluation, and recognition for teaching that promote the University’s Academic Plan.
c) To review and, as necessary, recommend to the GFC Academic Planning Committee or the GFC Executive Committee policies developed by the Learning Services units to promote the University’s Academic Plan. (GFC 22 SEP 2014)
d) To develop policies that promote ongoing assessment of teaching, learning, and learning services through all Faculties and units.
e) To nurture the development of innovative and creative learning services and teaching practices.
f) To encourage the sharing and discussion of evidence about effective teaching, learning, and learning services.
g) To promote critical reflection on the impact of broad societal changes in teaching, learning, and the learning environment.
h) To promote projects with relevant internal and external bodies that offer unique teaching and learning opportunities that would benefit the university community.
i) To consider any matter deemed by the GFC Committee on the Learning Environment to be within the purview of its general responsibility.

4. Committee Procedures

See General Terms of Reference.

5. Additional Reporting Requirements

None.

Graduate work has been offered at the University of Alberta since its inception in 1908. The present organization of the Faculty of Graduate Studies and Research, headed by a Dean, was adopted in 1957.

The University of Alberta offers graduate programs leading to doctoral and master’s degrees. The specific programs offered in each category are listed below. In addition, the University offers many graduate diploma and certificate programs designed to provide an opportunity for individuals to take a sequence of courses to increase their knowledge of a specialized area without needing to enrol in a degree program.

For more information on graduate programs offered, refer to the Program Search Results on the FGSR website.

**NEW**

The learning outcomes required for all master’s and doctoral programs are defined below and aligned with the Alberta Credential Framework. For more information on individual graduate programs offered, refer to the Program Search Results on the FGSR website or see Graduate Programs.

### Thesis-Based Master’s and PhD Learning Outcomes

The table below defines the elements and learning outcomes of the University of Alberta’s research-focused degrees. A Master’s degree enables students to develop mastery within a discipline, and to learn how to do research via guided discovery. A PhD degree enables students to develop mastery of research and advanced expertise within a specialist field via designing and conducting original research of broader scope and greater depth than within a Master’s degree.

- Students will be able to demonstrate:
  1. The qualities and transferable skills necessary for employment requiring the exercise of personal responsibility and largely autonomous initiative in complex situations
  2. The intellectual independence to be academically and professionally engaged and current, developed in part through the individual Development Plan process of:
     * researching potential career options
     * reflecting upon skills and competencies in the areas of creativity, communication, confidence, scholarship, ethical responsibility, critical thinking, and collaboration;
     * creating timelines and milestones for professional development, academic, and personal commitments
     * reviewing progress regularly
  3. The ability to evaluate the broader implications of applying knowledge to particular contexts.
  4. The ability to receive, handle and act upon, and provide constructive feedback.

**Beneficial Options**

Students will be able to demonstrate:

- The ability to take initiative to identify need and provide service to a community.
- The ability to acquire new, or enhance existing leadership skills, including those required to teach or supervise students.
- The ability to take initiative to bring about positive change in academic, professional and personal contexts, guided by the principles of equity, diversity and inclusion (EDI).

**Program-Specific Learning Outcomes**

Students will demonstrate:

1. self-direction and originality in tackling and solving problems, and autonomy in planning and executing research.

## Governance Executive Summary

### Agenda Title
Student Financial Support Policy Suite and Rescission of the Awards and Bursaries for Students Policy Suite

### Motion

 THAT General Faculties Council recommend that the Board of Governors approve the new Student Financial Support Policy Suite, as set forth in Attachments 2, 3, 4 and 5, and the concurrent rescission of the existing Awards and Bursaries for Students Policy Suite in UAPPOL, as recommended by the GFC Executive Committee, to take effect upon final approval.

| Executive Summary (outline the specific item – and remember your audience) | The Office of the Registrar, in consultation with the several stakeholder groups, has developed a new Student Financial Support Policy Suite to replace the existing Awards and Bursaries for Students Policy and its procedures in UAPPOL. The purpose of the revisions to the policy and procedures is to:  
- Create alignment between institutional commitment with administrative practice;  
- Reflect current practices, authorities, and roles;  
- Be inclusive of graduate student financial support; and  
- Allow the University to be agile and adaptive to changes in the post-secondary, provincial, and global environments. |

Case for Action: New Student Financial Support Policy Suite (and rescission of the Awards and Bursaries for Students Policy)

Context:

The current Awards and Bursaries for Students Policy Suite was established in 2011 when Section 21 of the GFC Policy Manual was rescinded and placed into UAPPOL. Aside from reorganization of information contained within Section 21 and minor updates to reflect the current practices at the time, the policy and four procedures were primarily direct extrapolations from Section 21.

The existing policy suite only promises that the University will "marshal awards and bursaries for students to support learning and alleviate financial need to the extent that financial resources permit" but stops short of meeting an important institutional goal outlined within For the Public Good, (Build, Strategy 4), to "Ensure that qualified undergraduate and graduate students can attend the university through the provision of robust student financial support."

The lack of a statement of specific institutional goals within the existing policy suite poses several challenges when questions around how allocation of new and existing funds should be managed. This foundation is also necessary in order to support the fundraising goals of the University of Alberta.

In addition, the existing policy suite is silent on the role of graduate student financial support and the role of the Faculty of Graduate Studies and Research in student financial support.

The existing policy suite is also out of alignment with the stated goals of the President of the University of Alberta, Dr. David Turpin, and his colleagues in the Council of Post-secondary Presidents of Alberta (COPPOA). In a recent and widely distributed position paper¹, COPPOA confirmed that student financial support has never been more both necessary and relevant than it is today in Alberta. The University of Alberta is fundamental to building Alberta’s future, but access to post-secondary education for society’s most vulnerable learners remains a real threat.

Over the past ten months, members of the Office of the Provost and Vice-President (Academic), the Office of the Registrar, the Faculty of Graduate Studies and Research (FGSR) and the Office of Advancement have conducted a thorough review of the policy and the four procedures, and drafted an updated UAPPOL Student Financial Support Policy Suite. The proposed suite aligns with the current financial support administrative priorities and processes, clarifies authorities and roles, and allows the university to be agile and adaptive to changes in the post-secondary, provincial and global environments (see Appendix A - Overview of Changes).

A recent report from an external consultant commissioned by the Office of the Vice-Provost and University Registrar identified policy development as a primary recommendation. The report identified the need for policy statements that would provide a foundation for decision-making, align with enrolment management and recruitment goals, and would update existing out-of-date UAPPOL policy and procedures. This proposed student financial support policy suite directly addresses the need for the alignment of policy to fundamental institutional goals and delineates the foundations for decision making.

¹ Post-secondary Education Position Paper, The Council of Post-secondary Presidents of Alberta (COPPOA)
Key Changes:

- The proposed policy contains language reflective of the University’s commitment to providing and optimizing robust student financial supports in order to ensure that academically qualified students can attend the University.

- The proposed policy suite includes usage of an industry-standard umbrella term “student financial support” intended to represent the whole range of student financial support normally available to post-secondary learners.

- The proposed policy suite now contains a procedure dedicated to graduate student financial support.

- The proposed policy suite has been streamlined into three areas intended to outline the process of the creation of student financial support, as well as the processes relevant to the administration and approval of separate undergraduate and graduate student financial support.

- The proposed procedures have been drafted retaining relevant and accurate pieces of the current suite of procedures, and have been adjusted to reflect current practices, authorities, and roles.

Desired Outcomes:

- Alignment between the University of Alberta’s policies and procedures around student financial support and institutional goals.

- Mitigation of the current risks surrounding student success, as identified by the 2018-2019 Institutional Risk Summary, which include: reduced student success, harm to reputation, reduced ability to recruit, misalignment with Government expectations, and failure of the university mission.

- Establishment of an updated institutional policy and suite of procedures that are easy to understand, transparent, and outline clear authorities and roles.

- Establishment of an updated institutional policy and suite of procedures that reflect accepted administrative and academic processes.

- Revised institutional policy and procedures that allow the University to be agile and adaptive to changes in the post-secondary, provincial and global environments.

- Better alignment between the Board of Governors, General Faculties Council, the Office of the Vice-Provost and University Registrar, the Office of Advancement, individual Faculties, and the Faculty of Graduate Studies and Research to provide, support, and administer student financial supports at the University of Alberta.
### Appendix A - Overview of Changes

**UAPPOL Creation of New Student Financial Support Procedure**

The Creation of New Student Financial Support Procedure now informs how both undergraduate and graduate new student financial supports are created (previously, this procedure only referenced undergraduate awards and bursaries).

The scope of this procedure has been refined to include only the creation of new supports and clarifies the authorities, roles and responsibilities of the Office of the Registrar, Faculty of Graduate Studies and Research, the Office of Advancement, the GFC Undergraduate Awards and Bursaries Committee (UABC) and the Graduate Scholarship Committee (GSC).

- The section addresses longstanding concerns about inconsistency in the assessment of financial need for awards with both merit and need components within different nominating units across the university. Financial need will now be evaluated through a common assessment practice.
- The section addresses need and merit components (and secondary requirements) to best fit the intent of the financial support.
- The addition of this section addresses a fundraising gap identified by the Office of Advancement as donors have shown high interest in funding this type of student financial support.
Student Financial Supports Policy

**Office of Accountability:** Provost and Vice-President (Academic)

**Office of Administrative Responsibility:**
- Office of the Registrar
- Faculty of Graduate Studies and Research
- Office of Advancement

**Approver:** Board of Governors

**Scope:**
Compliance with this University policy extends to all academic, support and excluded staff, postdoctoral fellows, and academic colleagues as outlined and defined in the Recruitment Policy

Definitions and Categories); undergraduate, graduate and Faculty of Extension students; emeriti; members of the Board of Governors; visitors to campus, including visiting speakers and scholars; third party contractors; and volunteers.

**Overview**

The *Post-Secondary Learning Act* of Alberta gives the Board of Governors authority to “manage and operate the public post-secondary institution in accordance with its mandate,” and to “develop, manage and operate, alone or in co-operation with any person or organization, programs, services and facilities for the economic prosperity of Alberta and for the educational or cultural advancement of the people of Alberta,” (section 60(1)(a) and (b)).

The *Post-Secondary Learning Act* of Alberta gives GFC responsibility, subject to the authority of the Board of Governors, over “rules and regulations respecting academic awards” (section 26(1)(m)).

GFC has delegated responsibility for graduate awards to the Faculty of Graduate Studies and Research Council (FGSR).

**Purpose**

To articulate the University’s position on student financial supports for the institution.
POLICY

The University of Alberta is committed to providing and optimizing robust student financial supports, in order to ensure that academically qualified students can attend the university. These student financial supports will align with institutional priorities and values, including those outlined in the institutional strategic plan. The University recognizes that access to affordable education is a shared responsibility between the University, the student, and government. The associated procedures outline how the University will ensure that its responsibilities to all stakeholders, including students, government, and donors, are met.

Purpose

To provide the procedure by which new student financial supports at the University of Alberta are created.

PROCEDURE

1. ADMINISTRATION

The Office of Advancement will work with donors to establish student financial supports for academically qualified students.

The Office of Advancement will engage with the Office of the Registrar (RO) and/or the Faculty of Graduate Studies and Research (FGSR), as appropriate, to draft terms of reference. The RO and/or the FGSR will provide recommendations and will consult with Faculties, departments and administrative units on campus as necessary when drafting terms of reference. The RO and FGSR seek to establish terms of reference for student financial supports that include selection criteria that support a diverse pool of eligible applicants. The selection criteria must be sufficiently broad to allow the university to award the funds every year.

Faculties, departments and other administrative units will be consulted to provide advice and to ensure proper application and selection supports are in place during the creation of a new student financial support.

The RO and FGSR will facilitate the approval process for new student financial supports with the appropriate governance committee. New undergraduate scholarships, awards, medals, bursaries and prizes are approved by the GFC Undergraduate Awards and Bursaries Committee (UABC). New graduate scholarships and fellowships, awards, prizes, medals, and bursaries are approved by the Graduate Scholarship Committee (GSC) in FGSR.

Terms of reference and selection criteria drafted and approved prior to this procedure are not precedent for new financial supports.

2. RESTRICTIONS ON RECIPIENT SELECTION
**Donors** to the University of Alberta or their agents cannot be the **nominator** or participate in the recipient selection process for student financial supports for which they are the donor.

3. **INCLUSIVITY IN SELECTION CRITERIA**

The University of Alberta seeks to demonstrate the values of equity, diversity, and inclusivity in the creation and administration of its student financial supports. This is achieved through establishing new student financial supports that include selection criteria that support a diverse pool of eligible applicants. The selection criteria must be sufficiently broad to allow the university to award the funds every year.

   **A. HUMAN RIGHTS**

   **Selection or eligibility criteria** will not include any criterion defined as discriminatory under the Alberta Human Rights Act or the University of Alberta Discrimination and Harassment and Duty to Accommodate Policy unless the financial supports or the condition at the time of establishment could reasonably be viewed as justifiable discrimination intended to create equity for any equity seeking group (as identified in the protected grounds definition of the Discrimination, Harassment and Duty to Accommodate policy).

   If the student financial support is accepted under this provision, it will be reviewed at intervals not greater than 15 years by the Office of the Registrar and / or the Graduate Scholarship Committee and brought to the appropriate authority for consideration. The restriction will be dropped if the group is no longer reasonably perceived as disadvantaged. A specific student financial support can be reviewed at any time by a Faculty or the Office of the Registrar and / or the Graduate Scholarship Committee.

   **B. MEMBERSHIP**

   Membership in a particular association cannot be a selection criteria requirement with the exception of:

   1. Teams at the University of Alberta sanctioned by the University Sports (U Sports) and/or the Canadian Colleges Athletic Association (CCAA) and the Alberta Colleges Athletic Conference (ACAC).

   2. Student groups registered at the University of Alberta overseen by the Dean of Students that
      a. conform with University of Alberta mission, values and policies;
      b. have clear and transparent membership criteria;
      c. are without sanction or are not facing disciplinary action by the University at the time of creation of the student financial support; and
      d. are without sanction or are not facing disciplinary action by the University at the time of administration of the student financial support.

4. **APPROVAL**

   **A. TERMS OF REFERENCE**

   The **terms of reference** established for student financial supports represent a formal agreement between the donor and the University of Alberta.

   Descriptions for new student financial supports submitted for approval must include general selection and eligibility criteria.

   Each new student financial support will be considered on its own merits. Terms of reference for all new undergraduate **scholarships**, **awards**, **prizes**, **University medals**, and **bursaries** are referred to the GFC UABC for approval.

   Terms of reference for new graduate scholarships and fellowships, awards, prizes, medals, and bursaries are referred to the Graduate Scholarship Committee (GSC) in FGSR for approval.

   If in the future it becomes necessary, advisable, or preferable for changes to be made to the approved terms, in doing so, the University will remain governed by the original intent as expressed at the time of the creation of this award.

   **B. MINIMUM VALUES**
Minimum values for new annually funded undergraduate student financial supports are approved by GFC UABC.

Minimum values for new annually funded graduate student financial supports are approved by the GSC.

5. ANNUAL SPENDING

In any given year, if invested funds do not provide sufficient income to disburse an endowed student financial support, payment of the student financial support may be reduced or withheld until sufficient funds accrue.

The University reserves the right to withhold student financial supports donated by individuals or organizations where the required funds have not yet been received by the University.

DEFINITIONS

Any definitions listed in the following table apply to this document only with no implied or intended institution-wide use.

| Student Financial Supports | Student financial supports are items of monetary and/or other value awarded to a student by the University of Alberta or by donors through the University on the basis of completion of requirements outlined in the selection criteria or terms of reference. Merit-based student financial supports include, but are not limited to, awards, scholarships, prizes, and University medals. Merit-based financial supports are competitive; successful completion of the requirements does not guarantee receipt of the funding. Need-based student financial supports include, but are not limited to, bursaries, loans, and emergency funding. Hybrid awards require academic performance and demonstrated financial need, and will be titled as “Awards”.
| Donor | An individual or organization who makes a charitable donation to the University of Alberta. A charitable donation is a voluntary transfer of property with intent to donate and without benefit or advantage to the donor. Charitable donations can include gifts-in-kind.
| Nominator | A nominator is the individual or group (i.e., committee) responsible for selecting the recipient(s) of an award or bursary and must not be a person or group external to the University of Alberta.
| Selection and Eligibility Criteria | Selection and eligibility criteria are the standards or conditions by which a student qualifies and is chosen to receive a financial support. Criteria may be defined in such areas as academic performance, leadership, community service, athletics, or demonstrated financial need.
| Terms of Reference | The terms of reference of a student financial support provide all relevant information regarding how the student financial support will be dispersed, including the financial terms, the selection and eligibility criteria, and any other information pertinent to the administration.
| Scholarship | A scholarship is a student financial support given to a student on the basis of overall superior academic achievement in a Faculty, Department, or degree program. Secondary selection criteria may also be used. A degree program may be defined as a full multi-year degree program within a Faculty or Department, or as one or more specific years within a full multi-year degree program. |
| Award       | An award is a student financial support that does not meet the definitions for scholarships, prizes or University medals and has as its primary criterion satisfactory academic performance. |
| Prize       | A prize is a student financial support given to a student on the basis of superior academic achievement in a course or specific set of courses in a Faculty, Department, or in some other subdivision of a Faculty. Additional non-academic secondary selection criteria may also be used. |
| University Medal | A University medal is a student financial support is given to a student on the basis of overall superior academic achievement in a Faculty, Department or some other subdivision of a Faculty, or in the University overall. Additional selection criteria will not normally be used. |
| Bursary     | A bursary is a student financial support given to a student primarily on the basis of demonstrated financial need. |

Scope:
Compliance with this University policy extends to all academic, support and excluded staff, postdoctoral fellows, and academic colleagues as outlined and defined in the Recruitment Policy [https://policiesonline.ualberta.ca/policiesprocedures/policies/recruitment-policy.pdf](https://policiesonline.ualberta.ca/policiesprocedures/policies/recruitment-policy.pdf) (Appendix A)

Purpose
To provide information about undergraduate student financial supports at the University of Alberta.

The purpose of this procedure is to ensure consistency in fundamental financial support practices and procedures across the institution, while allowing academic units sufficient flexibility to administer their financial supports in a manner appropriate to their individual needs and objectives and in alignment with institutional objectives.

PROCEDURE

1. ADMINISTRATION

Merit-based student financial supports are normally administered by the Office of the Registrar (RO) as specified in the terms of reference of the financial supports. Some recipients for merit-based student financial supports are nominated to the Office of the Registrar by Faculties, departments or groups on campus as specified in the terms of reference.

Need-based student financial supports are normally administered by the RO as specified in the terms of reference of the need-based financial support.

Hybrid awards are normally administered by the RO as specified in the terms of reference of the hybrid awards. Some recipients for hybrid awards are nominated to the Office of the Registrar by Faculties, departments or groups on campus as specified in the terms of reference.
The RO will communicate with the Office of Advancement on recipient selection for donor funded student financial supports. The RO and Office of Advancement will work collaboratively to ensure administrative procedures align with the original purpose of the financial support.

Faculties, Departments and other administrative units who are responsible for nominating recipients to the RO will administer selection practices that meet the eligibility and selection criteria outlined in the terms of reference of the financial support. Nominating units will inform the RO when they have identified that selection criteria no longer support a diverse pool of eligible applicants or become too restrictive to allow the university to award the funds every year. The RO will work with the nominating unit and the Office of Advancement to explore options for changing the selection criteria to address the limitations.

The RO will coordinate with Financial Services as necessary to ensure proper financial management and disbursement of student financial supports.

2. MAINTENANCE OF TERMS OF REFERENCE FOR STUDENT FINANCIAL SUPPORTS

A. GENERAL ELIGIBILITY

Student financial supports are tenable only at the University of Alberta unless otherwise stated in terms of reference. Student financial supports specific to a particular Faculty are generally tenable only in that Faculty.

B. AMENDING TERMS OF REFERENCE

When terms of reference can no longer be satisfied, the University may amend the terms to best meet the original purpose of the financial support, while still ensuring that the benefit of such financial supports continues. For example, amendments to existing terms of reference may be necessary when there are no longer eligible students due to changes in University programming. Amendments to the general selection and eligibility criteria in terms of reference previously approved by GFC Undergraduate Awards and Bursaries Committee (UABC) must be forwarded to GFC UABC for approval. The Office of the Registrar is responsible for monitoring financial supports requiring amendment and will consult with the appropriate stakeholder(s) before forwarding to GFC UABC.

C. ANNUAL VALUE SETTING

For donor funded student financial supports held by the Office of the Registrar, the Office of the Registrar will determine the annual value to be expended in consultation with the Office of Advancement.

For donor funded student financial supports held by Faculties, the Faculty will determine the annual value to be expended by the Office of the Registrar.

3. MERIT-BASED STUDENT FINANCIAL SUPPORTS

A. SELECTION CRITERIA

Primary selection criteria for merit-based student financial supports will be based on **undergraduate academic performance**. Secondary selection criteria may include, but are not limited to, community service, leadership, and experiential learning.

If selection cannot be made by applying both primary and secondary selection criteria, selection will be based on a combination of primary criteria and criteria that most closely fulfills the original purpose of the financial support.

B. ELIGIBILITY

Merit-based student financial supports established by the University will normally be available to meritorious students who have completed a minimum 24 credits over the most recent September to April period, unless otherwise specified in the terms of reference of the financial support or the merit-based competition program.

C. DISBURSEMENT
Merit-based student financial supports are normally disbursed to the student tuition account. The first charge against any financial support is to pay outstanding University fees including tuition, incidental fees and other university-related fees.

Merit-based student financial supports are normally payable only when students are in full-time attendance at the University in the term during which funds are disbursed. Merit-based student financial supports that are awarded prior to the commencement of or within the Fall Term will be divided evenly between the Fall Term and the Winter Term. The student financial support value will normally be prorated if the attendance of the student changes.

Merit-based student financial supports awarded to a convocating student at the time of convocation will normally be disbursed to the student’s account following convocation.

D. MAJOR AWARD
In order that funds may be broadly distributed, a student may hold only one University of Alberta major award per category (leadership, academics, athletics) in any one year. The total value of merit-based student financial supports already received by students may be taken into consideration in selections for open award competitions.

E. ACADEMIC TRANSCRIPT
Merit-based student financial supports approved by GFC UABC and administered by the Office of the Registrar will be listed on the academic transcript. Need-based and hybrid awards will not appear on the academic transcript.

4. NEED-BASED STUDENT FINANCIAL SUPPORTS
The Office of the Registrar administers need-based financial supports including bursaries and emergency funding for students. The Office of the Registrar also provides advising and program support for government financial support programs. The procedures outlined in this section do not refer to how government financial support programs are supported.

A. SELECTION CRITERIA
Primary selection criteria for need-based student financial supports will be based on demonstrated financial need. Secondary selection criteria may include, but are not limited to, community service, leadership, experiential learning, and undergraduate academic performance as long as the undergraduate academic performance requirement stated in the terms of reference does not exceed a 3.0 GPA.

If selection cannot be made by applying both primary and secondary selection criteria, selection will be based on a combination of primary criteria and criteria that most closely fulfills the original purpose of the financial support.

B. ELIGIBILITY
Need-based student financial supports established by the University, unless otherwise specified by the terms of reference of the financial support, will normally be available to students with full-time attendance and have demonstrated financial need for the current academic year.

Demonstrated financial need will normally be assessed through a common assessment practice as defined by the Office of the Registrar using a student’s expenses and resources. The Common Assessment Practice is derived from provincial and federal loan guidelines. The Common Assessment Practice will also allow for exceptional student situations where the Common Assessment Practice does not reflect the true need of eligible students or does not address the institutional, diversity, or equity priorities of the University.

Domestic students are normally expected to access the maximum government student loan available to them in the current academic year. Assessed need that cannot be met by this loan may be met through University need-based student financial supports up to an annual maximum as determined by the University.

International students are required by the federal government of Canada to demonstrate sufficient resources to meet their cost of attendance at University in order to qualify for a study permit. International students
experiencing an emergency or exceptional circumstances may be considered for need-based student financial supports if their planned financial resources have changed by completing a financial need assessment.

C. DISBURSEMENT

Need-based student financial supports are normally disbursed to the student tuition account. The first charge against any financial support is to pay outstanding University fees including tuition, incidental fees and other university-related fees.

Need-based student financial supports are normally payable only when students are in full-time attendance at the University in the term during which funds are disbursed. Need-based student financial supports will normally be applied to a single term of enrolment in the academic year in which the financial need assessment was evaluated. The student financial support value will normally be re-evaluated if the attendance or enrollment of the student changes.

5. HYBRID AWARDS

A. SELECTION CRITERIA

Primary selection criteria for hybrid awards will be based on a combination of undergraduate academic performance and indicated financial need as long as the undergraduate academic performance requirement stated in the terms of reference does not exceed a 3.0 GPA.

Secondary selection criteria may include, but are not limited to, community service, leadership and experiential learning.

If selection cannot be made by applying both primary and secondary selection criteria, selection will be based on a combination of primary criteria and criteria that most closely fulfills the original purpose of the financial support.

B. ELIGIBILITY

Hybrid awards established by the University, unless otherwise specified by the terms of reference of the financial support, will normally be available to students with full-time attendance and have indicated financial need in either the current or previous academic year.

Indicated financial need will normally be assessed through defined indicators of financial need as established by the Office of the Registrar. Defined indicators of financial need are derived from elements of the Common Assessment Practice.

C. DISBURSEMENT

Hybrid awards are normally disbursed in accordance with disbursements outlined in section 3C of this procedure.

6. ANNUAL REPORTING

Each academic year, the Vice-Provost and University Registrar will present an annual report on Undergraduate Student Financial Support to GFC and the Board of Governors. The report serves as an overview of undergraduate financial supports and services administered by Student Financial Support (SFS) within the Office of the Registrar (RO).

DEFINITIONS

Definitions should be listed in the sequence they occur in the document (i.e. not alphabetical).
| Student Financial Supports | Student financial supports are items of monetary and/or other value awarded to a student by the University of Alberta or by donors through the University on the basis of completion of requirements outlined in the selection criteria or terms of reference. Merit-based student financial supports include, but are not limited to, awards, scholarships, prizes, and University medals. Merit-based financial supports are competitive; successful completion of the requirements does not guarantee receipt of the funding. Need-based student financial supports include, but are not limited to, bursaries, loans, and emergency funding. | Terms of Reference | The terms of reference of a student financial support provide all relevant information regarding how the student financial support will be disbursed, including the financial terms, the selection and eligibility criteria, and any other information pertinent to the administration. |
| Hybrid Awards | Hybrid awards are financial supports whose primary selection criteria is a combination of both undergraduate academic performance and indicated financial need. |
| Undergraduate Academic Performance | Undergraduate academic performance refers to the academic requirements for student financial supports and is categorized as superior academic achievement or satisfactory academic standing. Superior academic achievement in the context of student financial supports will normally mean either of the following: i. GPA of 3.5 or higher in the University or; ii. standing in the upper 10% of comparable students in a Faculty, School, Department or other subdivision of a Faculty. Superior academic achievement in the context of student financial supports for entrance scholarships will normally mean a minimum average of 80% on marks used at the time of assessment. Satisfactory academic standing in a Faculty means satisfactory as defined within the University Calendar by the Faculty in question. If no such definition has been made by the Faculty, satisfactory academic standing means being eligible to continue in or graduate from the program in which the student is registered exclusive of those students allowed to continue on a probationary basis. For entrance awards, a student will be deemed to have achieved satisfactory academic standing provided they have been granted admission to a program of study at the University of Alberta. |
| Demonstrated Financial Need | Demonstrated financial need is a calculation of overall financial shortfall available for a student's academic and basic living costs for the current academic year. The calculation will normally be based on the Common Assessment Practice. |
| Indicated Financial Need | Indicated financial need is used in instances where a determination of full financial shortfall is unnecessary, as in Hybrid awards. Indicated |
financial need is determined through review of a student’s financial situation based on a subset of criteria taken from indicators based on the Common Assessment Practice and does not require a full financial shortfall assessment.

Graduate Student Financial Supports Procedure

**Office of Administrative Responsibility:** Faculty of Graduate Studies and Research

**Approver:** Graduate Scholarship Advisory Committee

**Scope:** Compliance with this University policy extends to all academic, support and excluded staff, postdoctoral fellows, and academic colleagues as outlined and defined in the Recruitment Policy

<https://policiesonline.ualberta.ca/policiesprocedures/policies/recruitment-policy.pdf> (Appendix A

**Purpose**

To provide information about graduate **student financial supports** at the University of Alberta.

The purpose of this procedure is to ensure consistency in fundamental financial support practices and procedures across the institution, while allowing academic units sufficient flexibility to administer their financial supports in a manner appropriate to their individual needs and objectives and in alignment with institutional objectives.

**PROCEDURE**

1. **ADMINISTRATION**

Merit-based student financial supports are normally administered by the Faculty of Graduate Studies and Research (FGSR) as specified in the terms of reference. Recipients of merit-based student financial supports are nominated to the Faculty of Graduate Studies and Research by Faculties, departments or units on campus as specified in the terms of reference.

Need-based student financial supports are normally administered by the Office of the Registrar as specified in the terms of reference.
The FGSR will communicate with the Office of Advancement on recipient selection for donor funded student financial supports. The FGSR and Office of Advancement will work collaboratively to ensure administrative procedures align with donor intent.

Faculties, Departments and other administrative units who are responsible for nominating recipients to the FGSR will administer selection practices that meet the eligibility and selection criteria outlined in the terms of reference. Nominating units will inform the FGSR when they have identified that selection criteria no longer support a diverse pool of eligible applicants or become too restrictive to allow the university to award the funds every year. The FGSR will work with the nominating unit and Office of Advancement to explore options for changing the selection criteria to address the limitations.

The FGSR will coordinate with Financial Services as necessary to ensure proper financial management and disbursement of student financial supports.

2. MAINTENANCE OF TERMS OF REFERENCE
   A. GENERAL ELIGIBILITY

      Student financial supports are tenable only at the University of Alberta unless otherwise stated in the terms of reference. Student financial supports specific to a particular Faculty are generally tenable only in that Faculty.

   B. AMENDING TERMS OF REFERENCE

      When the terms of reference become prohibitive to fulfill through obsolescence, then the University may amend the terms to carry out the nearest possible original intent of the donor, while still ensuring that the benefit of such financial supports continues. For example, amendments to existing terms of reference may be necessary when there are no longer eligible students due to changes in University programming.

      Amendments to the general selection and eligibility criteria in the terms of reference previously approved by the Graduate Scholarship Committee (GSC) must be forwarded to GSC for approval. The Faculty of Graduate Studies and Research is responsible for monitoring these financial supports requiring amendment and will consult with the appropriate stakeholder(s) before forwarding to GSC.

   C. ANNUAL VALUE SETTING

      For donor funded student financial supports for which the FGSR holds administrative responsibility, the FGSR will determine the annual value to be expended unless indicated in the terms of reference.

3. MERIT-BASED FINANCIAL SUPPORT
   A. SELECTION CRITERIA

      Primary selection criteria for merit-based student financial supports will be based on graduate academic performance. Secondary selection criteria may include, but are not limited to, community service, leadership, and experiential learning.

      If selection cannot be made by applying both primary and secondary selection criteria, selection will be based on a combination of primary criteria and criteria that most closely fulfills the original purpose of the financial support.

   B. ELIGIBILITY

      Students registered in master’s programs are eligible to hold awards during the first four years of their program unless stated otherwise in the terms of reference for the award. Consideration for funding for the fifth year of a master’s program may be considered if a compelling explanation (ie. illness, parental leave, personal catastrophe) outlined in a letter of support from the department is provided.

      Students registered in doctoral programs are eligible to hold awards during the first six years of their program unless stated otherwise in the terms of reference for the award. Consideration for funding for the seventh year of a doctoral program may be considered if a compelling explanation (ie. illness, parental leave, personal catastrophe) outlined in a letter of support from the department is provided.
Full-time Registration

Full-time thesis-based students are required to be registered full-time in each term for the duration of the award.

Ineligible Student Categories

Part-time students are not typically eligible, unless specified in the terms of reference for the award. If a student is selected as the recipient of one of the limited number of awards for which part-time students are eligible, the student is required to register in each term for the duration of the award.

Students registered in Graduate Certificate and Diploma programs are not typically eligible, unless specified in the terms of reference for the award. If a student is selected as the recipient of one of the limited number of awards for which Graduate Certificate and Diploma students are eligible, the student is required to register in each term for the duration of the award.

Qualifying students, students on academic probation, visiting students and students in cost-recovery programs are not eligible to hold FGSR-administered awards, unless specified in the terms of reference for the award.

C. DISBURSEMENT

Graduate student financial supports are normally processed through direct deposit payroll, unless otherwise specified in the terms of reference. Recipients are responsible for setting up their direct deposit information in order to receive payment.

Merit-based student financial supports are normally payable only when students are registered full time at the University in the term during which funds are disbursed, unless otherwise specified in the award terms of reference.

Merit-based student financial supports up to and including the value of $6,000 are paid in one payment during the timeframe outlined in the award letter of offer.

Merit-based student financial supports whose values are between $6,000 and $11,999.99 are either paid in two equal sums in consecutive terms (ie Fall and Winter) or disbursed as per the semi-monthly payroll schedule over the duration of twelve months. Students receiving term-based funding who no longer meet the eligibility criteria in the second term may have their payment terminated, and students receiving semi-monthly funding may have their payment terminated the month in which they complete their degree requirements.

Merit-based student financial supports whose values are greater than $12,000 will be disbursed as per the semi-monthly payroll schedule over the duration of twelve months. If a student no longer meets the eligibility requirements of the financial support remaining payments may be terminated.

Changes to a student’s status which render the recipient ineligible to hold all or some specific portion of an award, may result in the requirement to repay all or a portion of the award. These changes include but are not limited to: being placed on academic probation, withdrawal from the program, change in registration status, change in program, accepting another award which precludes holding concurrent awards.

D. ACADEMIC TRANSCRIPT

Scholarship and Prize student financial supports approved by GSC and administered by the Faculty of Graduate Studies and Research will be listed on the academic transcript. Need-based student financial supports will not appear on the academic transcript.

4. NEED-BASED FINANCIAL SUPPORT

The Office of the Registrar administers need-based financial supports including bursaries and emergency funding for students. Additional bursaries are administered through the Graduate Student’s Association and University of Alberta International. The Office of the Registrar, also provide advising and program support for government financial
support programs. The procedures outlined in this section do not refer to how government financial support programs are supported.

A. SELECTION CRITERIA

Primary selection criteria for need-based student financial supports will be based on demonstrated financial need. Secondary selection criteria may include, but are not limited to, community service, leadership, experiential learning, and graduate academic performance, as long as the graduate academic performance requirement does not exceed a 3.0 GPA.

If selection cannot be made by applying both primary and secondary selection criteria, selection will be based on a combination of primary criteria and criteria that most closely fulfills the original purpose of the financial support.

B. ELIGIBILITY

Need-based student financial supports established by the University, unless otherwise specified by the terms of reference of the financial support, will normally be available to students with full-time enrollment and have demonstrated financial need for the current academic year.

Demonstrated financial need will normally be assessed through a common assessment practice as defined by the Office of the Registrar using a student's expenses and resources. The common assessment practice is derived from provincial and federal loan guidelines. The common assessment practice will also allow for exceptional student situations where the common assessment does not reflect the true need of eligible students or does not address the institutional, diversity, or equity priorities of the University.

Domestic students are expected to access the maximum government student loan available to them in the current academic year. Assessed need that cannot be met by this loan may be met through University need-based student financial supports up to an annual maximum as determined by the University.

International students are required by the federal government of Canada to demonstrate sufficient resources to meet their cost of attendance at University in order to qualify for a study permit. International students experiencing an emergency or exceptional circumstances may be considered for need-based student financial supports if their planned financial resources have changed by completing a financial need assessment.

C. DISBURSEMENT

Need-based student financial supports are normally disbursed to the student tuition account. The first charge against any financial support is to pay outstanding University fees including tuition, incidental fees and other university-related fees.

Need-based student financial supports are normally payable only when students are in full-time attendance at the University in the term during which funds are disbursed. Need-based student financial supports will normally be applied to a single term of enrolment in the academic year in which the financial need assessment was evaluated. The student financial support value will normally be re-evaluated if the attendance or enrollment of the student changes.

5. ANNUAL REPORTING

Each academic year, the Vice-Provost and Dean of FGSR will present an annual report on Graduate Student Financial Support to FGSR council and then to the GFC. The report serves as an overview of graduate financial supports and services administered by the Faculty of Graduate Studies (FGSR).

DEFINITIONS

Definitions should be listed in the sequence they occur in the document (i.e. not alphabetical).
## Student Financial Supports

Student financial supports are items of monetary and/or other value awarded to a student by the University of Alberta or by donors through the University on the basis of completion of requirements outlined in the selection criteria or terms of reference.

Merit-based student financial supports include, but are not limited to, awards, scholarships, prizes, and University medals. Merit-based financial supports are competitive; successful completion of the requirements does not guarantee receipt of the funding.

Need-based student financial supports include, but are not limited to, bursaries, loans, and emergency funding.

## Terms of Reference

The terms of reference of a student financial support provide all relevant information regarding how the student financial support will be disbursed, including the financial terms, the selection and eligibility criteria, and any other information pertinent to the administration.

## Graduate Academic Performance

Graduate academic performance refers to the academic grading requirements for student financial supports and are categorized as superior academic achievement or satisfactory academic standing.

Superior academic achievement will normally mean the following:

1. GPA of 3.5 or higher in the University

Superior academic achievement for entrance scholarships will normally mean a minimum GPA of 3.5 based on marks used at the time of assessment.

Satisfactory academic standing is defined as:

1. GPA of 3.0 for newly admitted graduate students
2. GPA of 2.7 or greater for continuing students

Satisfactory academic achievement for entrance scholarships will normally mean a minimum GPA of 3.0 based on the marks used at the time of assessment.

## Demonstrated Financial Need

Demonstrated financial need is a calculation of overall financial shortfall available for a student's academic and basic living costs for the current academic year. The calculation will normally be based on the common assessment practice.

## Full-Time Attendance

Full-time attendance as defined within the University Calendar.

## Emergency Funding

Emergency funding is a financial support given to a student primarily on the basis of demonstrated financial need and who have demonstrated emergent financial challenge. Emergency funding can either be repayable or non-repayable.

## Student Tuition Account

The student tuition account is the receivable account by which charges (including tuition and fees), and payments are processed. Students access their account details through Bear Tracks.
